Gorbachev And The End Of Communism:

Mikhail Gorbachev and the End of Soviet Power John Miller, 2016-07-27 One of the first studies of the full career of M S Gorbachev as Soviet leader this book traces his seven year struggle to reform the Soviet system and his failure to preserve it Mr Miller analyses characteristics of Gorbachev that puzzled the West his reformist gradualism his relationship to the Communist party his attitudes to communism revolution democracy and nationalism and explores their role in the collapse of Soviet power

Gorbachev, Italian Communism and Human Rights Silvio Pons, 2022 The chapters brought together in this volume build on the idea that in the 1970s 1980s the global language of human rights contributed to stimulating ideas of reform in the communist world The protagonists were Mikhail Gorbachev and the Italian communists The experience of the PCI was in many ways a peculiar case but one that was linked to underground ideas of cultural change even in Eastern Europe and the Soviet Union Gorbachev's ascent signalled a fundamental shift as he rejected the approach of reducing human rights to an ideological battleground and instead made it the centrepiece of a universalist relaunch By exploring the encounter between reform communists and human rights the authors reconstruct the metamorphosis and the end of communism within the context of the wider transformations taking place in European political cultures at the end of the Cold War

The End of the Communist Revolution Robert V. Daniels, 2002-11-01 Daniels strives to put perestroika in its long term historical perspective by placing it in a broad theory of revolutionary process within the context of Leninism Stalinism and Brezhnevism

The Collapse of Communism in the Soviet Union William E. Watson, 1998-05-26 A one stop source of information analysis biographical profiles and key primary documents on the collapse of communism in the Soviet Union Studies the rise and fall of a superpower and its ruling party Following a chronology of events five essays provide a narrative overview and discuss the evolution of Perestroika the Brezhnev Doctrine and the Afghan War nationalism and the end of the Soviet empire and Russia after the collapse of Communism Also contains biographical profiles of 15 leaders the text of 22 documents including writings by key figures a glossary and an annotated bibliography

The Rise And Fall Of Communism Richard H Hudelson, 2019-06-21 Writing this book has been a rewarding but challenging experience Along the way I have had the helpful comments and criticisms of a number of friends and colleagues Pat Maus Susanna Frenkel Kit Christensen and Carl Ross read the entire manuscript Steve Chilton Milan Kovacovic and Marina Rumyantseva read parts of it They and the reviewers for Westview Press have weeded out many errors and forced me to think through a number of difficult points The errors and confusions that remain do so in spite of their best efforts I thank them all I would also like to thank Spencer Carr of Westview Press for his support of this project and for his editorial suggestions which resulted in major improvements Finally thanks to Jean Vileta for her editorial assistance in preparing the manuscript for publication

The Fall of Soviet Communism, 1986-1991 Jeremy Smith, 2017-03-16 The fall of communism and the break up of the Soviet Union into 15 independent states in December 1991 was one of the most significant events of the 20th century In the last years of Soviet

rule images of mass protests on the streets of Moscow Tbilisi and Vilnius bloodshed in Baku striking miners Mikhail Gorbachev wooing the West and Boris Yeltsin defiantly mounting a tank in front of the White House building in Moscow shattered all of the old certainties about the seemingly unbreakable communist system Gorbachev and Yeltsin were the dominant figures in this process but non Russian national movements workers intellectuals and international developments all had roles to play Jeremy Smith presents the dramatic events of 1985 91 in a clear and succinct form setting out a variety of interpretations for the demise of communism in the Soviet Union and suggesting new approaches to answering the unresolved question of why it happened Smith discusses the long term and short term factors behind the extraordinary collapse assessing the impact of economic crisis nationalism personalities and democratization in the process

