A Heartfelt Christmas Promise Nancy Naigle, 2020-09-29 A perfect gift that captures the spirit of the season. USA Today bestselling author Nancy Naigle's *A Heartfelt Christmas Promise* celebrates the holidays, small town traditions, and the generosity of love between two lost souls who find everything they ever wanted in each other. Vanessa Larkin was supposed to be spending Christmas in Paris, France, on a business trip she hoped to enjoy as a working vacation. Instead, she's been assigned to Fraser Hills, North Carolina, home of the Best Fruitcake in the USA, to convert her company's property into warehouse space and shut down Porter's, the fruitcake factory. Offering retirement packages and selling locals on new job opportunities may not spread holiday cheer, but Vanessa believes she's helping secure the town's future. Mike Marshall's family founded Porter's. For decades, the factory served as the lifeblood of the community until his grandfather sold the business to a Chicago corporation. The sale cost the town its independence and the Marshalls their family ties. A horse farmer, Mike was never involved with his grandfather's company but still felt Fraser Hills lost part of its identity. And as a widower raising a teenage daughter, he's suffered enough losses in one lifetime. News of the factory's closing means losing another piece of the town's legacy. Far from the skyscrapers and rapid pace of the city, Vanessa finds herself enjoying the easygoing rhythms of rural living. With Mike as her guide, she learns to appreciate the simple pleasures found in shared holiday festivities among friends. Fraser Hills is a town she is growing to love, and Mike is someone she is falling in love with. Now all Vanessa needs is a Christmas miracle to give her newfound friends and home a gift they'll cherish for many New Years to come.

Wolf Kin Neo Griffin, In the Bronze Age, a small forest kingdom is thrown into turmoil when their king dies without an heir. Villagers flee to the forest to escape the fighting for the crown, which must surely follow. Soldiers rise up and attempt to put an impostor on the throne. The Wolf Kin, he is named for he was raised by wolves after his family abandoned him when he was just two years old. Sneered at by most, tolerated by few, he is all that stands between the villagers and a bleak future. With the help of the forest, the Wolf Kin sends the army into exile. But none foresaw how far the soldiers would fall from grace; their exile starts a chain of events that few will survive unscathed. I have very vivid dreams when I awake; I write down the bones of the dreams to fill them out later. All characters' descriptions and names are as I remember them. Some who have read this book say they loved it but didn't understand the whirlwind romance; others say they loved the romance but didn't like the gore. I'm afraid no one will like this book in its entirety, but it is my dream I share with you. I hope you will at least love some of it.
