Faculty Development in a Time of Retrenchment Group for Human Development, 1981-01-01 *Faculty Development in a Time of Retrenchment* Group for Human Development in Higher Education, 1981 *A Guide to Faculty Development* Kay J. Gillespie, Douglas L. Robertson, 2010-02-18 Since the first edition of *A Guide to Faculty Development* was published in 2002 the dynamic field of educational and faculty development has undergone many changes Prepared under the auspices of the Professional and Organizational Development Network in Higher Education POD this thoroughly revised updated and expanded edition offers a fundamental resource for faculty developers as well as for faculty and administrators interested in promoting and sustaining faculty development within their institutions This essential book offers an introduction to the topic includes twenty three chapters by leading experts in the field and provides the most relevant information on a range of faculty development topics including establishing and sustaining a faculty development program the key issues of assessment diversity and technology and faculty development across institutional types career stages and organizations This volume contains the gallant story of the emergence of a movement to sustain the vitality of college and university faculty in difficult times This practical guide draws on the best minds shaping the field the most productive experience and elicits the imagination required to envision a dynamic future for learning societies in a global context R Eugene Rice senior scholar Association of American Colleges and Universities Across the country people in higher education are thinking about how to prepare our graduates for a rapidly changing world while supporting our faculty colleagues who grew up in a very different world Faculty members academic administrators and policymakers alike will learn a great deal from this volume about how to put together a successful faculty development program and create a supportive environment for learning in challenging times Judith A Ramaley president Winona State University This is the book on faculty development in higher education Everyone involved in faculty development including provosts deans department chairs faculty and teaching center staff will learn from the extensive research and the practical wisdom in the Guide Peter Felten president The POD Network 2010 2011 and director Center for the Advancement of Teaching and Learning Elon University *Faculty Development & Evaluation in Higher Education* ,1975 **Teaching Psychology** James Hartley, Wilbert James McKeachie, 1990 This publication is the first to cover the entire field of teaching psychology and includes teaching methods advising and curriculum planning as well as special problems in teaching laboratory and statistics courses The articles selected provide thought provoking reading for an international readership Each of twelve subject oriented sections contains a brief introduction five articles and suggested further readings for those wishing to pursue a particular topic in more detail *Group for Human Development in Higher Education* *Faculty Development in a Time of Retrenchment* ,1974 **Engaging the Six Cultures of the Academy** William H. Bergquist, Kenneth Pawlak, 2007-10-19 In *The Four Cultures of the Academy* William H Bergquist identified four different yet interrelated cultures found in North American higher education collegial managerial developmental and advocacy In this

new and expanded edition of that classic work Bergquist and coauthor Kenneth Pawlak propose that there are additional external influences in our global culture that are pressing upon the academic institution forcing it to alter the way it goes about its business Two new cultures are now emerging in the academic institution as a result of these global external forces the virtual culture prompted by the technological and social forces that have emerged over the past twenty years and the tangible culture which values its roots community and physical location and has only recently been evident as a separate culture partly in response to emergence of the virtual culture These two cultures interact with the previous four creating new dynamics

Teaching Strategies For The College Classroom James Davis, 2019-09-06 Another book on college teaching you may ask Surely too many have been written already Dr Davis hopes that professors will find this to be a different book on college teaching because it explores in depth some viable teaching strategies for the college classroom This book has grown out of a course on college teaching offered regularly at the University of Denver

Building Teaching Capacities in Higher Education Alenoush Saroyan, Mariane Frenay, 2023-07-03 This book is the culmination of three years work by teams from eight institutions in five different European and North American countries The teams included faculty developers professors and graduate students interested in developing and disseminating a more profound understanding of university level pedagogy The purpose of the project was first to conceptualize what an internationally appropriate formal academic program for faculty development in higher education might look like taking into account differing national contexts from national standards for faculty development U K and Scandinavia almost universal institutional support North America to virtually no activities France The intention was to create and nurture a community of practice enriched and informed by a range of expertise and different higher education traditions cultures and languages To do so the book begins with a section of five case studies that describe current practice in Belgium Canada Denmark France and Switzerland The second purpose was to define a common curriculum or core course with common foundations for faculty and graduate students based on a distributed learning model The final section of the book presents a concrete concept map used to define the curriculum and to educational developers with useful tool for furthering their work and explains the rationale for redefining faculty development as educational development This book offers practitioners around the world a framework and model of educational development that can serve a number of purposes including professional development monitoring and assessment of effectiveness and research as they seek to meet increasing demands for public accountability For North American readers it offers insight into the vision and aims of the Bologna Process with which they may need to engage to maintain international competitiveness
