**Good Faith Hunting** Henry Stewart, 2012-12-18 Church attendance in the United States and other Western nations is rapidly declining and the losses are not solely because young people don't like church Baby boomers are also leaving frequently because the church leadership assumes a believer's faith and how it plays out is constant over a lifetime Boomers are a transition generation undergoing profound faith journeys as they transition through life's phases Many churches struggle to connect with people on a journey because the corporate modernist mindset doesn't have room for changes and journey Good Faith Hunting is a book of hope for church leaders and major influencers who want to celebrate the faith journeys of baby boomers and others through life allegiance and experience as an opportunity to show the love of Christ as they sojourn alongside people in their community

shifting moral and spiritual lives of white Afrikaners in South Africa after apartheid The end of South Africa's apartheid system of racial and spatial segregation sparked wide reaching social change as social cultural spatial and racial boundaries were transgressed and transformed This book investigates how Afrikaners have mediated the country's shifting boundaries within the realm of religion For instance one in every three Afrikaners used these new freedoms to leave the traditional Dutch Reformed Church NGK often for an entirely new religious affiliation within the Pentecostal or Charismatic churches or New Religious Movements such as Wiccan neopaganism Based on long term ethnographic fieldwork in the Western Cape area the book investigates what spiritual life after racial totalitarianism means for the members of the ethnic group that constructed and maintained that very totalitarianism Ultimately the book asks how these new Afrikaner religious practices contribute to social solidarity and integration in a persistently segregated society and what they can tell us about racial relations in the country today This book will be of interest to scholars of religious studies social and cultural anthropology and African studies

*Remnant Christianity in a Post-Christian World* W. Paul Jones, 2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which

society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative Faith Plus: Building on What You Have Been Given Michael C. Shinde,2018-03-14 *Of Faith and Fate* is a collection of characters and their stories stories that explore the various emotions and their origins From love comes the fear of losing loyalty inspires betrayal faith allows you to be joyful and fate brings sorrow Stories where the horizon between dreams and reality give us new hopes and this hope awakens life You will meet a heart torn between two lovers an innocent child who is waiting for the rains a character who thinks love is hyped and a wedding which a princess is looking forward to a girl who is figuring out her place between true love and arranged marriage a woman who is stuck in an arranged marriage a trekker who on her way to the Everest Base Camp meets her destiny and a boy who is forced to realize how much his family loves him *Of Faith Fate Stories from everywhere and of everyone* **Faith, Hope, and Love in the Kingdom of God** Robert Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many

yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

**Understanding Faith** Stephen R.L. Clark, 2011-12-12 Militant atheists often mirror the worst kind of ignorance and hostility that they condemn in traditional believers Writing both as a philosopher and an Anglican Christian Professor Clark explores this initial perception considering such topics as the alleged openness of scientists compared with the dogmatism of believers the difficulty of reading scripture outside the community of faith that has selected and elaborated it the problems of moral realism and the problem with abandoning it why Darwinian and neo Darwinian Theory has been unpopular with some believers and what if anything can still be affirmed from it what can be learnt from modern biology especially about our relations with other creatures the nature of God the metaphor of waking up as applied to our hopes of heaven the varieties of possible world orders founded on differing religious schemata including some atheistical ones and the place of religion in the State He concludes appropriately with some remarks about the End

*Holding Faith* Prof. Cynthia L. Rigby, 2018-04-17 Martin Luther wrote Faith takes hold of Christ and has Him present enclosing Him as a ring encloses a gem We hold faith as we seek to know Christ better exploring Christian doctrines and deepening our understanding of their relevance to our day to day lives Faith holds us as we respond to Christ s calling negotiate life s challenges and join in the work of bringing in God s kingdom This introduction to Christian theology shows how various understandings of particular doctrines play out in relation to the way we live our lives It explores the content of core Christian doctrines and celebrates the so what of each Using theological literature and Scripture but also current events sociology fiction and movies Rigby shows that theology is key to how we come to understand and negotiate our world Holding Faith contends that some approaches to Christian doctrine are preferable to others making persuasive arguments for creative ways of believing that can enliven our lives and the life of the world Theology has relevance because it can stymie or transform How will we hold our faith Cynthia Rigby has written an accessible and lucid book of theological reflection for today s believers seekers and doubters This is no small feat The book succeeds in the daunting challenges of presenting Christian theology with clarity and completeness with commitment and generosity It is an admirable text for theology students pastors and all those interested in understanding more deeply their faith and life Leanne Van Dyk President and Professor of Theology Columbia Theological Seminary Decatur GA This is an extraordinary book Cynthia Rigby is a Reformed theologian a minister and a teacher All of these gifts are evident in Holding Faith as Rigby offers an eloquent introduction to

