learn from the best The author includes insightful intelligence from sellers and executives at Facebook Google iHeart Radio Amazon New York Life Hawaiian Airlines Dell EMC Microsoft Xbox Clear Channel Airports and Zillow who share stories and case studies on how they deploy the powers of persuasion If your success is determined by your ability to move people to decision you will grow in your confidence to communicate connect and persuade **Translating Jesus** Shauna Pilgreen,2023-08-15 How to Engage Culture with the Good News of Christ We in the church do not speak the same language as the culture We use many of the same words but they rarely mean the same thing And speaking louder isn't the answer If we are to faithfully and effectively share the Good News we have to translate Jesus Embracing and unpacking the bilingual nature of spreading the gospel pastor and teacher Shauna Pilgreen shows you how to learn the language of the culture so that you can clearly communicate the love of God in the three places Christ and culture meet the gate the cross and the table By learning how to share your story in the language of the culture you'll not only find spiritual conversations more fruitful but also build a supportive and loving community of bilingual believers excited about inviting others to enter the kingdom of God

Building Maintenance Brian J.B. Wood,2009-09-28 Maintaining a building is expensive it costs many times more to run a building over its lifetime than to build it yet maintenance is often not accorded the priority it warrants A poorly maintained building will be a drain on resources and will impair building use whereas a well maintained building will function smoothly and represent an appreciating asset to its owners Building Maintenance is a core text on the technical aspects of maintenance for undergraduate degree students on built environment courses particularly building surveying and facilities management It addresses the who what where when how and why of maintenance activities and shows that maintenance should be considered seriously at the design stage Extensive case studies illustrate what can go wrong how to put matters right and how to get it right first time next time A professional approach is required to building maintenance By encouraging maintenance managers to stand back and take a strategic view of building maintenance alongside their day to day tasks this book will help practitioners and students to achieve that *The Death Pond* Mark C.
