Good News In Revelation:

The Coming of the Millennium Darrell Fasching, 2000-12 Throughout the last two millennia Christianity understood its divinely mandated mission to be to conquer the world for Christ Too often this proclamation led Christians to imagine that their goal must be the elimination of all non Christians from the world through conversion or when that fails through coercion and violence e g the Inquisition the Crusades anti Semitic persecution Western colonialism etc At the beginning of the third millennium and an age of global diversity Darrell J Fasching argues that it is time for Christians to reject this view of their mission along with the trail of prejudice and violence it has created and replace militaristic metaphors of conquest with the biblical message of hospitality to the stranger When we welcome the stranger according to biblical teachings we welcome God Genesis 18 1 5 the Messiah Matthew 25 35 or an angel of God Hebrews 13 2 Fasching takes us on a journey through the stories of the Bible to show that diversity is God s covenant intention for humanity Consequently the mission of Christians must not be to convert or eliminate non Christians but rather to welcome them as strangers for a world without strangers is a world without God

The Bible and the End of the World Margaret Nutting Ralph, 2014-05-14 Margaret Nutting Ralph attempts to correct what she claims are misinterpretations and misreadings of Scriptures that deal with the end of the world and serve to instill fear in the hearts of believers Her call is for reading the Bible in with an eye to context i

What Will Soon Take Place Tania Runyan, 2017-12-01 *What Will Soon Take Place* is an imaginative journey through the book of Revelation It offers a poet s view of the prophetic not in the sense of seeking out clues to the end times but a means of taking this strange fantastic book of scripture and letting it read its way into personal lives

Revelations of the End Dr. Robert "Andy" Gowins, 2025-02-05 *Revelations of the End A Fresh Look at an Ancient Eschatology* is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days

Unraptured Zack Hunt, 2019-03-19 Are you rapture ready As a teenager in the buckle of the Bible Belt Zack Hunt was convinced the rapture would happen at any moment Being ready meant never missing church never sinning and always listening to Christian radio But when the rapture didn t happen Hunt s tightly wound faith began to fray If he had been wrong about the rapture what else about his faith might not hold water Part memoir part tour of the apocalypse and part call to action *Unraptured* traces how the church s focus on escaping to heaven has it mired in decay Teetering on the brink of irrelevancy in a world rocked by refugee crises climate change war and rumors of

war the church cannot afford to focus on the end times instead of following Jesus in the here and now Unraptured uses these signs of the times to help readers reorient their understanding of the gospel around loving and caring for the least of these

No One Left Behind Darrell J. Fasching, 2011-07-15 1 You have heard it said that on the day of judgment only Christians will be saved and all others will be consigned to eternal damnation but I say to you that the gospel proclaims salvation for the whole human race 2 You have heard it said that non Christians are strangers who will not enter the Kingdom of God but I say to you that God enters our lives through the very presence of the stranger 3 You have heard it said that heretics and sinners will have no place in the Kingdom of God but I say to you that to reject even the least of these is to reject God and Gods messiah 4 You have heard it said that human beings can be saved in no other name than that of Jesus but I say to you that the name Jesus means we are saved in the name of a God who cannot be named or imaged 5 You have heard it said that only a chosen remnant can be saved but I say to you that a saving remnant saves not itself but the whole human race of which it is a part 6 You have heard it said that in the final judgment many will be consigned to the eternal fires but I say to you Gods judgment is a refining fire which transforms and saves rather than destroys The final truth is that our God is the savior of the whole human race and especially all believers 1 Timothy 4 10

