How to Pitch Fast Pitch Softball for Both Men and Women W. F. Whetstine, 1985-01-01 *The Louisville Slugger Complete Book of Women's Fast-Pitch Softball* John Monteleone, Deborah Crisfield, 1999-03-15 Details the differences from men's softball and offers effective strategies *How to Coach Fast Pitch Softball for Both Men & Women* W. F. Whetstine, 1988 **Fastpitch** Erica Westly, 2017-04-04 From its humble beginnings in 1887 when it was invented in a Chicago boat club and played with a broomstick to the rise in the 1940s and 1950s of professional caliber company sponsored teams that toured the country in style softball's history is as diverse as it is fascinating Though it's thought of today as a woman's sport fastpitch softball's early years featured several male stars such as the vaudeville-esque Eddie Feigner whose signature move was striking out batters while blindfolded But because softball was one of the only team sports that women were allowed to play competitively it took on added importance for female athletes This book chronicles its history 2014-17 Official Softball Playing Rules, 2014-07-01 *Mexican American Fastpitch* Ben Chappell, 2021-08-17 In Mexican American communities in the central United States the modern tradition of playing fastpitch softball has been passed from generation to generation This ethnic sporting practice is kept alive through annual tournaments the longest running of which were founded in the 1940s when softball was a ubiquitous form of recreation and the so called Mexican American generation born to immigrant parents was coming of age Carrying on with fastpitch into the second or third generation of players even as wider interest in the sport has waned these historically Mexican American tournaments now function as reunions that allow people to maintain ties to a shared past and to remember the decades of segregation when Mexican Americans citizenship was unfairly questioned In this multi-sited ethnography Ben Chappell conveys the importance of fastpitch in the ordinary yearly life of Mexican American communities from Kansas City to Houston Traveling to tournaments he interviews players and fans strikes up conversations in the bleachers takes in the atmosphere in the heat of competition and combs through local and personal archives Recognizing fastpitch as a practice of cultural citizenship Chappell situates the sport within a history marked by migration marginalization solidarity and struggle through which Mexican Americans have navigated complex negotiations of cultural national and local identities □□□□, 2004 CCTV 5
