consider this who else has rested their head against that wall over the last six hundred years Chaucer and his fellow pilgrims almost certainly drank in the George on their way out of London to Canterbury It's fair to say that Shakespeare popped in from the nearby Globe for a pint and we know that Dickens certainly did Mail carriers changed their horses here before heading to all four corners of Britain while sailors drank here before visiting all four corners of the world The pub as Pete Brown points out is the primordial cell of British life and in the George he has found the perfect example All life is here from murderers highwaymen and ladies of the night to gossiping peddlers and hard working clerks So sit back with Shakespeare's Pub and watch as buildings rise and fall over the centuries and the beer drinker's Bill Bryson UK's Times Literary Supplement takes us on an entertaining tour through six centuries of history through the stories of everyone that ever drank in one pub

**Miller'S Pub** George Edward Moon,2017-12-21 Millers Pub is a fabricated tale The characters in the plot are fictitious Any resemblance of people living or dead is truly a coincidence Certain historical events mentioned during the storys time line are repeated from memory and confirmed by the excellent internet site Wikipedia the free encyclopedia Steven Baker the principal protagonist finds himself unexpectedly in a midlife perplexity Like many entrepreneurs absorbed by the pathways to success and often at the expense of others he fails to properly recognize the traditional gap in their marriage In all fairness Steven may have been blindsided to this customary interval and unprepared to recognize and control it Since the nineteen fifties American culture if there ever was such a thing has gradually lost its former values Now relativism rules the day Stevens grandparents lived by the precepts in the US Constitution and their Bible The Good Book provided the roadmap for their way of life The changing of society and environment has led to the decay of the old moral significance Marriage and the family are disrupted and no longer a basic cultural element it will never return Today relativism is taught in the universities of higher learning The culture of Facebook and Twitter further limits the education of the populace Their Bible if they still have one gathers dust Any effort to return to our former lifestyle and virtues is shouted down by those in power