The Leaders Dr. Brian Byrne, 2022-11-03 The Leaders is Brian Byrne's third book in his Disciple Trilogy The first book Identity The Way of a Disciple is now in print His second book Disciple Beyond Mediocrity is with the publisher and is soon to be released The Leaders completes the trilogy In the first part of his book Brian draws extensively on the scriptures to describe the qualities of leadership needed in the lead up to the Lord's return He deals with what it means for the leader to follow the Lord his or her relationship with the Spirit and the importance of listening for the Spirit's voice He then carefully explores the leader's trust and love for the Lord and the need to turn his or her back on the world's distracting enticements In the second part Brian turns his attention to the work of leaders as shepherds drawing on the Lord's own teaching about Himself as the Good Shepherd He explores the Lord's pattern for knowing each of His sheep feeding them leading them protecting them from different kinds of danger and restoring those who have become lost The third part of The Leaders is devoted to the work of the leader as teacher of the Lord's people Brian examines the principles underpinning the work of a teacher and then explores the teacher's authority resources cooperative relationship with the Spirit and the nature of students in the Lord's classroom The meaning of the gospel is Biblically explained and the whole counsel of God is described as the inspired resource for the ministry of the leader as teacher Brian Byrne breaks new ground in The Leaders and creates a comprehensive resource that should be on the desk of all who are called to lead This book could also be a valuable reference for those who train leaders as shepherds and teachers for our churches

Diverse and Creative Voices Dieumeme Noelliste, Sung Wook Chung, 2015-04-20 As the twentieth century passed its midpoint and was rushing toward its end a growing number of Majority World theologians came to realize that they could in fact do theology in their

own contexts for the benefit of their own people Thus from the 1960s onward theologians in the global South have embarked on a form of theological construction that has sometimes been described as contextual reflection or contextualized theology This volume is motivated by the conviction that these efforts have resulted in theological work that is also beneficial for Christians in other parts of the world The editors have invited Majority World theologians to share their reflections on several themes of Christian faith from their own sociohistorical perspectives but with an unswerving commitment to the authority of Scripture It is hoped that these fresh reflections will help Christians in the West engage and benefit from the perspectives of fellow believers in the global South

Nowhere to Go But Up Kevin E. Ruffcorn, 2020-08-04 For most of its history the church has preached and taught a doctrine of dubious biblical origins The doctrine has cast a pall of gloom over the light of the gospel of Jesus Christ It has caused division in the human family has inspired fear of God's wrath in the lives of the faithful and has prevented believers from experiencing the abundant life that is theirs through the life death and resurrection of Jesus Nowhere to Go But Up investigates the source of this doctrine and surveys its use by the Christian church From its findings the book offers an alternative interpretation to several passages of Scripture recapturing the understanding of the first followers of the Way and the insights of the earliest church fathers Several salvation motifs are resurrected from the early centuries of the church These motifs invite readers to view the ministry of Jesus from refreshing life changing perspectives Shunning the centuries old practice of living in fear of God's judgment the book presents readers with a new dynamic yet realistic vision of living in the power of God's love celebrating creation the diversity of the human family and our unity as God's children

A Better Understanding (Vol. 2) G. Ancel Killion, 2010-03-25 The information that I have presented in these writings is possibly controversial to the belief of others In my search for Bible truth I have derived from others many of the conclusions found within these Biblical subjects With each subject I have insisted on positive proof by finding supporting scriptures that prove their meaning By doing extensive search of the scriptures I believe the things written here are closer to Bible truth than what others have found I was prompted to get a better understanding of the scriptures by the fact that there are so many different beliefs being taught in the Christian churches I have tried to keep an open mind about those things that I have heard from the many ministers of the churches that I have attended I have always been with the idea that if one just accepts what you are being told in these churches there is a danger because you are putting your salvation in another's hands I have come to believe there are many false ideas being taught by those ministers of the Christian belief I believe those ministers are sincere with their teaching but I also believe they in many ways have it wrong I have considered the old saying if you are being led by a blind man and he falls into the ditch you also will fall into that ditch I feel strongly that each one of us is responsible for our own salvation by hopefully getting it right The things I have written are my opinion and one must decide upon reading if it agrees with your understanding For many years I have done extensive study of the scriptures and believe I have found a more truthful understanding of those scriptures I believe in
