Good For Nothing:

Good for Nothing Brandon Graham, 2017 In Flip Mellis's recent past he had by his own assessment his feet planted squarely on terra firma As a husband and father he was a consistent breadwinner As a business professional he was a go getter For twenty years he did all that was expected of him if not much more But a job loss in his middle years in the midst of a national economic crisis knocked Flip squarely on his big soft ass where he has been wallowing for nearly a year Over the course of one hectic week replete with a cast of colorful characters Flip is forced by circumstances of his own invention to finally get his life headed in the right direction

Good for Nothing Michel Noel, 2004-05-01 Winner of the Geoffrey Bilson Award for Historical Fiction The year is 1959 and fifteen year old Nipishish returns to his reserve in northern Quebec after being kicked out of residential school where the principal tells him he's a good for nothing who like all Indians can look forward to a life of drunkenness prison and despair The reserve however offers nothing to Nipishish He remembers little of his late mother and father In fact he seems to know less about himself than the people at the band office He must try to rediscover the old ways face the officials who find him a threat and learn the truth about his father's death

A Good-For-Nothing Hjalmar Hjorth Boyesen, 2020-09-28 Ralph Grimm was born a gentleman He had the misfortune of coming into the world some ten years later than might reasonably have been expected Colonel Grim and his lady had celebrated twelve anniversaries of their wedding day and had given up all hopes of ever having a son and heir when this late comer startled them by his unexpected appearance The only previous addition to the family had been a daughter and she was then ten summers old Ralph was a very feeble child and could only with great difficulty be persuaded to retain his hold of the slender thread which bound him to existence He was rubbed with whiskey and wrapped in cotton and given mare's milk to drink and God knows what not and the Colonel swore a round oath of paternal delight when at last the infant stopped gasping in that distressing way and began to breathe like other human beings The mother who in spite of her anxiety for the child's life had found time to plot for him a career of future magnificence now suddenly set him apart for literature because that was the easiest road to fame and disposed of him in marriage to one of the most distinguished families of the land She cautiously suggested this to her husband when he came to take his seat at her bedside but to her utter astonishment she found that he had been indulging a similar train of thought and had already destined the infant prodigy for the army She however could not give up her predilection for literature and the Colonel who could not bear to be contradicted in his own house as he used to say was getting every minute louder and more flushed when happily the doctor's arrival interrupted the dispute As Ralph grew up from infancy to childhood he began to give decided promise of future distinction He was fond of sitting down in a corner and sucking his thumb which his mother interpreted as the sign of that brooding disposition peculiar to poets and men of lofty genius At the age of five he had become sole master in the house He slapped his sister Hilda in the face or pulled her hair when she hesitated to obey him tyrannized over his nurse and sternly refused to go to bed in spite of

his mother's entreaties On such occasions the Colonel would hide his face behind his newspaper and chuckle with delight it was evident that nature had intended his son for a great military commander **Am I Good For Nothing?** Dag Heward-Mills,2022-04-20 Anyone who does not use his God given talents for the kingdom is the image of salt that has lost its savour Unfruitful servants are good examples of salt that has lost its savour Jesus said an unprofitable servant is good for nothing It is important that salt makes its presence felt There may be salt in your food but it must be enough if it is to have any effect You are the salt of the earth so you must make your presence felt in this earth Are you good for nothing in the kingdom This prophetic book about salt and its mysterious influence and prophetic usefulness to the kingdom of God will have you deeply contemplate on your usefulness or lack thereof to God You will learn in this thought provoking book what it means to be good for nothing by analysing and understanding the role of salt in our lives May you NOT be good for nothing

The Bremen Town Musicians , *The Variety of Values* Susan R. Wolf,2015 For over thirty years Susan Wolf has been writing about moral and nonmoral values and the relation between them This volume collects Wolf's most important essays on the topics of morality love and meaning ranging from her classic essay Moral Saints to her most recent The Importance of Love Wolf's essays warn us against the common tendency to classify values in terms of a dichotomy that contrasts the personal self interested or egoistic with the impersonal altruistic or moral On Wolf's view this tendency ignores or distorts the significance of such values as love beauty and truth and neglects the importance of meaningfulness as a dimension of the good life These essays show us how a self conscious recognition of the variety of values leads to new understandings of the point the content and the limits of morality and to new ways of thinking about happiness and well being **A Mystical Philosophy** Donna J. Lazenby,2014-01-30 Revealing in an original and provocative study the mystical contents of the works of famous atheists Virginia Woolf and Iris Murdoch Donna Lazenby shows how these thinkers refusal to construe worldviews on available reductive models brought them to offer radically alternative pictures of life which maintain its mysteriousness and promote a mystical way of knowing A Mystical Philosophy contributes to the contemporary resurgence of interest in Spirituality but from an entirely new direction This book provides a warning against reductive scientific and philosophical models that impoverish our understanding of ourselves and the world and a powerful endorsement of ways of knowing that

Xiaomei Chen, 2014-03-25 This condensed anthology reproduces close to a dozen plays from Xiaomei Chen's well received original collection *The Columbia Anthology of Modern Chinese Drama* along with her critical introduction to the historical cultural and aesthetic evolution of twentieth century Chinese spoken drama. Comprising representative works from the Republican era to postsocialist China, the book encapsulates the revolutionary rethinking of Chinese theater and performance that began in the late Qing dynasty and vividly portrays the uncertainty and anxiety brought on by modernism, socialism, political conflict and war. Chosen works from 1919 to 1990 also highlight the formation of national and gender identities during a period of tremendous social, cultural and political change in China and the genesis of contemporary attitudes toward the West. PRC theater tracks the rise of communism juxtaposing ideals of Chinese socialism against the sacrifices made for a new society. Post Mao drama addresses the nation's socialist legacy, its attempt to reexamine its cultural roots and postsocialist reflections on critical issues such as nation, class, gender and collective memories. An essential portable guide for easy reference and classroom use, this abridgment provides a concise yet well rounded survey of China's theatricality and representation of political life. The original work not only established a canon of modern Chinese drama in the West but also made it available for the first time in English in a single volume.
