Turning Everyday Conversations into Gospel Conversations

Jimmy Scroggins, Steve Wright, Bennett Leslee, 2016-11-01 We live in a broken world And the gospel is how God puts broken people back together again Once we repent and believe in Jesus God's Spirit helps us recover and pursue His design God is the one who created the world and every human being in it Authors Jimmy Scroggins and Steve Wright outline a reproducible method of sharing the gospel that has been tested in the real world Turning Everyday Conversations Into Gospel Conversations is a simple strategy to train new and seasoned believers to join God in His reconciliation work Turning Everyday Conversations Into Gospel Conversations equips believers to use the innovative 3 Circles a user friendly evangelistic tool for a new generation Scroggins and Wright train readers to incorporate the biblical metanarrative as well as our own personal stories to tell the good news that Jesus has made a way out of the broken places we find ourselves Churches around the world are training people to share the gospel using this method It has proven appeal across generations and cultures They've heard stories about an 8 year old boy leading his 26 year old cousin to repent and believe in Jesus and a 70 plus year old church member who had never before shared his faith leading his Spanish speaking neighbor to Christ It's been used to train the Mixtec in Mexico Maasai Warriors in Kenya and prisoners in America It's been presented on napkins in concrete in the sand and using tortillas The 3 Circles work and this book will train you and your church members to use it It doesn't matter if you have been a Christian for decades or days you can learn to do what God asks us to do to make His appeal to others through us 2 Cor 5:20 This short training manual will empower and inspire millions of Christians to turn hundreds of millions of everyday conversations into gospel conversations *Gospel-conversation ... Being the third book [of Burrough's works] published by Thomas Goodwyn, William Greenhil, Sydrach Simpson [and others], etc* Jeremiah BURROUGHS (Puritan Divine.), 1650 *The Practical Art of Spiritual Conversation* James Harrison Shultz, David Rogers, 2021-03-31 The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ **The Gospel**

Conversation Sam Greer, 2017-11-07 Engaging in a gospel conversation is work but it works and it's worth it. Casual conversations are the gateway to gospel conversations. Jesus talked to people. Jesus called his followers to talk to people. In the early church, followers of Jesus couldn't help but speak in and about the name of Jesus. In the modern church, too many followers of Jesus don't talk about Him at all. Why are believers in the local church not talking to their family, friends, or each other about Christ? The Gospel Conversation answers the following questions: Why should followers of Jesus be engaging in gospel conversations? What does engaging the lost look like in everyday life? How can we connect people to Jesus one conversation at a time? In *The Gospel Conversation*, Sam Greer provides a biblical, intentional, and practical approach to engaging the lost in everyday life. By unpacking a conversation that Paul had with Philemon and through his own personal gospel conversations, Sam provides powerful and practical insight to help every Christ follower start gospel conversations.

The Gospel Conversational Church Sam Greer, 2019-12-16 *The Gospel Conversational Church* was written for the purpose of helping churches cultivate a gospel conversational culture. A two-fold strategy was used to accomplish this purpose: 1. Prophetic inspiration from the Word of God was expounded in order to answer the question of why we should cultivate a gospel conversational culture, and 2. practical insights on how to cultivate such a culture were espoused. *The Gospel Conversational Church* was written for the local church and to the local church. The book is written in such a way where pastors and leaders can use it as a training tool. Yet small groups can use it as a way to study a local church's responsibility to fulfill the Great Commission.

Conversations John Vaughn, 2021-11 John C. Vaughn is an author, evangelist, veteran pastor, and chaplain. In this present age of Zoom meetings, texting, and social media, it seems the rising generation has largely forgotten the art of in-person conversation, particularly gospel conversation. Written in a storyteller's style, Vaughn recounts some fascinating conversations with various individuals from every walk of life. Whether it's a childhood friend, an unsaved brother, an angry man with a loaded pistol, a world-renowned scientist, or a soldier with only hours to live, you'll not only find these conversations thoroughly interesting but wonderfully instructive.

Expository notes, with practical observations, on the New Testament William Burkitt, 1832 **Sending Well** Dino Senesi, 2017-12-01 *Sending Well: A Field Guide to Great Church Planter Coaching* gives practical steps for creating a system that delivers great coaching to church planters. Whether you are coaching planters or attempting to develop coaches for multiple planters, this book will help you. *Sending Well* helps coaches and leaders enhance their coaching efforts in three parts: Part One: Build a Coaching Framework. Coaching is a vehicle to help church planters pursue their unique Kingdom assignment. Building a coaching framework is crucial to this assignment. Church planter coaches and the planters they coach must have the same purposes in mind. Building a framework helps ensure this will be the case. Part Two: Develop Great Coaches. Great coaches are made, not born; they are developed. *Sending Well* creates simple targets for coaches who want to move from good enough to great. Part Three: Deliver Great Coaching. The meaning of the word coach must evolve from training to action. Coach is a verb and supporting church planters.

Rainer, 2022 Discover a Natural Way to Share the Love of Christ Think about an incredibly joyful event in your life Perhaps you got a job you desperately wanted or you were really proud of something you made Do you remember how you couldn't wait to talk about it You were willing and eager to have a conversation about it with anyone who would listen Why doesn't our excitement for Jesus overflow from our lives in a similar and natural way In this book Thom Rainer explores what makes so many Christians hesitant to talk about the greatest news the world has ever heard There are real obstacles challenges and fears but God is bigger and stronger than these hurdles His compassion extends to all who wander and He wants to show them His love through the lives of His people With this helpful guide you will Discover why it is so difficult to share the greatest news in the world Identify common objections that are difficult to answer and learn how to respond to them gracefully Learn about the three biggest barriers to talking to your friends and neighbors about the gospel and how to bypass those obstacles See how God loves to work through our lives to draw others to Himself *An Exposition of the New Testament ... By John Gill. [Edited by David A. Doudney. With a Portrait.]*, 1853 **An Exposition of the New Testament, etc** John GILL (D.D., Baptist Minister, at Horsley Down.), 1809 Watch Rick James, 2017 To be asleep is to be oblivious to being oblivious The danger of sleep is the danger of carbon monoxide it's colorless and odorless and you're anesthetized before you know it before you ever hit the floor And for the follower of Jesus it's just as dangerous because the Christian who is asleep is spiritually unreceptive If anything will be our undoing sleep will In this thoughtful engaging challenging book Rick James dives deep into the New Testament's teachings on spiritual wakefulness calling Christ followers to defy the darkness and remain awake as they await Christ's return Because being awake continually in prayer watchful for God's will expectant of open doors cautious of sin desiring to serve eager to repent continuously giving thanks willing to witness embracing of humility overflowing with kindness persevering in obedience changes everything
