The Easiest Way to Meet and Pick Up Girls-Ever!! Dusty White,2006-07-27 As of January 2014 I am taking this book off of the market forever I stated when I wrote this that it was not for mass public distribution This book was always to be limited to under 10 000 copies Sales have been astounding far more than I ever imagined and it is time to let the existing copies wear out and return this information back to the few people who actually do it well I have unpublished all digital versions of this book and they will not return either This book will not be sold again Thank you to everyone who read and used it when you did That was an interesting period in my life But that was then and this is not then This book takes all of the guesswork out of meeting women It is not about relationships or raising a family and it is not another hokey book on how to have some mysterious secret power over women This book teaches you how to get a date tonight without having to spend any money Anyone can do this You will approach women any time anywhere instantly getting them interested in knowing you without feeling nervous or having to resort to pick up lines You will know what to say first what to say after that how to grab her attention and focus it exclusively on you and get her number or a date on the spot The first section of this book analyzes every possible way you could approach women The second section of this book reveals a secret devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her Subsequent sections provide help and troubleshooting guides We won t make you a guru of getting girls We will get you dates The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week at the office gas station standing in line anywhere Too many men rely on nightclubs bars and personal ads to get dates ignoring the women they see e v e r y d a y

to Bell's side in time *The Popular Girls Book Series* Raven Riley, 2011-07-26 My book is about three girls who are very mean and rich. They came from different states and they also run the school. The three popular girls are so very rich and very spoiled to the bone. Each of the three girls have different personalities; they are always expressing their styles of clothes that all 3 of them wear to school everyday. Chloe tries to spend all of her money so she can buy clothes online. She does not get along with her sister Amy. Chloe hates going to school every day; she is mean to a lot of people at that school. Chloe never gets to spend any time with her beau because she is always working and also doing her homework after she gets off from work. The two of them argue a lot. She does not have the perfect family. She is the hottest chick at school. Summer is just the sweetest person that you will ever meet. She does not always yell at people. Her favorite color is yellow. Summer has a sister named Naomi. Let me tell you something else: they never agree on anything with each other; you could possibly name one of the two of them; they would definitely honestly fight about it. Summer used to have a boyfriend named Max, but I am not going to tell you what happened to their past relationship. Kaylee was the more fly chick and a hot sexy chick. She was not always so sweet for looks can be so deceiving. She can stay mad at anyone for a very long time. It takes her a long time to get over something that made her very angry. I totally forgot where Kaylee lives anyway. Kaylee loves going to school; she is a straight A student. She loves to party with her friends and drink all night long. Kaylee really does not have a curfew; she can come home anytime. She would never date any guys that have really bad breath. Kaylee's high school sweetheart is Jake Stanley. The two of them have been dating ever since middle school and now in high school. She fell head over heels for that guy. He rides motorcycles. He is basically the love of her life. Jake and Kaylee do everything together like going out dancing or hanging out with his friends. They make the perfect couple. He makes her laugh and smile. They both make each other happy. What they have is real love, not puppy love. So you need to read to find out what happens to these three girls in my book. It is a very interesting book. You are going to really like it. It is very funny at the same time and very sad too. There are a lot of funny parts in the book that make me laugh.
