## **Gospel And The Briefcase:**

The Gospel and the Briefcase Ted DeMoss, Robert Tamasy, 1984-09 The art of presenting Christ to business and professional people     **The Triumph of the Gospel in the Sacristan's Home** Rev. Samuel Soto E, 2011-11-15 I have written my family's true story as a novel in order to help the reader understand the immense love God has for all of humanity. The story narrates my family's miraculous conversion to Christianity and the struggles we faced because of it. It also includes eyewitness accounts of the persecution experienced by the evangelical church in Colombia during the years 1948 through 1962. In the end, God's love reaches out and transforms the lives of even the most skeptical family members. God wants that nobody get lost but everybody repented to receive forgiveness of his or her sins and the gift of eternal life     Revelation Allen Daves, 2013-12-12 The book of Revelation offers us an interesting theological dilemma. It states Rev 22:16 'I, Jesus, have sent my angel to testify unto you these things in the churches.' Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ. If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel? If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously? However, this is the conundrum: if this is the gospel message then why do so few understand it? There is a possibility which few consider but is the overall thesis of this apology: The reason people don't understand Revelation is because they never understood what the gospel message was in the first place. In that case, where does that put those who claim it is not essential for salvation? Do you not find it quite curious that the most personally given NT book by Jesus himself is the least understood and given the least importance for salvation in Christendom? There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge. Most who profess the name of Christ are feeding on doctrines of devils and the ignorant. There are without question many qualified teachers and scholars with many years of dedication and solid education. However, teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind. And if the blind lead the blind both shall fall into the ditch     Under Their Very Eyes Deborah Meroff, 2016-01-15 From a brutal and impoverished background in Reading, England, Tom Hamblin became a believer as a teenager before serving as a missionary in the Far East. He and his wife Edna spent more than a decade leading expeditions into the heart of Borneo. Gradually they became convinced that the Lord was calling them to minister in the Arabic peninsula in particular to carry in thousands of Bibles in Arabic, Farsi, and Urdu. They conveyed shipment after shipment into this region never losing a copy and surmounting all restrictions. Customs guards turned a blind eye. Tom distributed Bibles very simply walking around with a bag and waiting for people to ask him what he was doing. The Islamic world is widely regarded as closed to the gospel but this is untrue. Tom discovered an extensive network of believers, very few churches but many clandestine meetings for worship and a huge hunger for truth     The Gospel According to Flannery O'Connor Jordan

Cofer,2014-04-24 Jordan Cofer examines the influence of the Bible upon Flannery O Connor s fiction While there are many studies exploring how her Catholicism affected her fiction this book argues that O Connor is heavily influenced by the Bible itself Specifically it explicates the largely undocumented ways in which she used the Bible as source material for her work It also shows that rhetorically many of O Connor s stories and or characters are based upon biblical models Furthermore Cofer explains how O Connor s stories engage their biblical analogues in unusual unexpected and sometimes grotesque ways as her stories manage to convey essentially the same message as their biblical counterparts Throughout O Connor s work there are significant biblical allusions which have been neglected or previously undiscovered This book acknowledges her biblical source material so readers can understand the impact it had on her fiction Cofer argues that readers can better appreciate her work by examining how her stories are often grounded in specific biblical texts which she similarly distorts exaggerates and subverts in order to shock and teach readers Simply put O Connor doesn t merely reference these biblical stories she rewrites them

*The Gospel from Patmos* Jon Paulien,2007 *Engaging the Word* Jaime Clark-Soules,2010-01-01 This book is a welcome accompaniment to college and seminary courses but equally helpful to any who want to read the Christian Scriptures or the latest bestseller on them with a sharp yet appreciative eye Susan R Garrett Professor of New Testament Louisville Presbyterian Theological Seminary Academic study of the New Testament and its origins often prompts Christians to rethink their assumptions about the Bible and how it matters for their

lives But out of these experiences can emerge a more robust and responsible understanding of Scripture Jaime Clark Soles knows all this very well she is a hospitable and lively guide into the most crucial big issues that students must consider as they seek to engage the New Testament deeply with their hearts souls and minds Matthew L Skinner Associate Professor of New Testament Luther Seminary Most Christians and many new students are unaware of the doctrinal debates taking place within the religious academic community Clark Soles invites us to find common ground by considering the various debates the reasons they persist the implications of each and how they pertain to Christian identity and faith within the larger contemporary culture

