Kell, 2022-04-13 Good Night Whispers of the Heart is a collection of real love notes covering different themes all thoughtfully composed for the private reading of a partner What you find here are examples of love notes that could be found in bedrooms safety deposit boxes and even the proverbial 20th 21st century shoe boxes all lost to time and rich in meaning Good Night Whispers of the Heart is not a present day version of the 20th century soldier at war writing home or members of the Greatest Generation writing from a theatre of war to tell their beloved that they would be home soon for many sweethearts and wives of wars gone by Johnny did not come marching home Good Night Whispers of the Heart is a collection of everyday working men and women who kept the flame of love burning brightly every day through thick and thin by writing a love note some at length mostly short that their partner for life kept the flame of love burning bright A love note tells the partner that the flame will never go out Often love is barely a pilot light just bright enough to see by and warm enough to calm the worries of the day that came and went Good Night Whispers of the Heart is a reminder that love and appreciation are always in fashion sustaining the ever present fact that the thought to write always counts but the words that envelop the soul never sleep You see a love note lasts all through the night **Good Nights Out** Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre **A Good Night's Sleep** Jan Sadler, 2008-08-13 How to overcome insomnia with visualization breathwork and meditation Presents mental and physical exercises to quiet mental chatter visualizations to prepare for sleep and deep breathing and mindfulness meditation techniques Explains how to establish and analyze a sleep diary and how to retrain the body to sleep solidly In A Good Night's Sleep Jan Sadler teaches the skills needed to break the patterns and frustration of insomnia She explains how to overcome stress and restlessness
