Victor Fung,Lisa J. Lehmberg,2016 *Music for Life* Music Participation and Quality of Life of Senior Citizens presents a fresh new exploration of the impact of musical experiences on the quality of life of senior citizens and charts a new direction in the facilitation of the musical lives of people of all ages Authors Fung and Lehmberg clearly define the issues

surrounding music education music participation quality of life and senior citizens discussing the most relevant research from the fields of music education adult learning lifelong learning gerontology medicine music therapy and interdisciplinary studies At the heart of the book is Evergreen Town a retirement community in the southeastern U S A that serves as the backdrop for three original research studies The first of these is in two phases a survey and a focus group interview that examines the histories and rationales for the music participations and non participations of community residents The second and third case studies take an in depth look at a church choir and a bluegrass group two prominent musical groups in the community and include the perspectives of the authors themselves as group members and participant observers Fung and Lehmberg conclude with a challenge for the profession of music education to act on this research and on the current advances in the field to enable all people to benefit from the richness of music as a substantial contributor to quality of life

**Reforming Music** Chiara Bertoglio, 2017-03-06 Five hundred years ago a monk nailed his theses to a church gate in Wittenberg The sound of Luther s mythical hammer however was by no means the only aural manifestation of the religious Reformations This book describes the birth of Lutheran Chorales and Calvinist Psalmody of how music was practised by Catholic nuns Lutheran schoolchildren battling Huguenots missionaries and martyrs cardinals at Trent and heretics in hiding at a time when Palestrina Lasso and Tallis were composing their masterpieces and forbidden songs were concealed smuggled and sung in taverns and princely courts alike Music expressed faith in the Evangelicals emerging worships and in the Catholics ancient rites through it new beliefs were spread and heresy countered analysed by humanist theorists it comforted and consoled miners housewives and persecuted preachers it was both the symbol of new conflicting identities and the only surviving trace of a lost unity of faith The music of the Reformations thus was music reformed music reforming and the reform of music this book shows what the Reformations sounded like and how music became one of the protagonists in the religious conflicts of the sixteenth century **Paperbound Books in Print 1995** Reed Reference Publishing, R5ference