The Rise and Fall of Communism in Russia Robert V. Daniels, 2008-10-01 Distinguished historian of the Soviet period Robert V Daniels offers a penetrating survey of the evolution of the Soviet system and its ideology In a tightly woven series of analyses written during his career long inquiry into the Soviet Union Daniels explores the Soviet experience from Karl Marx to Boris Yeltsin and shows how key ideological notions were altered as Soviet history unfolded The book exposes a long history of American misunderstanding of the Soviet Union leading up to the grand surprise of its collapse in 1991 Daniels s perspective is always original and his assessments some worked out years ago are strikingly prescient in the light of post 1991 archival revelations Soviet Communism evolved and decayed over the decades Daniels argues through a prolonged revolutionary process combined with the challenges of modernization and the personal struggles between ideologues and power grabbers

On My Country and the World Mikhail Gorbachev, 2019-12-24 Here is the whole sweep of the Soviet experiment and experience as told by its last steward Drawing on his own experience rich archival material and a keen sense of history and politics Mikhail Gorbachev speaks his mind on a range of subjects concerning Russia s past present and future place in the world Here is Gorbachev on the October Revolution Gorbachev on the Cold War and Gorbachev on key figures such as Lenin Stalin and Yeltsin The book begins with a look back at 1917 While noting that tsarist Russia was not as backward as it is often portrayed Gorbachev argues that the Bolshevik Revolution was inevitable and that it did much to modernize Russia He strongly argues that the Soviet Union had a positive influence on social policy in the West while maintaining that the development of socialism was cut short by Stalinist totalitarianism In the next section Gorbachev considers the fall of the USSR What were the goals of perestroika How did such a vast superpower disintegrate so quickly From the awakening of ethnic tensions to the inability of democrats to unite to his own attempts to reform but preserve the union Gorbachev retraces those fateful days and explains the origins of Russia s present crises But Gorbachev does not just train his critical eye on the past He lays out a blueprint for where Russia needs to go in the twenty first century suggesting ways to strengthen the federation and achieve meaningful economic and political reforms In the final section of the book Gorbachev examines the new thinking in foreign policy that helped to end the Cold War and shows how such approaches could help

resolve a range of crises including NATO expansion the role of the UN the fate of nuclear weapons and environmental problems On My Country and the World reveals the unique vision of a man who was a powerful actor on the world stage and remains a keen observer of Russia's experience in the twentieth century This anniversary edition features a new foreword by William Taubman award winning biographer of Khrushchev and Gorbachev

Gorbachev and the Collapse of the Soviet Communist Party Evgeny Novikov, Patrick Bascio, 1994 The West is caught up in the dramatic changes taking place in the former Soviet Union and is eager to help the process of democratization This work cautions that what is taking place in the former Soviet Union is not democratization as the West knows it but rather a form of socialism different from Marxism Leninism theoretically based on the teachings of an Italian Marxist now deceased Antonio Gramsci The work claims that the same Party elite who controlled the Soviet Union now control the republics The authors advise that before granting financial credits to any of the republics the West should first come to a clear understanding of the political and economic processes now taking place

Armageddon Averted Stephen Kotkin, 2008-12-23 Featuring extensive revisions to the text as well as a new introduction and epilogue bringing the book completely up to date on the tumultuous politics of the previous decade and the long term implications of the Soviet collapse this compact original and engaging book offers the definitive account of one of the great historical events of the last fifty years Combining historical and geopolitical analysis with an absorbing narrative Kotkin draws upon extensive research including memoirs by dozens of insiders and senior figures to illuminate the factors that led to the demise of Communism and the USSR The new edition puts the collapse in the context of the global economic and political changes from the 1970s to the present day Kotkin creates a compelling profile of post Soviet Russia and he reminds us with chilling immediacy of what could not have been predicted that the world's largest police state with several million troops a doomsday arsenal and an appalling record of violence would liquidate itself with barely a whimper Throughout the book Kotkin also paints vivid portraits of key personalities Using recently released archive materials for example he offers a fascinating picture of Gorbachev describing this virtuoso tactician and resolutely committed reformer as flabbergasted by the fact that his socialist renewal was leading to the system's liquidation and more or less going along with it At once authoritative and provocative Armageddon Averted illuminates the collapse of the Soviet Union revealing how principled restraint and scheming self interest brought a deadly system to meek dissolution Acclaim for the First Edition The clearest picture we have to date of the post Soviet landscape The New Yorker A triumph of the art of contemporary history In fewer than 200 pages Kotkin elucidates the implosion of the Soviet empire the most important and startling series of international events of the past fifty years and clearly spells out why thanks almost entirely to the principal restraint of the Soviet leadership that collapse didn't result in a cataclysmic war as all experts had long forecasted The Atlantic Monthly Concise and persuasive The mystery for Kotkin is not so much why the Soviet Union collapsed as why it did so with so little collateral damage The New York Review of Books

