**Training Ground-An Angel's Epic Adventure to Self Discovery** Roy M Dawes, 2019-01-22 Eons ago God created legions of angels perfect beautiful beings who never knew sickness sorrow or death Eternal beings whose only emotion they had ever known was love Love for each other and love for God their creator The angels lived with God in paradise in an everlasting heaven filled with a contentment of unconditional love that can only be imagined Not one wanted anything more than to spend eternity just as it was But God had plans for them each and every one They were to be his counselors of heaven They were to guide comfort and be caretakers for all of God's future creations To spread his love and to give hope to the hopeless and peace to the distressed even to be messengers for God God knew they would need more than love to do his will They would need to master all of the emotions They would need to understand the depths of pain and suffering and the thrill of winning to the solace of losing They would need to know the amazement of birth and the unbearable sorrow of death and to know not just love but hate and most importantly faith compassion and forgiveness So much to teach them and so many but God with his infinite wisdom had it all worked out He created an amazing blue orb an entire world full of countless creatures beautiful landscapes and everything that would be needed A perfect training ground he called simply earth a world where free will along with good and bad decisions would lead them all on endless adventures Once in earth their alter egos would be unknown to them They would be born and live out entire lives until death which would bring them back to heaven where they would awaken with all of the memories of their time on earth They would repeat these trips for centuries until they had experienced all there was to experience Then they would be ready to do God's will This is a story of an angel who was very special to God a beautiful very gentle and kind spirited angel simply named Tab Tab had been to earth so many times She

had lived countless lives out on earth and she could remember every detail of every visit She loved the adventure and all the drama Almost as soon as she'd get back to heaven she'd go back to earth again and again and again Her enthusiasm did not go unnoticed Soon she would be given a great task She would be given a chance to help earth as no other angel ever had and God was going to leave it all in her hands as to just what and how she did it well almost all in her hands Oahspe, a New Bible in the Words of Jehovah and His Angel Embassadors John Ballou Newbrough, 1891 Tales of the Angels, *My Angel's Gem* Crystal Belle, Theresa Jade, Nothing was as it seemed at first in this contemporary heartwarming tale of a young woman who had come to a point in her life where everything was going downhill Having to deal with an injured petulant younger sister a morose grieving mother and a recent breakup Georgie Greene had only one choice left to cope as best she could in her own way She had thought the trip to her grandparent's ranch up north supposedly for the benefit of her sister would be nothing more than revisiting painful old memories Little did she know that she would come to learn of a heart wrenching secret her grandparents had thus far kept from the family Apart from that was her family's mysterious involvement with the gorgeous looking impertinent ranger whose face she could not get out of her head Just when things were starting to look up she was tossed into a whirlpool of disconcerting circumstances which threatened to send her spirits plummeting once more Would she get her life back on track and perhaps even kindle a little romance anew She knew the man she wanted but did he want her now that he was holding the other woman's hand sparkling with a diamond ring **The Holy Court, in Five Tomes ...
