## **Good Stewardship A Handbook For Seminary Trustees:**

*Good Stewardship* ,1991      **Serving Communities** Jason Ferenczi,2015-10-14 The contexts in which theological schools operate is changing rapidly presenting CEOs administrators faculty and governing bodies with new challenges How can theological schools adapt to these changing contexts while maintaining missional clarity What role do each of these groups of actors play in this process This publication describes the experience of four theological schools and presents some practical suggestions for how they can adapt in dynamic environments      **Piety and Plurality** Glenn Thomas Miller,2014-06-09 I began studying American theological education in the 1970s and *Piety and Plurality* is the third of three studies In *Piety and Intellect* I examined the colonial and nineteenth century search for a form of theological education that was true to the church s confessional traditions and responsible to the intellectual demands of the age In *Piety and Profession* I described how that model was modified under the impact of the new biblical criticism and by the American belief in professionalism In this volume I have tried to bring the story up to date Unfortunately I did not find one unifying theme for the period Rather theological education seemed to move forward on a number of different levels each with its own story Here I have tried to capture some of the dynamics of this movement and to indicate how theological educators have struggled with the plurality in their midst In the process theological education has learned to live with its contradictions and problems As important as the stories are however there is also the story of the schools struggles to live in the midst of a constant financial crisis that checked development at every stage      *Progressions* ,1989      **Notes** ,1990      *Christian Freedom* Clayton N. Jefford,1993 This fascinating book explores the contemporary issue of religious freedom and its relevance for the modern Christian With a refreshing blend of scholarly objectivity and pastoral sensitivity the volume offers the insights of the American scholars as they seek to investigate the role of Christian freedom within their individual fields of expertise From the apostle Paul to the civil rights movement of more recent days and from the question of the human right for choice to the contemporary debate over new approaches to religious education this book provides numerous insights into a topic that has engaged church historians theologians and ethicists for centuries      **Finding Leaders for Tomorrow's Churches** Roy M. Oswald,1993      **Who's who in America** ,1995      Who's who in Religion ,1992      **Guide of Soul and Mind** Barry L. Callen,1992      **Southern Baptist Handbook** ,1953      *West Virginia Handbook and Manual and Official Register* ,1981      *Minutes of the General Assembly of the Presbyterian Church in the United States* Presbyterian Church in the U.S. General Assembly,1918 Issues for 1865 include directory      **Minutes** ,1920      **Trustees, Presidents and Deans of American Colleges and Universities** ,1958      **Minutes - United Presbyterian Church in the U.S.A.** United Presbyterian Church in the U.S.A. *Journal of Education* ,1906      **Minutes of the General Assembly of the Presbyterian Church in the United States of America** Presbyterian Church in the U.S.A. General Assembly,1924      **The Many Legalities of Early America**

Christopher L. Tomlins, Bruce H. Mann, 2012-12-01 This collection of seventeen original essays reshapes the field of early American legal history not by focusing simply on law or even on the relationship between law and society but by using the concept of legality to explore the myriad ways in which the people of early America ordered their relationships with one another whether as individuals groups classes communities or states Addressing issues of gender ethnicity family patriarchy culture and dependence contributors explore the transatlantic context of early American law the negotiation between European and indigenous legal cultures the multiple social contexts of the rule of law and the transformation of many legalities into an increasingly uniform legal culture Taken together these essays reveal the extraordinary diversity and complexity of the roots of early America s legal culture Contributors are Mary Sarah Bilder Holly Brewer James F Brooks Richard Lyman Bushman Christine Daniels Cornelia Hughes Dayton David Barry Gaspar Katherine Hermes John G Kolp David Thomas Konig James Muldoon William M Offutt Jr Ann Marie Plane A G Roeber Terri L Snyder and Linda L Sturtz
