## **Falconers Judgement:**

**The Falconers: Fort Eden** Edwin McRae, Chris Kluwe, 2017-06-13 The Falconers Fort Eden is a 19th Century monster hunting thriller set in an alternate New Zealand one of the last places on Earth to be colonised by the British Empire. And the monsters in question are called Cullers. Since they're quite terrifying and defy description, we invite you to simply meet them for yourselves perhaps after a stiff drink and once you have donned your adult dependables. **The Falconer** Elizabeth May, 2025-01-16 Rediscover the magic of The Falconer Trilogy now reimagined for adult romantasy fans with new spicy content. Hunt the fae. Cage the monsters. Guard the prison. Aileana Kameron is no ordinary Victorian debutante. By day she navigates the glittering society of 1844 Edinburgh. By night she battles the deadly fae that threaten humanity. For centuries her family has upheld a sacred duty ensuring the ancient magical prison beneath the city stays sealed. But cracks are forming in the barrier. The monsters she once hunted now hunt her and the fate of the world teeters on the edge. To stand a chance Aileana must turn to Kiaran MacKay, a breathtakingly dangerous fae assassin whose dark past hides secrets as sharp as his blades. Their alliance is as treacherous as it is intoxicating. Passion ignites between them as fiery as the battles raging in Edinburgh's streets. But every choice comes with a cost, and as the death toll rises, Aileana is forced to confront a harrowing question: How far is she willing to go to save her city, her loved ones, and herself? Because if she fails, the fae will break free. And once they do, nothing will stop their vengeance. *Medieval Hunting* Richard Almond, 2011-10-24 Hunting was a major economic and leisure activity throughout the later European Middle Ages, but while aristocratic practices have featured in studies of romantic and narrative literature, hunting in its wider sense across the social spectrum and with attendant male and female roles has largely been ignored by modern medieval historians. Richard Almond's study brings vividly to life the universality and centrality of hunting to medieval societies, both as an economic necessity and as an expression of medieval humanity's almost atavistic sense of oneness with nature. *Medieval Hunting* dispels some of the myths and misunderstandings surrounding hunting, including the persistent views that it was exclusively an aristocratic male pursuit. Using a wide variety of contemporary textual and art historical evidence, Richard Almond shows that hunting, including fishing and poaching, was enjoyed by women as well as men. *Andalon Attacks* T. B. Phillips, 2020-12-07 *Dueling World Clash as Andalon Attacks*. Here is the final volume of T. B. Phillips' action-packed series *Dreamers of Andalon*. Critics agree that his characters are so vivid they come to life, driving the reader to tears of both dread and celebration as he paints a world directly into your mind. This modern fantasy combines magic with emotion while promising political intrigue and adventure. Each page transports you to a realm of dueling worlds: one advanced and the other locked in the age of sail and pirates. *Andalon Attacks*. Robert Esterling makes his move, pressing onward to challenge his empowered brother and claim his throne. Eusari, heartbroken and grieving, reveals her intimate secret and clashes with a northern queen. Unexpected guests visit the southern continent, and powerful invaders wreak havoc along the coastal cities of Andalon. Disaster looms in Estowen's Landing as Shon Wembley

makes a difficult choice committing finally to one side Across the sea a cunning schemer shows his hand openly challenging the Astian council with intrigue and lies Meanwhile a dangerous army arrives on Andalon soil Chaos has spread gripping both continents as children commit to a war that isn't theirs Engaging This tale felt epic in its scope full of characters that are vibrant and complex they help to push the story and weave a tale of drama and strife I loved the unfolding of the story the build in tension and the intrigue as all the story lines evolved Well written perfect execution this one was pure entertainment