**Imagining' Biblical Worlds** David M. Gunn, Paula McNutt, 2002-12-01 The essays in this volume address the interface between biblical studies archaeology sociology and cultural anthropology celebrating the pioneering work of James Flanagan In particular this collection explores various ways in which the real ancient world is constructed by the modern critical reader with the aid of various theoretical and practical tools The contributors to this volume have all been involved with Flanagan and his projects during his academic career and the essays carry forward the important interdisciplinary agendas he has encouraged Part One deals with his recent interest in spatiality and Part Two with social and historical constructs This book in James Flanagan s honour represents a significant statement of research in an area of biblical and historical research that is increasingly important yet surprisingly under represented

**Another Jesus, a Different Spirit, a Different Gospel** Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book Acts 29 W.

Douglas Cowie,2015-02 What would it be like if the Book of Acts wasn't finished It would be something like the dynamic life and ministry of Peter Hakim Hosein who touched the Caribbean and elsewhere in the Western World with the power of the Holy Spirit During his time of grief over the loss of a three year old son Hosein's father promised the God he himself had never met personally that he would dedicate his next born son to His full time service

**Sermons of Arthur C. McGill** Arthur C. McGill,2007-01-01 Throughout the 1960s and 1970s Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom We are now fortunate some twenty five years after his death to have seventeen sermons brought to us by the aid of his wife Lucille McGill and editor David Cain University of Mary Washington These homilies reveal the core themes that distinguish his theological writings relaxing in our neediness before God participating in the death to life pattern of self expenditure and rooting our hope in the unique power of Christ The collection culminates with what Cain notes as McGill's signature sermon on The Good Samaritan wherein we see that the reception of grace always precedes the extension of grace In addressing day to day issues such as possessions speech loneliness and anger McGill is both prophetic and pastoral He does not hesitate to say that the wickedness of Nineveh alas is the wickedness of the United States At the same time he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability

**The Santiago Gospel** Anthony Element,2010-08 997AD When Garrick son of a Saxon Eorl leads a tiny band of pilgrims on a dangerous journey across Spain to Santiago de Compostela he is caught up in the political intrigues of the medieval Catholic church and a Moorish invasion TO save himself he must first save a city a priceless relic and the woman he loves 2009AD Alex Tanner a traumatized ex SAS soldier seeking redemption on the same journey a thousand years later discovers a secret that could change the world Two stories linked by a lost document that will shake the very foundations of Christianity

The Israel of God Samuel Greene,2012-05 According to the Bible who really is the Israel of God Galatians 6:16 The name Israel was first mentioned in Genesis 32 when Jacob wrestled with the Lord and the Lord said to Jacob Thy name shall be called no more Jacob but Israel for as a prince hast thou power with God and with men and hast prevailed Genesis 32:28 Jacob had a character change He went from a deceiver supplanter and trickster to a prince with God and a champion of God Therefore Israel is a spiritual term

that lies deep in the heart of God that defines His changed people They are God s holy people made up of every tribe tongue and nation who have been washed in the blood of Jesus and now have been transformed into the sons of the Living God This revelation is a must for all believers because this is God s promise for His people This is His emphasis in the last days He died to deliver us from the Law which envelops all of Jewish tradition customs and ordinances which gendereth to bondage Galatians 4 24 For through Jesus there is neither Jew nor Greek and we now are all God s new creation created in Christ Jesus This is the Israel of God     The Branch Exposition of the Bible, Volume 1 Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture     *Wiersbe Bible Commentary NT* Warren W.
