they go wrong New York Review of Books *Ridley Plays 1* Philip Ridley, 2012-01-16 This volume contains Ridley's first three plays which heralded the arrival of a unique and disturbing voice in the world of contemporary drama. They are seminal works in the development of the in yer face theatre that emerged in Britain during the mid 1990s. The three plays here all manifest Ridley's vivid and visionary imagination and the dark beauty of his outlook. They resonate with his trademark themes: East London storytelling moments of shocking violence, memories of the past, fantastical monologues and that strange mix of the barbaric and the beautiful he has made all his own. *The Pitchfork* Disney was Ridley's first play and is now seen as launching a new generation of playwrights who were unafraid to shock and court controversy. This unsettling dreamlike piece has surreal undertones and thematically explores fear, dreams and story telling. *The Fastest Clock in the Universe* is a multi award winning play which caused a sensation when it premiered at Hampstead Theatre in 1992. An edgy and provocative drama, it is now regarded as a contemporary classic. *Ghost from a Perfect Place* is a scorchingly nasty blend of comedy, spectacle and terror where a monster from the past meets the monsters of the present. The volume contains the definitive version of the plays plus an extended and updated introduction and three monologues: *Bloodshot*, *Angry* and *Voosh* published here for the first time.

Healing Myself Gari Carter, 1993-11-01 If you are suffering from pain. If someone you love is suffering from pain. If you'd give anything to be able to overcome that pain without drugs. If you need inspiration from someone who has been there. This book is for you. In 1982 Gari Carter's old life abruptly ended. A head-on car crash destroyed much of her face. Ahead were almost ten years of operations that gradually rebuilt her jaws, cheekbones, nose and gums. Ahead lay months of helplessness, pain, anxiety and depression. Ahead lay overwhelming fear of pain. But ahead lay much more. *Healing Myself* is the story of one woman's successful battle to rise above pain and despair. But it's about more than pain. It's about the elation she felt as she gained control of her suffering. It's about the lessons she learned from hard experience: lessons in patience, love and proper priorities. Perhaps most astoundingly, it's about her discovery of a series of commercially produced audio pain control tapes that changed her multiple-hour operations from ordeals to be dreaded into challenges to be met calmly and confidently without anesthetics.

Muscle Carlton Leach, 2013-03-14 IN MY GAME THE CHOICE IS A JAIL OR A GRAVE Carlton Leach is a man to be reckoned with. He has earned himself respect throughout the deadly underworld he occupies. Make a friend of Carlton and you have an ally for life. Cross him at your peril. For twenty years he has ranked among the toughest of Britain's brawn brigade. He was a key member of the dreaded Essex Boys gang which ran riot in the eighties and the nineties, sparking a savage drugs war which saw three of his pals wiped out in the 1995 Range Rover massacre. Even now he knows that a bullet still has his name on it as a result of that simmering feud. Carlton was minder to boxer Nigel Benn throughout his glory years in the ring and tells of the blood, sweat and tears of their special relationship. And he tells how he saved four of his firm from being tortured to death and their wives and daughters raped in front of them after a 10 million pound heroin consignment went missing. Carlton Leach is the ultimate hardman. His

autobiography will send shivers down your spine

Grave Carlton Leach,2009-06-08 The first thing that caught my eye was the geezer with the gold tooth the second was that he was holding a shooter and the third that he was pointing it at me Carlton Leach is a gangland legend the mere mention of his name strikes fear into his enemies yet to his friends he is as loyal and caring as they come If trouble comes calling Carlton isn't afraid to let his fists do the talking and woe betide anyone who crosses him or those close to him At last in Rise of the Footsoldier Carlton gives the full account of his life including how his story has been made into a hugely successful film Born and raised in East London Carlton was a key member of the notorious Essex Boys gang and the West Ham InterCity Firm one of the most violent hooligan gangs to trouble the football terraces during the eighties He's been shot at stabbed glassed he's even had an axe in his head Yet the event that really brought turmoil into his life was the murder of his best friend in the infamous Range Rover murders Carlton vowed that he would find those responsible and make them pay There isn't much that Carlton hasn't seen or experienced in his life and his tales of violence gang wars and close calls with death will have you on the edge of your seat He knows how close he has come to dying and has therefore shut the door on a gangland life He may have changed but as he himself says I'll always need to exercise the Carlton Leach brand of justice It's in me
