Good Day Bunnies Great:

The Good Day Bunnies Harriet Margolin, Carol Nicklaus, 1988-01-01 On a warm spring day rabbit twins Becky and Bumper search the yard for the cookies their grandmother has baked and hidden for them *The Graphic*, 1921 **The Good-Day Bunnies in the Great Spring Cookie Hunt** Harriet Margolin, 1991-12-15 On a warm spring day rabbit twins Becky and Bumper search the yard for the cookies their grandmother has baked and hidden for them *George Best - A Celebration: Untold True Stories of Our Most Legendary Footballer* Bernie Smith & Maureen Hunt, 2008-09-01 George Best was one of the greatest footballers ever to have walked the Earth an absolute legend His ability as an all round player was and still is unsurpassed He was highly skilful a tough tackler and great in the air As well as being an exceptionally gifted sportsman George also had a unique gift when it came to people His open and friendly nature meant that others were naturally drawn to him and he always had time to get to know anyone and everyone Perhaps because of this George Best reached so many people As well as the legions of football fans who watched awestruck as he played he also touched the hearts of everyone with whom he came in contact on a day to day basis from club managers to the groundsmen at Old Trafford Bestie had time for them all it seems that almost everyone has a story to tell about him Bernie Smith is an avid collector of everything to do with the late great man and Maureen Hunt worked in the newspaper industry for over twenty years From banknotes to team photographs to signed shirts and even underwear there is not much out there relating to George that they don't know about or possess While gathering memorabilia they discovered that almost every keepsake souvenir or trophy has a humorous heart warming or poignant story attached to it Piecing together these gems of history they have compiled a fitting tribute to a genuine icon Take for example the incredible journey of the pair of limited edition George Best boots that ended up on a stall at Brick Lane market in London to eventually become the treasured possession of a man who idolised him or the boy whose house backed onto the United training ground and who would jump over the fence to stand at the back of the nets to watch the Best magic and act as a ball boy when necessary or even a gold thong signed by George himself that was bought at auction and left in a drawer until now Packed with anecdotes and rare photographs this delightful book will be a welcome addition to any Best fan's collection and is a wonderful way to commemorate the man who was both hero and friend to so many people The genius of George Best on the football field is well documented as is the celebrity lifestyle which such genius often attracts This book gives an insight into the much less well known human side of his life and the many unsung acts of kindness which were so typical and which endeared him to everyone who was fortunate enough to know or meet him I count myself privileged to be amongst that number Doug Ellis President Emeritus Aston Villa Football Club George Best was a fine fellow to share company with off the football field It doesn't surprise me that the stories in this book celebrate the real side of George George had a snooker table in his house and he loved to play the game He was one of the nicest people you would ever wish to meet with a great sense of humour Dennis Taylor 1985 Embassy World

Snooker Champion and fellow Belfast boy Besite can only be described in one word fantastic Ron Chopper Harris **The Greenwood Library of World Folktales** Thomas A. Green,2008-02-28 From the Amazon to the Arctic the world is teeming with diverse cultures There s no better way for students to explore the world s cultural diversity than through its folktales Presenting tales from the foundations of the world s traditions literature daily life and popular culture The Greenwood Library of World Folktales Stories from the Great Collections gathers together a vast array of folktales and arranges them according to region or cultural group thus allowing students to quickly and conveniently learn about the tales of particular cultures Some of these stories have been told for centuries while others have emerged only in recent times The four volume set includes introductory essays in addition to explanatory headnotes and provides bibliographies on particular regions as well as a selected general bibliography The most comprehensive work of its kind this set gives students and general readers a guided tour of the world s folktales Each volume of the set is devoted to a particular broad geographic region Volume 1 Africa The Middle East Australia and Oceania Volume 2 Asia Volume 3 Europe Volume 4 North and South America Accessible informative and entertaining this book will help literature students learn how to analyze texts and understand the traditions at the heart of many of the world s literary masterpieces It will also help social studies students learn about the world s cultures and respect ethnic diversity Contemporary Authors Tracey Watson,2005-08 These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries A softcover cumulative index is published twice per year included in subscription

How To Be Great At Doing Good Nick Cooney,2015-03-31 Get ready to question everything you ve been told about charity and to find out how you can truly succeed at making the world a better place Many of us donate to charitable causes and millions more work or volunteer for non profit organizations Yet virtually none of us have been taught what it means to succeed at doing good let alone how to do so In short we ve never been encouraged to treat charity with the seriousness and rigor it deserves How to be Great at Doing Good is a complacency shattering guidebook for anyone who wants to actually change the world whether as a donor a volunteer or a non profit staffer Drawing on eye opening studies in psychology and human behavior surprising interviews with philanthropy professionals and the author s fifteen years of experience founding and managing top rated non profits this book is an essential read for anyone who wants to do more good with their time and money Find out how Bill Gates and a team of MIT grads are saving thousands of lives by applying business principles to charity work and how we can too Peer inside our brains as we donate and discover how the same chemical forces that make us crave junk food and sex can steer us toward bad charity decisions See why following our passion and doing what we re good at can actually doom our efforts to improve the world Learn how two seemingly identical charities can have jaw dropping differences in impact and find out how to pick the best one when donating Sure to generate controversy among non profits and philanthropists who prefer business as usual How to be Great at Doing Good reveals that a more calculated

effective approach to charity work isn't just possible it's absolutely necessary for those who want to succeed at changing the world
