

A long-exposure photograph of a night sky filled with star trails, creating a sense of motion. The trails are curved and sweep across the frame. Below the sky, a dark silhouette of a person stands on a snowy, flat landscape. The horizon is visible with some distant trees and a faint orange glow from the setting or rising sun. The overall mood is serene and contemplative.

## **Good News From Luke:**

**Good News to the Poor** Walter Pilgrim, 2011-10-07 How does the proclamation of good news to the poor in Luke's Gospel relate to wealth and poverty? What does Luke Acts mean to affluent Christians and churches in our time? In a fresh systematic way Professor Pilgrim surveys Old Testament tradition on the poor and describes the Jesus movement as background for understanding Luke Acts.

**The Good News According to Luke** Eduard Schweizer, 1984-05-01 This commentary analyzes Luke's writings and gives specific explanations to enable readers to understand the special contributions Luke makes to the testimony of the New Testament. With the precision for which he is noted, Eduard Schweizer conveys the whole picture of what Jesus Christ means to the faith.

**Good News** Darrin W. Snyder Belousek, 2014-04-07 In Good News Darrin Snyder Belousek explores the meaning of salvation in the Gospel of Luke. Through biblical reflections on the stories and songs of Luke's telling of the coming of Jesus the Messiah, this book explains the manifold message of good news. Fully accessible to lay persons yet substantially informed by biblical scholarship, keenly aware of spiritual concerns and passionately engaged with social issues, this book offers a vision of salvation that is grounded in grace and nurtured by prayer relevant to both the spiritual and the social and inseparable from doing justice and seeking peace.

**Luke** Kevin Perrotta, 2010-06 An overview of the key themes and messages of the book of Luke are offered in this Bible study. Luke: The Good News of God's Mercy. The overriding message of the book of Luke is that God has acted through Jesus Christ to meet our deepest needs, encourages us to welcome God's actions throughout our lives and in turn to go out and offer God's mercy to the world around us. A Guided Discovery of the Bible. The Bible invites us to explore God's word and reflect on how we might respond to it. To do this we need guidance and the right tools for discovery. The Six Weeks with the Bible series of Bible discussion guides offers both in a concise six-week format. Whether focusing on a specific biblical book or exploring a theme that runs throughout the Bible, these practical guides in this series provide meaningful insights that explain Scripture while helping readers make connections to their own lives. Each guide is faithful to Church teaching and is guided by sound biblical scholarship. Presents the insights of Church fathers and saints, includes questions for discussion and reflection, delivers information in a reader-friendly format, gives suggestions for prayer that help readers respond to God's word, appeals to beginners as well as to advanced students of the Bible. By reading Scripture, reflecting on its deeper meanings and incorporating it into our daily life, we can grow not only in our understanding of God's word but also in our relationship with God.

**Besorah** Mark S. Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke s besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century Luke's Portrait of Gentiles Prior to Their Coming to Faith Christoph W. Stenschke, 1999 Christoph W Stenschke examines Luke s portrait of the Gentiles state prior to their coming to Christian faith Following the history of research he commences with Luke s direct references to the Gentiles prior to faith and then draws conclusions concerning their state from the Gentile encounter with Jesus and Christian salvation This includes Luke s notes on the condition of Gentiles and on their appropriation of salvation Finally conclusions from Luke s portrayal of Gentile Christians are drawn With his approach Christoph W Stenschke challenges some previous contributions to Lukan anthropology He argues that the main study in the field J W Taeger *Der Mensch und sein Heil* does not sufficiently consider all the evidence By concentrating on the Gentiles in Luke Act including Samaritans and God fearers the author s thesis covers all the relevant material Contrary to Taeger who suggests that Gentiles do not need salvation as much as correction he discovers that Luke portrays Gentiles prior to faith in a condition requiring God s saving intervention Thorough correction

has to accompany and follow this salvation Though allowing for distinct Lukan emphases this portrait is not essentially at odds with that of other NT authors These results further show that the Areopagus speech needs to and can be satisfactorily interpreted in its context and in conjunction with similar statements The author further argues that Luke's narrative sections and the characterization they present should no longer be neglected in favour of the speeches Luke's portrayal of Gentiles prior to faith also bears on his understanding of sin and provides additional justification for the Gentile mission Christoph W Stenschke challenges proposals of Luke's alleged anti Judaism and provides some hitherto little noticed correctives Acts Carl R. Holladay, 2016-08-01 Highly respected scholar Carl R Holladay offers an in depth critical commentary on the book of Acts in this new work from the acclaimed New Testament Library series Holladay offers a theological contextual and literary interpretation paying attention to Acts as a rich narrative that accounts for the development of the early Christian church He sees Luke's literary style as an expression of its theological purpose Holladay writes Convinced that Jesus life and death and the emergence of the early Christian movement occurred under divine guidance and continued the biblical story by fulfilling God's ancient promises Luke decided to incorporate them into a grandly conceived narrative told in a dignified yet dramatic style Acts reflects the close relationship between medium and message yet it also illustrates how the medium is the message Holladay's commentary is theologically rich and steeped in narrative analysis that understands the high level of literary style as an expression of the theological content and the telling of the Christian origin The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of C Clifton Black Princeton Theological Seminary M Eugene Boring Brite Divinity School and John T Carroll Union Presbyterian Seminary **The Path to Salvation in Luke's Gospel** MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do **Luke** Lydia Brownback, 2021-06-22 This 10 week study explores the theme of joy in the book of Luke showcasing how the message Jesus proclaimed to the downtrodden the hurting

and the outsider is still good news to the world today     *Dictionary of Jesus and the Gospels* Joel B. Green, Scot McKnight, I. family of Jesus Christ As a reminder I would like you to know that the true gospel of Christ teaches men how to inherit the kingdom of God Jesus was elucidating the true gospel of the kingdom to Nicodemus without omitting anything In John 3 3 He said You must be born again spiritually born of water and fire to inherit the kingdom Therefore the three steps that Jesus gave to Nicodemus are as follows 1 You must repent 2 You must be baptized in water and fire 3 You must receive the Holy Spirit of God These are the three steps you must take to become part of the family of God Without these three steps if you call yourself a Christian but have not taken them you are not there yet These are the required steps to be called a Christian Jesus did not suggest other steps He did not ask you to buy a plane ticket All He asked for are these three steps This is the gospel of the kingdom according to Jesus Christ our Lord which needs to be followed to be part of the family of God
