Preventing Identity Theft in Your Business Judith M. Collins, 2016-09-27 Preventing Identity Theft in Your Business is a reliable guide to help protect companies their customers and their employees from the growing problem of identity theft Real life examples show managers and executives how to identify business customer and employee identity theft how these crimes are committed how best to prevent them and overall develop an honest company culture It also covers how to manage this threat in business reorganizations such as mergers acquisitions globalization and outsourcing *Is It Safe? Protecting Your Computer, Your Business, and Yourself Online* Michael Miller, 2008-06-06 Is It Safe PROTECTING YOUR COMPUTER YOUR BUSINESS AND YOURSELF ONLINE IDENTITY THEFT DATA THEFT INTERNET FRAUD ONLINE SURVEILLANCE EMAIL SCAMS Hacks attacks and viruses The Internet is a dangerous place In years past you could protect your computer from malicious activity by installing an antivirus program and activating a firewall utility Unfortunately that s no longer good enough the Internet has become a much darker place plagued not only by rogue software but also by dangerous criminals and shadowy government agencies Is It Safe addresses the new generation of security threat It presents information about each type of threat and then discusses ways to minimize and recover from those threats Is It Safe differs from other security books by focusing more on the social aspects of online security than purely the technical aspects Yes this book still covers topics such as antivirus programs and spam blockers but it recognizes that today s online security issues are more behavioral in nature phishing schemes email scams and the like Are you being scammed Learn how to spot the newest and most insidious computer security threats fraudulent retailers eBay scammers online con artists and the like Is your identity safe Avoid being one of the nine million Americans each year who have their identities stolen Today s real Internet threats aren t viruses and spam Today s real threat are thieves who steal your identity rack up thousands on your credit card open businesses under your name commit crimes and forever damage your reputation Is Big Brother watching Get the scoop on online tracking and surveillance We examine just who might be tracking your online activities and why Is your employer watching you How to tell when you re being monitored and how to determine what is acceptable and what isn t Michael Miller has written more than 80 nonfiction books over the past two decades His best selling books include Que s YouTube 4 You Googlepedia The Ultimate Google Resource iPodpedia The Ultimate iPod and iTunes Resource and Absolute Beginner s Guide to Computer Basics He has established a reputation for clearly explaining technical topics to nontechnical readers and for offering useful real world advice about complicated topics **The Criminal Law Handbook** Paul Bergman, Sara J. Berman, 2024-01-30 This book demystifies the complex rules and procedures of criminal law It explains how the system works why police lawyers and judges do what they do and what suspects defendants and prisoners can expect It also provides critical information on working with a lawyer Provided by publisher **How to Protect Your Business** Neil W. Sandler, Virginia Schomp, Council of Better Business Bureaus, 1985 **The SME Business Guide to Fraud Risk**

Management Robert James Chapman,2022-04-27 All organisations are affected by fraud but disproportionately so for SMEs given their size and vulnerability Some small businesses that have failed to manage business fraud effectively have not only suffered financially but also have not survived This book provides a guide for SMEs to understand the current sources of business fraud risk and the specific risk response actions that can be taken to limit exposure through the structured discipline of enterprise risk management The book provides A single source reference a description of all of the common fraud types SMEs are facing in one location An overview of enterprise risk management a tool to tackle fraud as recommended by the Metropolitan Police Service and many other government sponsored organisations Illustrations of fraud events diagrams figures where appropriate of how frauds are carried out Case studies case studies of the fraud types described to bring the subject to life and illustrate fraud events and their perpetrators enabling readers to be more knowledgeable about the threats Sources of support and information a description of the relationship between the government agencies and departments What to do specific actions to be implemented as opposed to just recommending the preparation of policies and processes that may just gather dust on a shelf The book gives SMEs a much better understanding of the risks they face and hence informs any discussion about the services required what should be addressed first in what order should remaining requirements be implemented and what will give the best value for money

The Complete Idiot's Guide to Frauds, Scams, and Cons Duane Swierczynski,2002-12-03 The main target for scams are those 50 years of age or older This book will expose all the latest scams frauds and cons and can be updated yearly if necessary to expose all the latest schemes Fraud credit card fraud telemarketing scares Internet scares identity theft and hundreds of other items that are geared to separate you from your money is a multi billion dollar business both in the U S and worldwide From a simple three card monte game on a street corner to sophisticated banking and Wall Street swindles cons frauds and scams are destined to strike one in ten Americans this year Check kiting ATM scares bankruptcy fraud real estate scams Nigerian money offers and even slave reparation scams there are hundreds maybe thousands of ways to get suckered by telemarketers or just plain fast talking swindlers Scary stuff right This book identifies the myriad of scams cons and frauds perpetrated every minute of every day in this country and gives cutting edge up to date advice on how you can protect yourself from unscrupulous cons of every conceivable stripe There will also be an entertaining section on con artists through history from the infamous grifters of the Great Depression to the masterminds of the recent Enron collapse perhaps one of the greatest scams in America s history
