1985-1991 Robert Service,2015-11-10 On 26 December 1991 the hammer and sickle flag was lowered over the Kremlin for the last time Yet just six years earlier when Mikhail Gorbachev became general secretary of the Communist Party of the Soviet Union and chose Eduard Shevardnadze as his foreign minister the Cold War seemed like a permanent fixture in world politics Until its denouement no Western or Soviet politician foresaw that the standoff between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end within the lifetime of the current generation Nor was it at all obvious that that the Soviet political leadership would undertake a huge internal reform of the USSR or that the threat of a nuclear Armageddon could or would be peacefully wound down Drawing on pioneering archival research Robert Service s gripping investigation of the final years of the Cold War pinpoints the extraordinary relationships

between Ronald Reagan Gorbachev George Shultz and Shevardnadze who found ways to cooperate during times of exceptional change around the world A story of American pressure and Soviet long term decline and overstretch The End of the Cold War 1985 1991 shows how a small but skillful group of statesmen grew determined to end the Cold War on their watch and transformed the global political landscape irreversibly *Russian Leaders* Alexander Dragomiroff, 2002 Russian Leaders A Bibliography With Indexes **Bibliographie Internationale de Science Politique**, 1996 **The Fall of Soviet Communism, 1986-1991** Jeremy Smith, 2017-03-16 The fall of communism and the break up of the Soviet Union into 15 independent states in December 1991 was one of the most significant events of the 20th century In the last years of Soviet rule images of mass protests on the streets of Moscow Tbilisi and Vilnius bloodshed in Baku striking miners Mikhail Gorbachev wooing the West and Boris Yeltsin defiantly mounting a tank in front of the White House building in Moscow shattered all of the old certainties about the seemingly unbreakable communist system Gorbachev and Yeltsin were the dominant figures in this process but non Russian national movements workers intellectuals and international developments all had roles to play Jeremy Smith presents the dramatic events of 1985 91 in a clear and succinct form setting out a variety of interpretations for the demise of communism in the Soviet Union and suggesting new approaches to answering the unresolved question of why it happened Smith discusses the long term and short term factors behind the extraordinary collapse assessing the impact of economic crisis nationalism personalities and democratization in the process

Gorbachev's Glasnost Joseph Gibbs, 1999 In *Gorbachev's Glasnost The Soviet Media in the First Phase of Perestroika* author Joseph Gibbs traces the development of glasnost as both concept and policy from the Leninist idea of criticism and self criticism to Gorbachev's attempt to modernize and reinterpret that doctrine to fit his own political goals and aspirations BOOK JACKET *Air University Library Index to Military Periodicals*, 1994 **The Soviet Elite from Lenin to**

Gorbachev Evan Mawdsley, Stephen White, 2000-03-09 This ground breaking book examines the Soviet ruling elite over the entire period of Communist rule It serves as a collective biography of nearly two thousand people who served on the Communist Party's Central Committee from 1917 to 1991 The book is based on archival research only available after the collapse of communism and extensive interviews with former Central Committee members *Russian Orthodoxy, Nationalism and the Soviet State during the Gorbachev Years, 1985-1991* Sophie Kotzer, 2020-01-22 This book examines how the Russian Orthodox Church developed during the period of Gorbachev's rule in the Soviet Union a period characterised by perestroika reform and glasnost openness It charts how official Soviet policy towards religion in general and the Russian Orthodox Church changed with the Church enjoying significantly improved status It also discusses however how the improved relations between the Moscow Patriarchate and the state and the Patriarchate's support for Soviet foreign policy goals its close alignment with Russian nationalism and its role as a guardian of the Soviet Union's borders were not seen in a positive light by dissidents and by many ordinary believers who were disappointed by the church's failure in respect of its
