the war in Iraq this book provides a unique perspective on the evolution of post World War II American society politics and literature As Altman writes Difficult not to see in the results of the 2004 elections where the Republican right gained in both the White House and the Senate proof of Vidal s worse fears namely that the impact of imperial adventure big money and religious moralism would increasingly imperil the American Republic **Palimpsest** Gore Vidal,1996-09-01 This explosively entertaining memoir abounds in gossip satire historical aperçus and trenchant observations Vidal s compelling narrative weaves back and forth in time providing a whole view of the author s celebrated life from his birth in 1925 to today and features a cast of memorable characters including the Kennedy family Marlon Brando Anais Nin and Eleanor Roosevelt