The Rise and Fall of Communist Parties in France and Italy Marco Di

Maggio,2020-12-19 This book analyzes the dynamics through which the two major communist parties of the capitalist world which in the 1970s had great influence on their respective national political contexts since the 1980s are increasing their marginality and although in different forms and with different timeframes are unable to stem the decline of their political and cultural influences on the working classes *The Rise and Fall of Communism* Archie Brown,2009-10-13 Published to coincide with the twentieth anniversary of the fall of the Berlin Wall a definitive and ground breaking account of the revolutionary ideology that changed the modern world The inexorable rise of Communism was the most momentous political phenomenon of the first half of the twentieth century Its demise in Europe and its decline elsewhere have produced the most profound political changes of the last few decades In this illuminating book based on forty years of study and a wealth of new sources Archie Brown provides a comprehensive history as well as an original and highly readable analysis of an ideology that has shaped the world and still rules over a fifth of humanity A compelling new work from an internationally renowned specialist *The Rise and Fall of Communism* promises to be the definitive study of the most remarkable political and human story of our times *The Picnic: A Rush for Freedom and the Collapse of Communism* Matthew Longo,2023-11-07 Winner of the 2024 Orwell Prize for Political Writing A New York Times Book Review Editors Choice Named a Best Book of the Year by Kirkus Reviews and Slate A terrific work of history Dan Kois Slate A vivid fast paced narrative Andrew Meier New York Times Book Review The gripping story of a collective passion for freedom that shook the world In August 1989 a group of Hungarian activists organized a picnic on the border of Hungary and Austria But this was not an ordinary picnic it was located on the dangerous militarized frontier known as the Iron Curtain Tacit permission from the highest state authorities could be revoked at any moment On wisps of rumor thousands of East German vacationers packed Hungarian campgrounds awaiting an opportunity fearing prison surveilled by lurking Stasi agents The Pan European Picnic set the stage for the greatest border breach in Cold War history hundreds crossed from the Communist East to the longed for freedom of the West Drawing on dozens of original interviews including Hungarian activists and border guards East German refugees Stasi secret police and the last Communist prime minister of Hungary Matthew Longo tells a gripping and revelatory tale of the unraveling of the Iron Curtain and the birth of a new world order Just a few months after the Picnic the Berlin Wall fell and the freedom for which the activists and refugees had abandoned their homes risked imprisonment sacrificed jobs family and friends was suddenly available to everyone But were they really free And why three decades since the Iron Curtain was torn down have so many sought once again to build walls Cinematically told *The Picnic* recovers a time when it seemed possible for the world to change With insight and panache Longo explores the opportunities taken and the opportunities we failed to take in that pivotal moment **The Fall** Steven Saxonberg,2017-07-05 With a foreword by Seymour Lipset Hoover Institution and George Mason University USAThe Fall examines one of the twentieth century s great historical puzzles why did the communist led regimes in Eastern Europe collapse so quickly and why was the process of collapse so different from

country to country This major study explains why the impetus for change in Poland and Hungary came from the regimes themselves while in Czechoslovakia and East Germany it was mass movements which led to the downfall of the regimes

