How To Meet The Devil And Other Stories:

How to Meet the Devil, and Other Stories Ramon Sanchez, 1995 The Devil's Pool and Other Stories George Sand, 2012-02-01 Newly translated into English The Devil's Pool is the most popular of George Sand's novellas and her best selling work in France today Illustrating Sand's brevity liveliness and exemplary storytelling the tale deals with many of her characteristic themes the relations between the sexes the plight of the underprivileged and the role of fantasy in human life making it an ideal introduction to her work Also included are translations of two of Sand's most admired short stories Lavinia and The Unknown God as well as various relevant essays and documents **Ridan the Devil and Other Stories** Louis Becke, 2020-07-30 Reproduction of the original Ridan the Devil and Other Stories by Louis Becke **The Devil's Church and Other Stories** Joaquim Maria Machado de Assis, 2010-07-22 The modern Brazilian short story begins with the mature work of Joaquim Maria Machado de Assis 1839-1908 acclaimed almost unanimously as Brazil's greatest writer Collectively these nineteen stories are representative of Machado's unique style and world view and this translation doubles the number of his stories previously available in English The stories in this volume reflect Machado's post 1880 emphasis on social satire and experimentation in psychological realism If he had continued to produce the moralistic love stories and parlor intrigues of his earlier fiction Machado's legacy would have been an entertaining but inconsequential body of work However by 1880 he had begun a devastating satirical assault on society through his fiction In spite of his ruthlessness Machado does at times reveal an ironic sympathy for his characters He is not indifferent to human conflict but uses humor and irony to stress the absurdity of these conflicts acted out against the backdrop of an indifferent universe Such a spectacle creates a sense of helplessness that can only inspire wistful amusement In his technical mastery of the short story Machado was decades ahead of his contemporaries and can still be considered more modern than most of the modernists themselves That his stories elicit such strong and diverse reactions today is a tribute to their richness complexity and significance **The Schoolmistress, and Other Stories** Anton Pavlovich Chekhov, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Devil's Laugh and Other Stories** H. Alan Tansson, 2009-11 The Devil's Laugh and Other Stories is a book of folktales to help you check out your philosophy of life We all know you don't believe in ol Scratch and you thought you knew what a sphincter was You've never heard of the Quarry of Suffering and can't imagine what it's like to have the evil eye yourself Therefore save this book for emergencies like the day you need to remember what it was like to discover the joy of reading H.
