applying the text's message in and for today's culture the method instructs the expositor in appropriating the fruit of exegesis for the sermon or Bible lesson A final chapter describes possibilities for periodic in depth study As Greek Is Great Gain presents each part of the method it gives a purpose or rationale for the step and any necessary background a list of resources to use a procedure to follow and a sample exegesis A Grammar Guide appendix gives in outline form features of form and function for intermediate grammar And there are charts to aid in analysis Greek Is Great Gain clearly lives up to its subtitle in providing a method that successfully moves preachers or teachers of the Word from Exegesis to Exposition
