## Faithful Nurse:

*Janet M'Laren, Or, The Faithful Nurse* William Henry Giles Kingston, 1873      *Domestic Bliss* Lee M. Edwards, 1986

**Faithful Nurse** Edna Murray, 1970-01-01      *The Nurse*, 1915      **Saving Lives** Sandy Summers, Harry Summers, 2015

This fully updated and expanded edition of *Saving Lives* highlights the essential roles nurses play in contemporary health care and how this role is marginalized by contemporary culture. Through engaging prose and examples drawn from television advertising and news coverage, the authors detail the media's role in reinforcing stereotypes that fuel the nursing shortage and devalue a highly educated sector of the contemporary workforce. Perhaps most important, the authors provide a wealth of ideas to help reinvigorate the nursing field and correct this imbalance.      **The Trained Nurse and Hospital Review**, 1912

A monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse.      *The Tenacious Nurse Nichols* Eileen Yanoviak, 2025-05-06. From the horrors of slavery to the battlefields of the Civil War, Lucy Higgs Nichols has become a symbol of resilience and a trailblazer for justice and equality. There are only two known images of Lucy Higgs Nichols: a Civil War nurse who escaped enslavement to join the Indiana 23rd Regiment. In one captivating photograph dated to 1898, the elderly Lucy is the sole female and the only person of color. She stands stately in the middle of a large group of war veterans at a reunion that she diligently attended every year. Some of these soldiers were from the Indiana 23rd Regiment, the men whom she nursed and with whom she marched and fought. These soldiers fiercely advocated for her Civil War nurse's pension in the 1890s. Her story is remarkable: a journey from enslavement in Tennessee to freedom and service among the ranks of the Union Army and finally to independence and national recognition from the press, the Grand Army of the Republic, and even Congress. Despite harrowing obstacles and unimaginable pain, Lucy achieved nobility and self-sufficiency in a post-Civil War era that often denied Black Americans and women justice and opportunity.

*Nurses' Work* Patricia D'Antonio, RN, PhD, FAAN, Ellen D. Baer, RN, PhD, FAAN, Sylvia Rinker, RN, PhD, Joan E. Lynaugh, RN, PhD, FAAN, 2006-09-01. Designated a Doody's Core Title, Winner of an AJN Book of the Year Award. Every nursing student and practicing nurse would benefit from reading this book. Score 91.4 stars. Doody's. The excerpts taken from original writings and events provide readers with a sneak peak into a forgotten world. This book is a must for anyone in the nursing profession. Essential. All levels. Choice. With contributions from some of the most renowned nursing scholars and historians, the real-life history of how nurses worked and how they endured the ever-changing economic, social, educational, and technological milieus is presented in a captivating collection of articles. Through time and place, experts chronicle the rich variety of nurses' work by presenting actual accounts of clinical practice experiences. Tracing the evolution of nursing from the role as family caregiver to roles in clinical practice today, the contributors approach this history by focusing on four thematic categories: Who does the work of nursing? Who pays for the work of nursing? What is the real work of nursing? How have our nursing predecessors struggled with the relationship between work and knowledge? *Nurses' Work* provides an incredible collection of significant

historical scholarship and contemporary themes that encourages us to understand and think these questions and the future of nursing

**The Gem ...** Daniel Clement Colesworthy,1843     *Integrity* Sholto Percy,1822     **The American Catalogue** ,1880 American national trade bibliography     Nursing World ,1919     **Therapeutic Gazette** ,1886     *The American Catalogue ...
