Christianity's Dangerous Idea Jonas E. Alexis, 2010 Today many in Hollywood and the media have declared open warfare on the family education and Christianity in general Intellectuals have labeled religion particularly Christianity as mere wish fulfillment or a virus of the mind something to be eradicated at all costs In *Christianity's Dangerous Idea* Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history science experience common sense and final destiny More importantly Alexis subjects the rivals of Christianity to the same rigorous testing Christianity's Dangerous Idea clearly demonstrates the destructive nature of popular atheistic and anti-Christian philosophies spread throughout Western culture by such famous people as Friedrich Nietzsche Sigmund Freud Carl Jung David Cronenberg Steven Spielberg Alan Moore William S Burroughs Philip K Dick Bruce Lee Ayn Rand Bart D Ehrman Richard Dawkins and many more In a scholarly yet readable fashion Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age HOLINESS; BEING PLAIN PAPERS ON ITS NATURE, HINDRANCES, DIFFICULTIES AND

ROOTS J.C RYLE, Rev Terry Kulakowski, Editor, 2015-12-02 The twenty papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day I mean the cause of scriptural holiness It is a cause which everyone who loves Christ and desires to advance His kingdom in the world should endeavor to help forward Everyone can do something and I wish to add my mite The reader will find little that is directly controversial in these papers I have carefully abstained from naming modern teachers and modern books I have been content to give the result of my own study of the Bible my own private meditations my own prayers for light and my own reading of old divines If in anything I am still in error I hope I shall be shown it before I leave the world We all see in part and have a treasure in earthen vessels I trust I am willing to learn **I'M Just a Fork-Lift Operator. After All, What Do I Know?** Joseph Traver, 2016-09-01 One of the key teachings in all of the Bible is that of Matthew Chapter 7 verse 14 The Son of God Jesus Christ spoke about a the way to

eternal life heaven as being one of great difficulty In other words Jesus was saying that if someone wants eternal life it won't be easy and there must be a searching and an uncovering in finding the way In this book God uses the life and words of an ordinary man whose changed life as a compass in to helping you people find that the narrow path to eternal life **Begat** David Crystal, 2010-09-23 Let there be light A fly in the ointment New wine in old bottles How are the mighty fallen The salt of the earth All these everyday phrases owe their popularity to the King James Bible Indeed it is said that this astonishing Bible has contributed more to the color and grace of the English language than almost any other literary source In Begat best selling language expert David Crystal offers a stimulating tour of the verbal richness and incredible reach of the King James Bible How can a work published in 1611 have had such a lasting influence on the language To answer this question Crystal offers fascinating discussions of phrases such as The skin of one's teeth or Out of the mouth of babes tracing how these memorable lines have found independent life in the work of poets playwrights novelists politicians and journalists and how more recently they have been taken up with enthusiasm by advertisers Hollywood and hip hop He shows for instance how Let there be light has resurfaced as Let there be lite the title of a diet cookbook and Let there be flight the title of an article about airport delays Along the way Crystal reminds us that the King James Bible owes much to earlier translations notably those by Wycliffe in the fourteenth century and Tyndale in the sixteenth But he also underscores crucial revisions made by King James's team of translators contrasting the memorable Am I my brother's keeper with Wycliffe's Am I the keeper of my brother Language lovers and students of the Bible will be equally enthralled by Begat and its engaging look at the intersection of religion and literature **Scholarship on Fire** Beau K. The Battle-Tested Believer Carl Mimms, 2022-12-08 The Battle Tested Believer was written for all age groups of people in Christianity This book is a testimony of some of the most powerful experiences that I have experienced as a believer in Christ This book is designed to motivate educate and help believers live a more informed and productive Christian life I am very transparent about different areas in my life that I have

struggled and still struggle with and want readers to come out with an understanding that this battle we are engaged in with the forces of evil is real I want young believers to understand that the word of God is quick and powerful and that they can always use God's word for their offense as well as their defense I want more seasoned and older saints to see this book as a conformation of God's goodness and to encourage them to continue to fight the good fight of faith My overall desire in writing *The Battle Tested Believer* is to see the body of Christ strengthened in these unprecedented days of evil before the second coming of Christ
