## **Gospel Truths:**

Rock Solid Tim Thornborough, Trevor Archer, 2009-04-01 Helps us get to grips with 12 great truths that form the core of what it means to be an evangelical Christian Rock Solid aims to help us get to grips with Christian truth and helps us to see that these truths are not just for knowing in our minds but for acting upon in our day to day lives If faith is not lived out it is worth nothing This book explains and clarifies these important and powerful doctrines or themes of the Bible so that we might have the comfort and assurance that comes from them and so that we can make our life decisions by them Each chapter focuses on one of these truths and includes a short Bible study and discussion questions aimed at stimulating our thinking and encouraging our action Brief contemporary stories are also included to show how these particular truths have been used by God either to bring men and women to Christ or to teach them something of His ways in their lives This is primarily a book to be worked through It is written in the hope that it will not simply be read straight through but in men s or women s groups or informal small groups it will be used as a means of getting a clear hold on the truths that define who we are as followers of Christ