Why Communism Did Not Collapse Martin K. Dimitrov, 2013-07-31 This volume brings together a distinguished group of scholars working to address the puzzling durability of communist autocracies in Eastern Europe and Asia which are the longest lasting type of non democratic regime to emerge after World War I The volume conceptualizes the communist universe as consisting of the ten regimes in Eastern Europe and Mongolia that eventually collapsed in 1989 91 and the five regimes that survived the fall of the Berlin Wall China Vietnam Laos North Korea and Cuba The essays offer a theoretical argument that emphasizes the importance of institutional adaptations as a foundation of communist resilience In particular the contributors focus on four adaptations of the economy of ideology of the mechanisms for inclusion of potential rivals and of the institutions of vertical and horizontal accountability The volume argues that when regimes are no longer able to implement adaptive change contingent leadership choices and contagion dynamics make collapse more likely Causes and Consequences of the Collapse of Communism in Eastern Europe Martyn C. Rady, 1995 From the CAUSES AND CONSEQUENCES series illustrated with colour and black and white photographs and artwork a look at the events leading up to the collapse of communism the reasons for its failure the era of glasnost and perestroika and looking at the realities of the post Cold War world A Dictionary of 20th-Century Communism Silvio Pons, Robert Service, 2022-04-12 An encyclopedic guide to 20th century communism around the world The first book of its kind to appear since the end of the Cold War this indispensable reference provides encyclopedic coverage of communism and its impact throughout the world in the 20th century With the opening of archives in former communist states scholars have found new material that has expanded and sometimes altered the understanding of communism as an ideological and political force A Dictionary of 20th Century Communism brings this scholarship to students teachers and scholars in related fields In more than 400 concise entries the book explains what communism was the forms it took and the enormous role it played in world history from the Russian Revolution through the collapse of the Soviet Union and beyond Examines the political intellectual and social influences of communism around the globe Features contributions from an international team of 160 scholars Includes more than 400 entries on major topics such as Figures Lenin Mao Stalin Ho Chi Minh Pol Pot Castro Gorbachev Events Cold War Prague Spring Cultural Revolution Sandinista Revolution Ideas and concepts Marxism Leninism cult of personality labor Organizations and movements KGB Comintern Gulag Khmer Rouge Related topics totalitarianism nationalism antifascism anticommunism McCarthyism Guides readers to further research through bibliographies cross references and an index

Communism: A Very Short Introduction Leslie Holmes, 2009-08-27 The collapse of communism was one of the most defining moments of the twentieth century This Very Short Introduction examines the history behind the political economic and social structures of communism as an ideology **Gorbachev-Yeltsin** Stuart A. Kallen, 1992 Examines the events in the

Soviet Union during the time of Gorbachev and Yeltsin including the failed coup of 1991 and the collapse of the Union itself

Rethinking Soviet Communism Peter Shearman, 2015-02-20 The Soviet Union and the communist ideology on which it was founded were central to a great number of people's lives and pivotal to international relations for decades most clearly in giving rise to the Cold War Soviet Communism provided an alternative path forward set apart from liberal capitalism and also from the various strands of fascism that took root in the early twentieth century and its legacy can still be felt across the contemporary globe This innovative analysis of Soviet Communism offers a fresh perspective on the Soviet Union's role in world politics by paying particular attention to the influence of Soviet ideology and the balance of power on different regions of the world including the West the Third World and the East European Soviet bloc A central theme of the book is the diverse effects nationalism had on the Soviet Union which the author argues not only played an important and often overlooked part in shaping Bolshevik policy but also contributed to the demise of Soviet Communism and the collapse of the USSR

Gorbachev And The End Of Communism Introduction

In today's digital age, the availability of Gorbachev And The End Of Communism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Gorbachev And The End Of Communism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Gorbachev And The End Of Communism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Gorbachev And The End Of Communism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Gorbachev And The End Of Communism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Gorbachev And The End Of Communism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Gorbachev And The End Of Communism books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Gorbachev And The End Of Communism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Gorbachev And The End Of Communism books and manuals for download and embark on your journey of knowledge?
