The Martinsville Seven Eric W. Rise, 1995-05-29 This book offers the first comprehensive treatment of the case of the Martinsville Seven a group of young

black men executed in 1951 for the rape of a white woman in Martinsville Virginia Covering every aspect of the proceedings from the commission of the crime through two appeals Eric W Rise reexamines common assumptions about the administration of justice in the South Although the defendants confessed to the crime racial prejudice undeniably contributed to their eventual executions Rise highlights the efforts of the attorneys who rather than focusing on procedural errors directly attacked the discriminatory application of the death penalty The Martinsville Seven case was the first instance in which statistical evidence was used to prove systematic discrimination against blacks in capital cases

Servants of the Law Donald R. Burrill, 2011 Among the judicial immigrants were the southerner David S Terry of Texas and the northerner Stephen J Field of New York These men served on California's highest court during its formative strenuous years from 1855 to 1863 The intellectual similarities and differences that these two shared played themselves out over a period of 35 years and brought about a series of events that neither man could have envisioned Their exchanges began as wary judicial amity within the courtroom but in short order spilled out into the community as public grudges Neither judge could tolerate the other's regional provincialism hence lifelong resentments inevitably turned into a bitterness that led to tragedy Foreword p vii

Preface by noted journalist Nat Hentoff

From the editors of CQ Press's award winning Encyclopedia of the First Amendment *Citizens Defending America* Martin Alan Greenberg, 2010-06-15

Foreword by John B Wilt Colonel Retired U S Airforce Reserve

Today concerns over homeland security have led thousands of Americans to volunteer for various citizen emergency response groups such as the Civil Air Patrol U S Coast Guard Auxiliary Community Emergency Response Teams fire units etc

In *Citizens Defending America* Martin Greenberg focuses new attention on the subject of citizen volunteerism by chronicling the nature and purpose of volunteer police units authorized organizations of a public or private nature that work at deterring crime and or preventing terrorism for little or no monetary compensation in America since 1620

A number of these historical groups responsible for maintaining the civil order of the day slave patrols frontier posse suppression societies the American Protective League for example now seem controversial when viewed through a contemporary lens

Greenberg uses the history of such groups to reflect upon the nation's past and to consider the possibilities for a safe and secure future

He also emphasizes the role of young people in the fields of security and safety and stresses the need for more qualified trained volunteers to help cope with man made and natural disasters

The Chief Justiceship of Melville W. Fuller, 1888-1910 James W. Ely, 2012-11-01

A study of the man who led the Supreme Court as the nineteenth century ended and the twentieth began exploring issues of property government authority and more

In this comprehensive interpretation of the Supreme Court during the pivotal tenure of Melville W Fuller James W Ely Jr provides a judicial biography of the man who led the Court from 1888 until 1910 as well as a comprehensive and thoughtful analysis of the jurisprudence dispensed under his leadership

Highlighting Fuller's skills as a judicial administrator Ely argues that a commitment to economic liberty the security of private property limited government and states rights guided Fuller and his colleagues in their treatment of constitutional issues

Ely directly challenges the conventional idea that the Fuller Court adopted laissez faire principles in order to serve the needs of business

Rather Ely presents the Supreme Court's efforts to safeguard economic rights not as a single minded devotion to corporate interests but as a fulfillment of the property conscious values that shaped the constitution making process in 1787

The resulting study illuminates a range of related legal issues including the Supreme Court's handling of race relations criminal justice governmental authority and private law disputes
