Good Ship:

THE GOOD SHIP FAITH Ruth Ellen,2024-05-31 The Good Ship Faith is about the ongoing war between good and evil between the kingdom of light and the kingdom of darkness it is about a good king his royal fleet and the power of faith demonstrated in one of his captains who dared to believe for the impossible The king s royal fleet is composed of warriors of righteousness they are passionately devoted to him and are zealously carrying out his missions of mercy which involve warfare and the rescue of imprisoned souls held captive by the predatory pirates of darkness Unsuspecting victims of these covert pirates are often surprised when they discover that they had been deceived and are under their tyrannical control

On the Good Ship Lollipop Horst Bredekamp,James S. Ackerman,Irving Lavin,2019-03-04 The Fondation Louis Vuitton by Frank O Gehry rises from the Bois de Boulogne as a new landmark in the Parisian skyline Gehry s dynamic architecture is both glittering and multifaceted is it a sailing vessel an iceberg or a sea monster It fascinates with its wealth of references and at the same time escapes any clear cut definition Three outstanding representatives of different generations of art history James S Ackerman Irving Lavin and Horst Bredekamp have together paid a visit to the Fondation Louis Vuitton They explore the building in three richly illustrated essays that try to fathom the floating architecture of the magician Gehry in the context of both art and architectural history

We Are Becoming the Problem Now! Michael Abayomi Alabi,2019-02-09 When we leave our destiny in the hands of others and live our life in the past we immediately destroy our future Scientists in the human genome industry have proved that all humans are 99.9 percent the same Why then are some ethnicities progressive and others nonprogressive Our current problems are not with the slave or colonial masters We Are Becoming the Problem Now Had we continued in the legacy of our ancestors simply known as slaves we ought to have been the pride and joy of the whole world They went through unimaginable pain sorrow hardship and torment They survived and even succeeded by leaving a godly legacy behind in the Negro spiritual songs and in arts education industry and every conceivable field Our current major problems as blacks in Africa and all over the world simply put are leadership and disunity We do the dirty work by self destroying ourselves and each other Only few illiterate Caucasian would engage in overt discrimination The majority of us have been trained in the art and act of covert self destruction and in the destruction of the whole We have so much zeal but without knowledge We must bear in mind that zeal without knowledge is dead so also knowledge without zeal is equally lifeless Romans 10:2 Not until we harness our zeal and knowledge comprehensively can we live a progressive life It has been said that if the West is to stand still and halt all development and progress Africa would never catch up Yet we have PhDs in every conceivable field Do we blame that on the ancestors of the slave or colonial masters No We are to be blamed We Are Becoming the Problem Now Those who have ears to hear let them hear because time is of the essence The Naval
