Faith Spirals The Church's Journey:

Faith Spirals Iris M. Ford, 1991-06-01 *My Life* Iris M Ford, 2017-10-04 Hi friends and strangers I hope you will enjoy reading this book which I have written about my life You may identify with some of it yourself Have you been to Bermuda or Vancouver Island If not dream along with me friends as this story of mine is true Canada is a great country and as I worked all over it I learned many things one of which was how we accept each other Enjoy **Spiritual Muffins** Iris M. Ford, 2001-08 Spiritual Muffins is tasty Bible Study with a difference It is a fresh approach with a carefully developed guide for Bible Discussions called Muffin Breaks These spiritual muffins can also be tasted privately by any individual The primary strength lies in their universal appeal because of a totally ecumenical focus The chapters built around Moses faith journey hold the reader's attention and the short Muffin Break discussions are ideal for the busy worker Together they bring alive the daily faith journey The path is well marked using a spiral model and the simple presentation makes it user friendly for every reader *No Silver Bullets* Daniel Im, 2017-09-01 What if I told you that you were only one step away from unlocking new levels of maturity and growth in your church The myth of the silver bullet still exists because we desperately want it to We all prefer quick fixes and bandage solutions to the long hard slow work that produces real change So the moment we learn about a new ministry or strategy and see its effect in another church we run to implement it in our own Unfortunately this impulse is usually met by opposition skepticism and ultimately rejection What if the solution isn't a new model or a complicated strategy but a shift in perspective What if you could keep your church's current vision values and model and simply make a few micro shifts leading to macro changes This book explores five micro shifts that have the potential to produce macro changes in your church As you read you will discover how to integrate these micro shifts into the life of your church starting with the way you disciple You will finish by developing a plan to structure communicate and evaluate these changes to ensure that they take root and pave the way for lasting change and kingdom impact *The Living Church*, 1983
