America's Civil War, 1989 The Sacred Flame of Love Christopher H. Owen, 1998 Attempting to restore subtlety and nuance to the study of southern religion *The Sacred Flame of Love* ranges across the entire nineteenth century to chronicle the evolution of the institutions theology and social attitudes of Georgia Methodists in light of such phenomena trends and events as slavery class prejudice republicanism population growth economic development sectional politics war emancipation and urban growth In connecting Methodist history with the larger social transformation of nineteenth century Georgia Christopher H Owen uncovers a story of considerable complexity and variety Because Georgia Methodists included people from every social class few generalizations apply properly to all of them For many years they were loosely united by common adherence to the ideals of Wesleyan evangelicalism but economic and political developments would gradually accentuate Methodist social divisions and weaken even this bond Indeed deviating far from the conception of unchanging and asocial southern religion often held by scholars Owen sees both church and society undergoing enormous change in the nineteenth century **The Publishers Weekly**, 1988 *Grandfather's Enduring Love* Kenneth David Musser, 2022-06-28 A dramatic true story of a Kansas family extending over four continuous generations Tragedy after tragedy would haunt this family including the mama burning to death on New Year's Day of 1927 Papa's enduring love prevails as he raises two families of five children each Papa's five year old daughter Faithe would be the oldest witness of seeing her mama burning to death As a result she would live a lifetime of depression and mental illness leaving her to become an abusive wife and mother A son who suffered emotional and physical abuse at the hands of his mother himself would lead a life of severe depression and acute anxiety The emotionally and physically abused son will share five escapes or places of refuge which helped him endure his eight year continued abuse Throughout our true dramatic story will be vivid illustrations of a number of families enduring love through prayer climaxing with the greatest enduring love ever of God giving his only begotten Son Jesus to die on the cross shedding his blood for all sinners *The Yankee Way* Andy Martino, 2024-05-21 With rare access to the inner sanctum of the New York Yankees SNY analyst Andy Martino weaves two years of exclusive interviews with general manager Brian Cashman into a revelatory account of never before told stories about Derek Jeter Aaron Judge Alex Rodriguez the complex front office team ownership and insights into the World Series wins and day to day running of the team that fans never get to see When Brian Cashman arrived in the Bronx as an intern in 1986 he discovered a team in chaos run on impulse and

Why the South Lost the War Bo Whaley,1992 The author of the bestseller *The Official Redneck Handbook* tries to explain how insurance companies work how one becomes a senior citizen how to hook up a VCR why hospitals that charge hundreds of dollars a day provide you with a gown that doesn t cover you why today s neckties cost so much and more Illustrated *Gun Racks and Six-packs* Bo Whaley,1996 [Sitting in the Circle](#) Jon Berenson,2013-05 These 37 essays are rooted in the inspiration I experience in working with my patients and with participants at the Opening the Heart Workshop Though they are all very different in tone and content they are all about love in the small places off center stage They may have been about lifting a hosta leaf and finding a spider s web in diamonds of morning dew or about watching new grass grow holding a weeping patient in my office watching a man outside my office drag his leg behind as he carries groceries home They are all I think small love stories **The Westminster ...** ,1905

THE CLOCKMAKER; OR THE SAYINGS AND DOINGS OF SAMUEL SLICK, OR SLICKVILLE ,1840 **Love Affairs; Or, How a Flirt was Caught in His Own Trap** Anne Tuttle Jones Bullard,1854 [Reinventing Hippocrates](#) David Cantor,2017-03-02 The name of Hippocrates has been invoked as an inspiration of medicine since antiquity and medical practitioners have turned to Hippocrates for ethical and social standards While most modern commentators accept that medicine has sometimes fallen short of Hippocratic ideals these ideals are usually portrayed as having a timeless appeal departure from which is viewed as an aberration that only a return to Hippocratic values will correct Recent historical work has begun to question such an image of Hippocrates and his medicine Instead of examining Hippocratic ideals and values as an unchanging legacy passed to us from antiquity historians have increasingly come to explore the many different ways in which Hippocrates and his medicine have been constructed and reconstructed over time Thus scholars have tended to abandon attempts to extract a real Hippocrates from the mass of conflicting opinions about him Rather they tend to ask why he was portrayed in particular ways by particular groups at particular times This volume explores the multiple uses constructions and meanings of Hippocrates and Hippocratic medicine since the Renaissance and elucidates the cultural and

social circumstances that shaped their development Recent research has suggested that whilst the process of constructing and reconstructing Hippocrates began during antiquity it was during the sixteenth century that the modern picture emerged Many scholastic endeavours today it is claimed are attempts to answer Hippocratic questions first posed in the sixteenth century This book provides an opportunity to begin to evaluate such claims and to explore their relevance in areas beyond those of classical scholarship **Paperbound Books in Print** ,1992
