The Shadow of Her Smile Victoria Taylor Murray,2005-04 Reading The Shadow of Her Smile was like slurping a long cold lemonade on a sultry summer day I couldn t devour it fast enough The story started off with a bang and grew increasingly suspenseful as Victoria Taylor Murray drew me into her exciting plot with the ease that only the best writers can achieve From Trump Tower to the Waldorf Astoria Hotel to Little Italy to NYPD and a grandmother s run down mansion she painted a New York seldom seen by outsiders I especially relished the historical vignettes of The Big Apple woven in at appropriate places in the story Although many of the supporting characters were ultra worldly obviously shallow greedy and lustful each one was unique and thoroughly fleshed out Even billionaire Forrest Gray who set the stage for this novel when he hired Corbin Douglas to find Nikki Rourke became larger than life as Murray wielded her magic pen to craft him Through all these marvelous mixed up often malevolent characters Murray captured the true essence of the city s diversity of cultures and life styles And the hero and heroine were to die for Corbin a cop turned private investigator is every woman s dream handsome strong and sexy yet kind caring and ethical while Nikki is the beautiful charming smart gutsy red haired woman who is at the center of everything Corbin hooked me right from the start but I had to wait awhile to meet Nikki

The wait was worth it and she quickly won my heart by the tender loving manner in which she cared for our hero when he was injured And then there s Charlie Corbin s friend and former partner and the love of his life Bette What a joy it was to meet them Of stronger moral fiber these four characters more than made up for the indiscriminate behavior of the minor characters They became so real to me I ll think of them often in days to come The excitement was nonstop as Corbin searched for Nikki a woman in a photograph with an unforgettable smile overcoming death defying breath stealing obstacles to help her This well written fast paced story has everything believable characters realistic dialogue suspense romance and original humor When Corbin told his former partner I have a headache the size of Stephen King s Buick 8 I laughed out loud a welcome relief from the tension of the book s drama The Shadow of Her Smile takes you through a series of twists and turns that makes your goosebumps sprout more goosebumps as you question Who are the dead dancers Who is killing red haired women Are they after Nikki too Will Corbin find her in time or will she be the next victim What s going on with the billionaire s wife What does the chauffeur s pretty boy son have to do with it And the gangster and his hit squad Is it all connected The very talented Victoria Taylor Murray won my heart with this book I join her growing legions of fans in applauding her on penning another winner My one regret is that I didn t discover her from her very first book Betty Dravis author of The Toonies Invade Silicon Valley
