The Living Church, 1980-07 The Bible in English David Daniell, 2003-01-01 P 275 357 les ditions genevoises au 16e si cle de la Bible en anglais *The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel* James LaGrand, 1999 This original work of scholarship clarifies how in light of Matthew's Gospel the first Christians understood and claimed Israel's messianic mission to people of every ethnic group immediately after Jesus' death and resurrection BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Good News in Matthew Pierson Parker, 1976 **Matthew's Missionary Discourse** Dorothy Jean Weaver, 1990-04-01 This book offers a distinctive solution to the interpretative difficulties surrounding Matthew's Missionary Discourse While the discourse proper lies within a narrative framework designating the setting of its delivery the outlined mission does not at all points agree with the designated setting Weaver shifts attention from historical critical to literary critical concerns Rather than focusing on the historical setting's of the disciples' mission's she analyses the role of Mt 9:35 11:1 within its literary setting in the Gospel and assesses the impact of this text on the reader of the Gospel **Jesus, the Gospels, and Cinematic Imagination** Richard Walsh, Jeffrey L. Staley, 2021-08-12 Jesus films arose with cinema itself Richard Walsh and Jeffrey L Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars stretching from *La vie du Christ* 1906 to *Mary Magdalene* 2018 The introduction to each film includes discussion of plot characters visuals appeal to authority and cultural location as well as consideration of the director's and/or other filmmakers' achievements and style Several film chapters end with reflections on problematic issues bedeviling the tradition such as cultural imperialism and patriarchy To assist teachers and researchers each chapter includes a listing of DVD chapters and the approximate time for both DVDs and streaming platforms at which key film moments occur The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films Extensive endnotes point readers to other important work on the tradition and specific films While the authors strive to set the Jesus film tradition within cinema and its interpretation the DVD streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition The Gospel of John 3:16 Randy A. Barnes, 2024-10-07 The gospel is being preached however the Bible makes it clear that it is the truth of the gospel that has to be proclaimed to the world before it ends and warns of those preaching a different gospel This true gospel was being followed when Christ's followers were first called Christians after He left earth and only those adhering to this same gospel will be translated when He returns In a thoughtful word by word commentary on the most famous and most quoted verse in the Bible Randy Barnes with no denominational predisposition shows how a correct understanding of John 3:16 clearly illuminates this identical gospel when the paradigms of customs and traditions are eliminated from its interpretations Using biblical hermeneutics and contextual juxtaposition as tools Barnes shows how the Bible gives its own interpretation of not only of John 3:16 but all other verses as

well Using only scriptural references Barnes demonstrates how God has used both the Jewish and Christian faiths to spread the story of the true gospel to the world by examining over two dozen doctrinal issues from the earth's creation to its recreation from the books of Genesis to Revelation The book is formatted with both a comprehensive table of contents and an exhaustive index to enable its use as reference for Bible study Supplemental information such as diagrams and illustrations are also included to assist in your reading enjoyment Christians will find excellent support for foundational principles as well as be challenged in much traditional thinking

Matthew Frederick Dale Bruner, 2007 Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions this book asks both what Matthew's Gospel said to its first hearers and what it says to readers today It shows how the focus of Matthew shifts from Jesus teaching about who he is to teaching mainly about what his church is

One Coin Found Emmy Kegler, 2019-04-02 The stories of Scripture are for everyone No exceptions Emmy Kegler has a complicated relationship with the Bible As a queer woman who grew up in both conservative Evangelical and progressive Protestant churches she knows too well how Scripture can be used to wound and exclude And yet the stories of Scripture continue to captivate and inspire her both as a person of faith and as a pastor to a congregation So she set out to fall in love with the Bible wrestling with the stories inside where she met a God who continues to seek us out appearing again and again as a voice a presence and a promise Whenever we are pushed to the edges our voices silenced or our stories dismissed God goes out after us seeking us until we are found again And God is seeking out those whose voices we too quickly silence and dismiss too Because God's story is a story of welcome and acceptance for everyone no exceptions Kegler shows us that even when we feel like lost and dusty coins rusted from others indifference misspent and misused God picks up a broom and sweeps every corner of creation to find us

The Subversive Gospel Tom Hanks, 2009-01-19 What do the New Testament writers actually teach about 1 the poor 2 women and 3 sexual minorities Why do traditional commentaries and introductions so often ignore or treat superficially such burning questions churches grapple with today Must we seek out specialized monographs to get adequate information and satisfactory answers in each area At last in a single volume Tom Hanks brings together the fruit of decades of study examining each New Testament book in each of these three crucial areas which often overlap in human experience Latin American male liberation theologians often forget that the option for the poor may involve solidarity with a lesbian of color who wants to be ordained Building on his pioneering study on oppression and poverty in Biblical theology Orbis 1984 Wipf 2000 and his Anchor Bible Dictionary article on Poverty in the New Testament which the New York Times review commended for its balance Hanks analyzes the teaching of each New Testament book regarding the main cause of poverty oppression and the variety of liberating Christian responses Feminist and womanist studies are mined to highlight the presence absence and role leadership of women in each New Testament book The remarkable absence of modern notions of family and family values in the New Testament books is emphasized along with the prominence of sexual minorities as authors and subjects of the New Testament books L William Countryman comments regarding the poor women and sexual minorities Tom Hanks has brought these issues to the exegesis of the New Testament in a sustained and orderly fashion He demonstrates beyond question that most of the New Testament authors were not interested in maintaining the household structures of the ancient Mediterranean and that indeed most of the individuals presented in the New Testament documents would not have seemed to be models of family values either in their time or today The works of Hanks and Theodore W Jennings with their detailed and careful argumentation show that excellent work is being done in this vein However surprising their conclusions may be to casual readers or offensive to readers protecting what they conceive as orthodoxy they are in fact deeply grounded in attentive scholarly work Dirt Greed Sex Minneapolis Fortress 2007 p 251 252

The Deep Things of God Thomas Pulickal, 2020-03-03 In the beginning the Lord God formed man from the dust of the ground and breathed into his nostrils the breath of life and the man became a living soul This breath of the living soul was breathed out by Christ at His death on the Cross and again after the resurrection He breathed on the disciples the Spirit of God saying Receive the Holy Spirit thereby enabling man the transition from the first man Adam into the second man Christ At the death of Christ the old covenant along with the external and natural ways of relating with God was nailed to the Cross bringing forth in His resurrection the New Covenant life the body of resurrection known as the body of Christ where all those united to Christ in the spirit become one with Him God wants the entire mankind to live in and by the New Covenant which is the reality or substance of the person of Christ as the indwelling life within us since this is the eternal plan purpose and will of God The Bible thus presents two realms one of death and the other of life through the old and the New Covenant with two different types of relationships God

did not improve or modify the first man Adam on the Cross but crucified Adam in Christ and this is known as the judgement where Adam has been separated from Christ This reality has to be inworked within the soul of every human being for the transition from the natural and the earthly into the heavenly and the spiritual and thus from the living soul Adam to the life giving Spirit Christ This book unfolds the truth that Christianity is neither a religion nor an organisation but a true Christian is characterised by the resurrected life of Christ dwelling within him This realisation enables him to produce the fruit which is the increase of Christ and thereby achieve the harvest of a people living by the life of Christ In this way true salvation defined as the fullness of Christ in the human soul becomes a reality proclaiming to the world that the evidence of salvation is It is not I who live but Christ who lives in me *The Journey from Texts to Translations* Paul D. Wegner, 2004-08 Traces the history of the Bible from the earliest manuscripts to contemporary translations *Catalogue of English Bible Translations* William J.
