Kim, 2021-05-18 Offering an important corrective to a pain averse culture that celebrates individualism and success veteran preacher and teacher Matthew Kim encourages pastors to preach on the painful issues their congregations face Through vulnerability and self disclosure pastors can help their congregants share their suffering in community for the purpose of healing and transformation The book includes stories shares relevant Scripture texts imparting biblical wisdom and offers best practices for preaching on specific topics Each chapter ends with discussion questions and a sample sermon

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word

How to Preach and Teach the Old Testament for All Its Worth Christopher J. H. Wright, 2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In *How to Preach and Teach the Old Testament for All Its Worth* Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly

Preaching in High Definition Dr. Ryan Mustered,2025-05-29 Our enemies the world the flesh and the devil are ravaging humankind like biological weapons You hold the antidote the Word of God The only challenge is convincing stubborn humans to take the antidote As a warrior you will have to use every weapon in your communication arsenal We live in a high definition culture Video audio pictures and crystal clear messages flood our eyes ears minds and hearts Social media the internet television radio and printed content have the potential for either great good or great evil So what is high definition preaching It is simply this clearly communicating God s word to transform lives using every weapon the Lord provides God s word is living and active sharper than any two edged sword Hebrews 4 12 So why are some preachers able to brandish it like a lightsaber but others seem to swing it around like a butter knife Why do some sermons come across like a fuzzy 13 inch black and white analog TV buy it now for 10 at Goodwill while other sermons come alive like your buddy s new 75 inch Neo QLED 8K TV buy it now on Amazon for 1 998 That s the difference that high definition preaching makes The child of God preaching the Word of God with clarity empowered by the Spirit of God will be an effective weapon in this battle for the souls of humankind It s time to level up and put some new weapons in your communication arsenal We have to preach in high definition to reach a high definition culture A Philosophy of Pastoral Preaching David A. Christensen,2023-05-26 I

am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the churchd The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching

builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place **Preaching Life-Changing Sermons** Jesse L. Nelson, 2022-04-12 A how to guide for preparing and delivering Spiritfilled biblical messages that make an impact Being called to preach is a tremendous commission In Preaching Life Changing Sermons Jesse L Nelson shares a simple process for effective expository sermon preparation and delivery flavored with insights from his life in ministry and academic work Those with teaching and preaching responsibilities with little to no seminary training will learn practical steps they can use today in their ministry Nelson outlines the six foundations of life changing preaching and shows how each looks in the everyday life of a pastor Seek the Spirit Select the Scripture Study the Scripture Structure the Sermon Speak in the Spirit Share the Savior Handling God s Word rightly through prayer sermon preparation and sermon delivery sets the stage for people to absorb the message When the Spirit moves as Scripture speaks souls are changed and the call to preach becomes an exciting transformative adventure **Lectures on Preaching** Phillips Brooks, 1877 Phillips Brooks a veteran minister with years of experience at the pulpit shares guidance on preaching and serving in the ministry in these lectures delivered at Yale University The nineteenth century was a time of great expansion in the United States and by extension the churches and Christian movements Demand for new preachers and ministers burgeoned that the many new communities founded had God in the hearts and minds of their inhabitants Having lived in what was an environment of upheaval Brooks felt it appropriate to pass on the wisdom and advice to prospective new ministers looking to found or join parishes around the country Making and delivering fine sermons the messages of which stay with the congregation is at the heart of what a good minister does Yet the work is not confined to merely this the preacher must be a support to the communal and spiritual life of his locality that his congregation be kept in good health and that their souls be shepherded toward a life of virtue and good conduct The preacher must also turn his attention inward his character must be examined for flaws or bad habits with virtues cultivated that he stand as a model for the wider community