Christian theology that is academically rich pastorally sensitive and profoundly accessible She does not make theology accessible by watering it down but rather by explaining it with compelling clarity Holding Faith is perfect for seminarians pastors church groups and curious souls for those who are new to Christianity and those who have been studying and living Christian faith their entire lives It will be an enormous blessing to those who teach theology and those who preach the gospel Shannon Craig Snell Professor of Theology Louisville Presbyterian Theological Seminary Louisville KY Cindy Rigby s is a timely necessary and accessible voice in theological discourse not only for those who together comprise Christendom but also for those who are curious enough about what Christian doctrines offer by way of challenge critique and comfort in our increasingly distracted fractious world Holding Faith is a prophetic priestly and pastoral defense of a faith tradition that historically contributed to this oppressive state of affairs yet undoubtedly remains rife with redemptive possibility for individuals communities nations the cosmos In its pages Rigby provides church folks people of other faiths seminarians and inquisitive nones with a thoughtful place to search out our private and corporate relationships to the God whom the doctrines signify however imperfectly JoAnne Marie Terrell Associate Professor of Theology Ethics and the Arts Chicago Theological Seminary For those of us who teach theology it s rare to find a text that is accessible to those with no previous exposure to theology while also introducing readers in deep and expansive ways to major doctrinal teachings But Rigby has managed to accomplish both here This is a profoundly personal and invitational approach to thinking theologically in ways that demonstrate the relevance of ancient teachings for our world today And it is also a serious engagement with the biblical text a vast array of historical and contemporary theological voices poetry literature film and more this introduction to theology will empower readers to hold onto faith in new and exciting ways Deanna A Thompson Professor of Religion at Hamline University St Paul MN

**Faith and Science** Kenneth D. Keathley, 2024-09-15 In Faith and Science A Primer for a Supernatural World Kenneth Keathley argues that rather than acting as opposing forces scientific inquiry and the Christian faith go hand in hand In his mission to offer a fully integrated theology of science Keathley begins with the Lordship of Christ and the sufficiency of Scripture He characterizes the study of science as a providential gift and a worthy vocation with Christian origins Keathley then examines the twin challenges of scientism and fideism observing their deficiencies as comprehensive worldviews After defending Galileo as a scientist theologian Keathley offers readers a model for how to integrate their Christian faith with their scientific pursuits Faith and Science provides a ready primer for students and everyday Christians to challenge their preconceptions about faith and science and to develop a more robust worldview to guide their examinations of our supernatural world The Christ in Everything series exists to demonstrate how Christ is connected to all of life The primers in this series serve as introductions to important cultural topics including science freedom politics beauty and the nature of truth Each book offers a biblical and theological framework from which to view and approach the topic at hand followed by examples for how to walk in the way of Jesus in that cultural domain **Faith in**

**Film** Christopher Deacy, 2017-03-02 How plausible is it to examine the medium of film through a Christian lens Are there any grounds for supposing that in going to the movies one is participating in a religious activity Faith in Film identifies and explores these key questions From the unprecedented and innovative perspective of Christian theology this book investigates how cinema audiences wrestle with religious beliefs and values Through a reading of films as diverse as Groundhog Day Billy Liar Fight Club Nobody's Fool and The Passion of the Christ Deacy reveals that the movies raise vital questions about the spiritual landscape and normative values of western society today

**Nurturing Different Dreams** Katherine Turpin, Anne Walker, 2014-10-09 Increasingly adolescents and young adults in the United States are racially and socioeconomically diverse while the teaching population remains predominantly white and middle class Many youth ministry programs that utilize volunteer mentors recruit adults who are ill equipped to bridge cultural differences and effectively build sustainable relationships with adolescents who come from different backgrounds than their own College and university campus ministries that are historically white struggle to provide adequate support and mentoring for students who have traditionally not been represented in the college population Often mentoring relationships break down over cultural misunderstandings As educators who come from backgrounds marked by privilege Katherine Turpin and Anne Carter Walker draw from their experiences in an intentionally culturally diverse youth ministry program to name the challenges and inadequacies of ministry with young people from marginalized communities Through engaging case studies and vignettes the authors re-examine the assumptions about youth agency vocational development educational practice and mentoring Offering concrete guidelines and practices for working effectively across lines of difference Nurturing Different Dreams invites readers to consider their own cultural assumptions and practices for mentoring adolescents and assists readers in analyzing and transforming their practices of mentoring young people who come from different communities than their own

man I am a gay man My faith life was first formed by Missouri Synod Lutheranism the scars have given me the needed push to try a different more faithful and kinder faith I did not initially go willingly These are my stories They may bring a smile and they may bring anger I hope and pray they bring hope in others to try Ignatian spirituality for oneself **By Faith...As I Recall** Karl W.
