FAITH - God's Word for our Daily Lives! Dennis Smock,2021-04-06 I have been on a journey that has involved very in depth study of God s Word for many many years I have heard many different preachers and speakers I have watched numerous videos and I have read countless articles With all of this I have found that nothing compares to actually spending time in God s Word on a daily basis You cannot rely on anyone else to tell you what is in His Word You must spend time in it daily Preachers can bring clarity to what you read but they cannot read it for you You must take the time to read You must take the time to contemplate You must take the time to pray for insight and wisdom God is speaking to each of us Are we listening The devotionals that are in this book are compiled from a history of over twenty three years of devotionals written to make the reader dive deeper into His Word and into their personal lives They ask poignant questions with respect to the scripture verses and how they impact faith Hopefully they make the reader want to dive into the scripture in such a way that they reflect on how their life is living up to our calling as followers of Jesus The Six Deadly Sins of Preaching Robert Stephen Reid,Lucy Lind Hogan,2012 Don t give in to the vices of preaching what you didn t know there is such a thing Learn from these stories of failure and become a responsible preacher **Faith Alive** Anna Hawkes Cabral,2024-12-16 Mama God loves you He wants you to abound in faith and hope even as you navigate life in a world crumbling under fear and anxiety That s why I wrote this devotional My desire is that you and I overcome by faith Not that we would be blind to the brokenness of the world but that we would be able to see beyond it and be captivated by God and the beauty of His Kingdom It s only then that we will be able to offer hope to those who are perishing Let s be hope carriers We can t do it on our own We need the power of the Holy Spirit at work within us If you re a mom who wants to grow in faith by the power of God this devotional is for you **A Faith to Proclaim** Frederick M. One Nation Under God Kevin Kruse,2015-04-14 We re often told that the United States is was and always has been a Christian nation But in *One Nation Under God* historian Kevin M Kruse reveals that the idea of Christian America is an invention and a relatively recent one at that As Kruse argues the belief that America is fundamentally and formally a Christian nation originated in the 1930s when businessmen enlisted religious activists in their fight against FDR s New Deal Corporations from General Motors to Hilton Hotels bankrolled conservative clergymen encouraging them to attack the New Deal as a program of pagan statism that perverted the central principle of Christianity the sanctity and salvation of the individual Their campaign for freedom under God culminated in the election of their close ally Dwight Eisenhower in 1952 But this apparent triumph had an ironic twist In Eisenhower s hands a religious movement born in opposition to the government was transformed into one that fused faith and the federal government as never before During the 1950s Eisenhower revolutionized the role of religion in American political culture inventing new traditions from inaugural prayers to the National Prayer Breakfast Meanwhile Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto With private groups joining in church membership soared to an all time high of 69% For the first time Americans began to think of their country as an officially Christian nation During this moment virtually all Americans across the religious and political spectrum believed that their country was one nation under God But as Americans moved from broad generalities to the details of issues such as school prayer cracks began to appear Religious leaders rejected this lowest common denomination public religion leaving conservative political activists to champion it alone In Richard Nixon s hands a politics that conflated piety and patriotism became sole property of the right Provocative and authoritative *One Nation Under God* reveals how the unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day

All You Need Is Faith Pedro Wilson,2021-04-12 Walk by faith not sight All you need is faith in the Lord to guide you through your life s journey Don t let the enemy convince you that your life is not worth anything Accept and claim that you are a child of the Most High and the Lord loves you and will always be by your side through the good times and bad God will disrupt your life at times to allow you to grow in faith and soul The best part is you can use what you have learned to help others and spread the word about how wonderful God s love is God did not give us the spirit of fear so keep your faith strong and your fear will grow less and less When you are hurting and down the best thing is to be a blessing to someone else you would be surprised that the person you think you are
