Doors of the Church Are Open: Smoke & Mirrors by Sonya Shuman Sonya Shuman,2015-04-01 Welcome to the life of the Golden family Al Golden a man A reformed drug dealer turned entrepreneur and pastor of the largest church in Newark New Jersey The Golden s have it all Looks fame fortune faith and God s favor Another thing they have that is not so apparent to the untrained eye of the public that praises them is flaws Lauded and loved by the residents of the city of Newark they can do no wrong Or so it seems from the outside looking in The invisible dome that had surrounded the Golden family for so long begins to crack beneath the weight of unresolved issues and grief at the passing of their beloved Carla Golden the matriarch The Golden s shiny exterior begins to tarnish before everyone s very eyes as their past comes back to haunt them and bad habits hidden in the darkness secrets held behind the closed doors and the velvet rope of the pulpit of the church are brought to light Will they survive under the weight of the pressure of exposure In mid fall off of the religious pedestals set so high by the community do they have the strength to keep their composure A microcosm for the hypocrisy that lies underneath the covers of American society the Golden family a sleeping giant is about to be exposed A tale of truth and lies loss lust love life and

grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man's will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons notwithstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the sex per se Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God's Holy Spirit Too Late... I Love You Kiki Archer, 2015-04-04 Too Late I Love You is the new novel from best selling award winning author Kiki Archer Connie Parker isn't convinced by this falling in love lark Falling hurts you end up with bruises and scars She has the perfect answer she'll write about love instead But what happens when the novel in progress describes more about Connie's own dull existence than she wants to admit And when will she realise that her hero is beginning to resemble her new best friend Maria a woman who seems to turn every simple outing with their 3 year olds into a fun filled adventure for them all In trying to make sense of the puzzle of her life Connie learns there is no perfect person Just that person who'll fit you perfectly The twists and turns and surprises just keep coming read it now Diana Simmonds Curve Magazine Kiki Archer excels when portraying the behaviour of the human heart A page turner written with honesty and warmth Vg Lee Author and Comedienne

Julia's regular doctor goes on vacation with his wife leaving a replacement in his stead. Miss Julia is immediately concerned. Never one to miss an opportunity to entertain or size up a newcomer, she invites the charming Dr. Don Crawford and his painfully shy wife Lauren to dinner. While Miss Julia and Sam both note Lauren's obvious lack of social skills, it's her friends Hazel Marie and Binkie that pick up on some of Dr. Crawford's less palatable qualities. Meanwhile, Lloyd has gotten his first car and LuAnne, fresh off her divorce, has started a job at the local funeral home and is in urgent need of an occupation. Appropriate makeover: Miss Julia has enough on her plate. Yet there is just something she can't place about the Crawfords, and she won't rest until she gets to the bottom of it. As always, hijinks ensue as Ann B. Ross delivers this delightful and entertaining installment, *Miss Julia Takes the Wheel*, in her bestselling *Miss Julia* series.
