

A romantic sunset scene over a beach. The sky is filled with soft, colorful clouds in shades of pink, purple, and blue. The sun is low on the horizon, casting a warm glow. A small sailboat is visible on the calm water. The foreground shows the sandy beach and gentle waves washing onto the shore.

Goodbye Forever:

Malagash Joey Comeau,17-10-03 A precisely crafted darkly humorous portrait of a family in mourning Sunday's father is dying of cancer They've come home to Malagash on the north shore of Nova Scotia so he can die where he grew up Her mother and her brother are both devastated But devastated isn't good enough Devastated doesn't fix anything Sunday has a plan She's started recording everything her father says His boring stories His stupid jokes Everything She's recording every single I love you right alongside every Could we turn the heat up in here It's all important Because Sunday is writing a computer virus A computer virus that will live secretly on the hard drives of millions of people all over the world A computer virus that will think her father's thoughts and say her father's words She has thousands of lines of code to write Cryptography to understand Exploits to test She doesn't have time to be sad Her father is going to live forever *Days Without You* Naki Daniels,2022-12-22 Our life was supposed to be adorable and unique which turned into a dream of sorrow Trying to build the perfect family just so she could destroy it all There were many days when she was silent and always never around How could someone so beautiful and full of life turn untrustworthy unfaithful and undependable overnight Showing her my affection she was apart of my life which happened to be urban legend she never cared for anyone but herself this is why we grow apart *Goodbye Forever* Barbara Conklin,1985-06-01 **Unfolding His Majesty** Francis K. Goode,2010-03-16 Unfolding His Majesty is about God unfolding His plans for your life In these pages God reveals Himself as our Helper Healer Deliverer Provider and Soon Coming King The Book discusses the nature of God and the ministry of Christ with powerful lessons for everyday living In this volume Dr Goode also discusses the Passion of Christ including His Death and Resurrection and climaxed it with the Second Coming in short devotional reading format to encourage you to remain hopeful to the end This Book offers spiritual and practical insights to help you discern the will of God for your life The lessons are so profound they will set you thinking They are so inspiring they will make deep spiritual impressions on your heart They are so compelling they will transform your life for Christ and His Kingdom , **How to Wake Up** Toni Bernhard,2013-08-19 Intimately and without jargon How to Wake Up A Buddhist Inspired Guide to Navigating Joy and Sorrow describes the path to peace amid all of life's ups and downs Using step by step instructions the author illustrates how to be fully present in the moment without clinging to joy or resisting sorrow This opens the door to a kind of wellness that goes beyond circumstances Actively engaging life as it is in this fashion holds the potential for awakening to a peace and well being that are not dependent on whether a particular experience is joyful or sorrowful This is a practical book containing dozens of exercises and practices all of which are illustrated with easy to relate to personal stories from the author's experience *Blueprints* Terry Watson,2012-05 Blueprints is a book of poetry dealing with everyday emotions whether it's Love relationships breakups and a host of other feelings that we as humans experience from time to time Blueprints is only to show its readers that there is hope No matter how bad a situation may seem it can and will get better Most poems in this

book comes from my own experience and going through the life that I've lived letting my readers know that you are not alone. One of my favorite Poems in this book is Changes and when you read it you will know why. The name Blueprints is self-explanatory. I chose this name because it forms a bond around everything written inside. We must blueprint our life now otherwise in the future we will be left wondering how when or what happened. Blueprints can save a life from pain and unhappiness. Just as a house is built there are Blueprints and a plan so that construction can begin on a solid foundation. That way when it's complete or at the top it's much harder to fall down because it was Blueprinted. Blueprint your life now as I have Blueprinted this book and remember it's never too late. This book isn't to make it's readers distrust their loved ones but only to let the truth be told. Everything happens for a reason so the book Blueprints is here to comfort its readers that have experienced the same thoughts and feelings as it's writer. I hope all the readers of this book can understand the poems in it because they come directly from my heart so I'm sure someone somewhere will be helped. I ask that you enjoy this book and share it with your loved ones and friends because Poetry is the backbone of books. So again enjoy and let the words flow through your heart just as they came from mine.
