

The background of the cover is a photograph of a vintage airplane, possibly a biplane or a small four-engine plane, flying over a vineyard. The sun is setting in the upper left, casting a warm, golden light over the scene. A large, dark, conical tree stands on the right side of the image. The overall mood is nostalgic and dramatic.

Masculinity after World War II examines the social and psychic upheaval of demobilisation. It maps the rapid transition from wartime regimentation to individual responsibility from intense homosociality to heteronormative expectations from normativity to disability and from uniformed masculinity to domestic citizenship. This book considers some of the many ways in which popular culture of the time sought to mediate these difficult transitions exploring films, popular fiction, memoir and biography. In particular, the book explores how technology was imagined as a new space of masculine becoming and how disability was written, represented and assimilated. Through a focus on popular narrative, this book explores the modes of masculinity promoted as ideally suited to national reconstruction and tries to make sense of a culture of rehabilitation that could not name or know itself as such. *The Book of Elizabethan Verse* William Stanley Braithwaite, 1906 **How to be Well Read** John Sutherland, 2014-05-08 Generous, enjoyable and well informed. Ranging all the way from Aaron's Rod to Zuleika Dobson via *The Devil Rides Out* and *Middlemarch*, literary connoisseur and sleuth John Sutherland offers his very personal guide to the most rewarding, most remarkable and on occasion most shamelessly enjoyable works of fiction ever written. He brilliantly captures the flavour of each work and assesses its relative merits and demerits. He shows how it fits into a broader context and he offers endless snippets of intriguing information. Did you know for example that the Nazis banned *Bambi* or that William Faulkner wrote *As I Lay Dying* on an upturned wheelbarrow that Voltaire completed *Candide* in three days or that Anna Sewall was paid 20 for *Black Beauty*? It is also effectively a history of the novel in 500 or so wittily informative bite-sized pieces. Encyclopaedic and entertaining by turns, this is a wonderful dip-in book whose opinions will inform and on occasion no doubt infuriate. Anyone hooked on fiction should be warned: this book will feed your addiction. Mail on Sunday. A dazzling array of genres, periods, styles and tastes, chatty, insightful, unprejudiced but not uncritical and wise. Times Literary Supplement. *The Fifty-first in France* Robert B. Ross, 1918. *Shakespeare, Aphra Behn, and the Canon* W. R. Owens, Lizbeth Goodman, 1996. Videos contain specially produced video performances of *The Rover* and *As You Like It* to illustrate issues raised in the text. *The Letters of William Gaddis* William Gaddis, 2023-04-04. A revelatory collection of correspondence by the lauded author of titanic American classics such as *The Recognitions* and *J R*, shedding light on his staunchly private life. UPDATED WITH OVER TWO DOZEN NEW LETTERS AND PHOTOGRAPHS. Now recognized as one of the giants of postwar American fiction, William Gaddis shunned the spotlight during his life, which makes this collection of his letters a revelation. Beginning in 1930 when Gaddis was at boarding school and ending in September 1998, a few months before his death, these letters function as a kind of autobiography and also reveal the extent to which he drew upon events in his life for his fiction. Here we see him forging his first novel *The Recognitions* in 1955 while living in Mexico, fighting in a revolution in Costa Rica and working in Spain, France and North Africa. Over the next twenty years he

struggles to find time to write the National Book Award winning *J R* 1975 amid the complications of work and family deals with divorce and disillusionment before reviving his career with *Carpenter s Gothic* 1985 then teaches himself enough about the law to produce *A Frolic of His Own* 1994 Resuming his lifelong obsession with mechanization and the arts he finishes a last novel *Agap Agape* published in 2002 as he lies dying This newly revised edition includes clarifying notes by Gaddis scholar Steven Moore as well as an afterword by the author s daughter Sarah Gaddis *Greek Lyric Metre* George Derwent Thomson, 1929 **The road to Paris** Robert Neilson Stephens, 1898
