Stine, 1997 Ten creepy stories that will give you goosebumps The Publishers Weekly, 1997 *Goosebumps Postcard Cntr*, **Flying with Frankie** Charles F. Gobel, 2012-03-14 I'm about to lose my wife and I don't want to lose my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent's dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena's big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that's basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40 000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE.COM *You're Only Young Twice* Timothy Morris, 2000 Original and thought provoking *You're Only Young Twice* reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots Moving from classic texts *The Secret Garden* *Goodnight Moon* to ephemera the Hardy Boys *Goosebumps* and *Harry Potter* series from the printed page to the silver screen *Willie Wonka* *Jumanji* *101 Dalmatians* *Beethoven* Tim Morris employs his experience as a parent and teacher to interrogate children's culture and reveal its conflicting messages Books and films for children favorites accepted as wholesome fare for impressionable young minds do not always teach straightforward lessons Instead they reflect the anxieties of the times and the desires of adults At the heart of many a children's classic lies power often expressed through racism sexism or violence Under Morris's gaze revered animal stories like *Black Beauty* turn into litanies of abuse fantasies of childhood like *Big* are revealed as patriarchal struggles *You're Only Young Twice* redirects the focus on children's literature asking not What messages should children receive but What messages do adults actually send For example Morris recounts his own childhood confusion upon viewing *Peter Pan* with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a cowering boy Morris

shatters our long held assumptions and challenges our best intentions demonstrating how children s literature and films lay bare a troubled and troubling worldview
