Hanson,Timothy J. Essenburg,2014-01-15 A timely examination of the effects of the Great Recession on Americans and the resulting federal reforms to healthcare employment and housing policies as a means to alleviate poverty The Great Recession 2007 to 2009 brought the United States routinely touted as the richest country in the world to historical levels of poverty Rising unemployment government budget crises and the collapse of the housing market had devastating effects on the poor and middle class This is one of the first books to focus on the impact of the Great Recession on poverty in America examining governmental and cultural responses to the economic downturn the demographics of poverty by gender age occupation education geographical area and ethnic identity and federal and state efforts toward reform and relief Essays from more than 20 contributing writers explore the history of poverty in America and provide a vision of what lies ahead for the American economy **Snapshot USA , Spanish in the USA** Roberto Valdeón,2018-04-19 Delving into the uneasy relationship between English and Spanish in the United States of America this book approaches specific topics from a variety of perspectives ranging from the more cultural to the more linguistic The contributions explore the problems arising in Puerto Rico as a consequence of the unique political status of the island the linguistic peculiarities of codeswitching and its use in legal and medical contexts where interpreting is necessary and in educational contexts with heritage language students the non use and the ideological implications of translation in colonial museums the connections between language ethnicity and gender identities in the South West and the role played by the Hispanic press in promoting intercultural dialogue in the New York City area Engaging with previous publications the book examines these topics from an interdisciplinary standpoint offers new insights into the problems of this cultural and linguistic contact and suggests new areas of research This book was originally published as a special issue of Language and Intercultural Communication New Faces in a Changing America Loretta I. Winters,Herman L. DeBose,2002-11-14 New Faces in a Changing America is a comprehensive penetrating

authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as New Faces in a Changing America This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his her class must also have this book Winters and Debose are to be commended for putting together this first rate academic examination of an important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census has recognized the rapidly increasing numbers of those who consider themselves multiracial adding a new racial category to the 2000 Census form two or more races New Faces in a Changing America Multiracial Identity in the 21st Century examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves *Transforming Faces for the Screen* Karen Randell,Alexis

Weedon,2023-11-09 This book brings together research from medical and film archives to illustrate the cultural impact of film and literature in its relationship to the discourse of plastic surgery in the 1920s This different take on reading the body after the First World War enables students of multiple disciplines and readers interested in both Hollywood and post war culture to understand some of the complexities of medical interventions gained after the First World War and the way in which they filtered into the world of Hollywood film making It also allows readers who may not be familiar with these two 1920s stars to access the films of Lon Chaney and the books and films of Elinor Glyn and gain new insights into 1920s visual culture For ease of readership the book is organised so that each of the main chapters focuses on a particular film either Lon Chaney or Elinor Glyn This is particularly useful for use in the classroom or for online education Readers can refer to the film directly aided by illustrations of frames from the films This book tells the story of how two stars of Hollywood film transformed their character s faces on screen through a close reading of three films in the 1920s It reveals how they applied their embodied knowledge of surgery and surgical procedures to broaden their audience s emotional and intellectual

understanding of the treatment of deformity and disability *America in the Age of Trump* Douglas E. Schoen, Jessica Tarlov, 2017-07-04 *America in the Age of Trump* is a bracing essential look at the failure of a great nation to meet the needs of its people and the challenges of the age and the resulting collapse of public trust in government as well as a pervasive crisis of national values from broken families to a loss of faith in the American idea itself This crisis of values occurs just as the country faces an unprecedented array of fiscal economic social and national security challenges out of control federal spending frighteningly large deficits massive gaps of income and opportunity cultural division and a dangerous world in which American power seems increasingly incidental In *America in the Age of Trump* Douglas E Schoen and Jessica Tarlov offer a definitive and unique assessment of a nation in turmoil looking beneath well known problems to identify underlying yet poorly understood causes Readers will confront the crises one by one of trust values and governance of education economic opportunity and fiscal solvency of national security domestic tranquility and race relations *America in the Age of Trump* gathers in one place a clear and comprehensive evaluation of the fundamental issues confronting the American future while offering bold fresh approaches to meeting these challenges Other books have described the specter of American decline but none has been so comprehensive in its diagnosis or forward looking and non ideological in its remedies explaining how we might yet overcome national self doubt to reclaim our traditional optimism reassert our place in the world and secure a prosperous future for our citizens National Memorial Museum of the American Indian United States.
