Marijuanamerica Alfred Ryan Nerz, 2013-04-02 A delightfully weird journey that includes crazed pharmacists, a guy named Buddha Cheese and an interstate road trip with a trunk full of pot. A J Jacobs New York Times bestselling author Alfred Ryan Nerz is a Yale educated author, journalist and TV producer. He's also a longtime marijuana enthusiast who has made it his mission to better understand America's long-standing love-hate relationship with our favorite sometimes illegal

drug His cross country investigation started out sensibly enough taking classes at a cannabis college hanging out with a man who gets three hundred pre rolled joints per month from the federal government and visiting the world s largest medical marijuana dispensary But his journey took an unexpected turn and he found himself embedded with one of the largest growers and dealers on the West Coast He quickly transformed into an underworld apprentice surrounded by pit bulls exotic drugs beanbags full of cash and trunks full of weed But while struggling to navigate the eccentric characters and rampant paranoia of the black market he maintained enough equanimity to explore a number of vital questions Is marijuana hurting or helping us How is it affecting our lungs our brains and our ambitions Is it truly addictive and if so are too many of us dependent on it Should we legalize it Does he need to quit As entertaining as it is illuminating *Marijuana America* is one man s attempt to humanize the myriad hot button topics surrounding the nation s obsession with weed while learning something about himself along the way These wacky accounts rival T C Boyle s fine novel *Budding Prospects* in showing the highly misguided paranoia that can be cured or accentuated by consumption of the marijuana plant s sticky blossoms *Pasatiempo*
