Gospel And The New Spirituality:

The Gospel and the New Spirituality Charles Strohmer, 1996 Strohmer takes an in depth look at the New Spirituality including the intellectual and spiritual dynamics of New Agers that block Christian communication This groundbreaking book will help Christians understand the elements of the New Spirituality and give them practical help for communicating effectively with non Christian spiritual seekers Includes a glossary of New Spirituality terms The Making of the New Spirituality James A. Herrick, 2004-12-02 James A Herrick offers an intellectual history of the New Religious Synthesis examining the challenges it poses to Judeo Christian tradition demonstrating its sources and manifestations in contemporary culture and questioning its acceptance in church and society *The Spirituality of the Gospels* Stephen C. Barton, 2006-09-06 Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels central often enigmatic figure And yet despite the bewildering variety of scholarly approaches few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers That is the aim of this important new book to help today s readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality Written in a clear non technical style the fresh perspectives this work presents will open new vistas on the familiar stories about the life teaching and ultimate significance of Jesus

Exploring the Spirituality of the Gospels Patrick J. Hartin, 2011-05-01 Within each of the four gospels there is a foundational spirit a spirituality of the gospels That is to say each gospel contains rich images and values central to the Vision of the person of Jesus and to the path toward spiritual transformation in his image In this volume Patrick Hartin first looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin then follows with examples of people who have appropriated the transformative power of these particular spiritualities from Saint Antony and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and Vision

Bock, Gary M. Burge, Ajith Fernando, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

The Gospel of John and the Other Three Gospels Rudolf Steiner, 2025-05-19 What is the Christ event? It is a confluence of all preceding philosophies and religious streams of humanity united in Palestine, and they were expressed in the Gospels according to the different types of initiation of the one or other Evangelist. Rudolf Steiner, speaking two years after his main lecture course on the Gospel of John, discusses initiation traditions in the course of human history and how the Christ Event unified them all in particular those connected to the Western and Eastern mysteries. In addition to esoteric interpretations of passages in the Gospels, Steiner also presents many new and complementary insights on the world-historic significance of Christ's mission, including his initial reference to the Second Coming in the etheric realm. Dense in content, these thirteen lectures delivered to an audience at the Royal Swedish Academy of Science, Stockholm, enrich our understanding of Rudolf Steiner's Christology. Only recently published in German and here in English for the first time, the lectures are accompanied with an introduction by Hans Christian Zehner, an appendix of photos and facsimiles, extensive notes, and an index. The voice rose and the speaking took on a more rapid tempo while it flowed without stopping in perfectly formed beautiful sentences as only a born speaker can produce. From a contemporary newspaper review: Thirteen lectures, Stockholm, Jan 1910. GA 117a.

Herald of Gospel Liberty Elias Smith, 1909 *Spirituality of the Gospels* Patrick J. Hartin, 2025-01-15 Within each of the four gospels, there is a foundational spirit, a rich spirituality based on each gospel's unique understanding of Jesus and what it means to be his disciple. In this study, Fr. Patrick Hartin looks at each gospel and asks such questions as: Who is Jesus? and What transformation does this encounter with Jesus invite? Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities, from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero. Hartin's twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision. Commentary, study, and reflection questions, prayers, and access to online lectures are included. 6 lessons.

Beyond the Noise of Solemn Assemblies Richard Allen, 2019-01-15 Since the 1970s, Richard Allen's scholarship on the

social gospel has broken new ground in the field of Canadian social and religious history by recovering key aspects of the tradition and its contribution to reform movements and politics *Beyond the Noise of Solemn Assemblies* collects and extends many of his classic works to present a comprehensive overview of a major thread in the fabric of the country Observing the mutual foundations of political and religious traditions in myth and arguing that the sacred and the secular belong together in discussions of public affairs Allen contests the view that religion is personal and isolated from the public square He discusses a range of topics the transition from providential to progressive thought in nineteenth century Canada the new spirituality of social solidarity articulated by Winnipeg college students in the 1890s the role of the social gospel in pioneering urban reform farmers and workers finding in radical Christianity legitimation for political revolt Christian intellectuals in the 1930s framing a revolutionary prospectus for Depression era Canada the significance of Norman Bethune's religious upbringing for his life and work strategically focused post war ecumenical coalitions like Project North and the Latin American Working Group and the prospects for democratic socialism at the end of the Cold War Opening with a chapter relating the author's upbringing in a ministerial household dedicated to the Protestant ethic as the spirit of socialism *Beyond the Noise of Solemn Assemblies* represents a significant contribution to understanding the social Christian movement in Canada

The Nexus Jon H. Widener M.D., 2017-06-28 The Nexus so named because of the operational intersection or Nexus of faith and culture is an alphabetized manual of cultural artifacts of significance to Christians In *The Nexus* Jon Widener observes how Christianity has lost many battles over the years and how the evangelical community has been fraught with endemic anti intellectualism He sees an evangelical insularity taking the form of retreat and retrenchment from the comings and goings of the larger society Dr Widener proposes that modern Christian believers correct these deficits by exercising the exhortation of I Pet 3 15 KJV to always be prepared to give an answer to every man that asketh you a reason of the hope that is in you Believers should educate themselves on culturally relevant issues where there are questions of Christian morality This is the burden and purpose of the book Accordingly the standard for inclusion is straight forward If the topic is culturally encountered and has moral implications then it meets the threshold standard for inclusion in the work

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels

because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

Hildegard of Bingen, Gospel Interpreter Beverly Mayne Kienzle, 2020-11-24 In Hildegard of Bingen Gospel Interpreter Beverly Mayne Kienzle presents and acquaints readers with Hildegard s fifty eight Homilies on the Gospels a dazzling summa of her theology and the culmination of her visionary insight and scriptural knowledge Part one probes how a twelfth century woman became the only known female Gospel interpreter of the Middle Ages It includes an examination of Hildegard s epistemology how she received her basic theological education and how she extended her knowledge through divine revelations and intellectual exchange with her monastic network Part two expounds on several of Hildegard s homilies elucidating the theological brilliance that emanates from the creative exegesis she shapes to develop profound interweaving themes Hildegard eschewed the linear repetitive explanations of her predecessors and created an organically coherent body of thought rich with interconnected spiritual symbols Part three deals with the wide ranging reception of Hildegard s works and her inspiring legacy extending from theology to medicine Her prophetic voice resounds in the morally urgent areas of creation theology and the corruption of church and political leadership Hildegard decries human disregard for the earth and its lust for power Instead she advocates the unifying capacity of nature viridity that fosters the interconnectedness of all creation

The Spirit of the Age John V. Fesko, 2017-10-16 In 1903 the Presbyterian Church in the United States of America revised the Westminster Confession of Faith because they thought it was deficient regarding the Holy Spirit In *The Spirit of the Age* J V Fesko explores the differences between the pre Enlightenment theology that formed the original Westminster Confession and the post Enlightenment theology that called for its revision This study reveals that the pneumatology of the original Westminster Confession is marked by catholicity whereas the revisions of 1903 represent a doctrine of the Holy Spirit that departed from the common Christianity of the ages It also reveals that some of the underlying issues linked to the 1903 revisions are still alive today even among Presbyterian fellowships that refused to adopt the twentieth century revisions to the Westminster Confession Gospel Herald ,1923

Gospel its own witness-controversial publications Andrew Fuller, 1845 Hidden Gospels Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity *People's Commentary on the Gospel According to John* Edwin Wilbur Rice, 1893

Understanding the Jewish Roots of Christianity Gerald McDermott, 2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity *Understanding the Jewish Roots of Christianity* advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from

Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate
