## **Gospels In Study Preaching Trinity 19:**

The Living Church ,1944      **The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel** Charles Nathan Ridlehoover,2019-12-26 Charles Nathan Ridlehoover examines the Lord s Prayer in Matthew s Gospel focusing on the prayer s centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord s Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through which disciples of Jesus are empowered to live out the kingdom righteousness it defines In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord s Prayer might look like in the life of the disciple of Jesus Whilst the centrality of the Lord s Prayer has been noted by previous commentators this centrality and its intended purpose has not hitherto been defined or examined in great depth Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will forgiveness and evil petitions and the relevance of word and deed for hearers and doers Ridlehoover s examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality      **The Son of David (A 10-week Bible Study)** Nancy Guthrie,2013-06-30 A lot of people want to study the Old Testament but don t know how or don t understand why it s relevant to Christian life The third book in the Seeing Jesus in the Old Testament series is the ideal solution as it leads readers in a Christ centered study of the Old Testament history books from Joshua to Esther Through 10 weeks of guided study participants will explore the story of the nation of Israel from their entrance into the Promised Land under Joshua through their eventual exile under the leadership of Israel s rebellious kings Bible teacher Nancy Guthrie shows the Bible s teaching on the true source of courage the ultimate anchor of confidence and the sure antidote to corruption helping readers see Jesus the ultimate Son of David Now also available as a pack of ten and specially discounted for Bible study groups      **Basis of Preaching Biblical Message: Preach the Word** Rev Dr koningthung Ngoru Moyon,2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop

your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book *The NASB, MacArthur Study Bible* Thomas Nelson,2013-11-05 A classic resource The MacArthur Study Bible is perfect for serious study Dr John MacArthur has collected his pastoral and scholarly work of more than 35 years to create the most comprehensive study Bible available No other study Bible does such a thorough job of explaining the historical context unfolding the meaning of the text and making it practical for your life Features include 125 page concordance including people and places More than 20 000 study notes charts maps outlines and articles from Dr John MacArthur Overview of Theology Index to Key Bible Doctrines Part of the Signature Series line of Thomas Nelson Bibles MacArthur Study Bibles sold to date More than 1 8 million **The Sermon on the Mount and the Ewes of Ghana** Frederick Mawusi Amevenku,2023-11-07 Using socio rhetorical interpretation to study Matthew s Sermon on the Mount the book explores the contextual interpretation of the sermon among the Ghana Ewe The book argues that the Sermon on the Mount can be viewed as Jesus new kingdom gospel and a reinterpretation of the Mosaic law teaching not only ethics but also kingdom appropriate righteousness for theological and ethical renewal Kingdom appropriate righteousness is nurtured through daily exchanges with God leading to habitual forgiveness and subsequent divine perfection of love for God and one s enemies In the contemporary context kingdom appropriate righteousness challenges the deficient compulsory wealth prosperity gospel Christianity that is promoted in contemporary Ghana and elsewhere *The Nonviolent Messiah* Simon J. Joseph,2014 When scholars have set Jesus against various conceptions of the messiah and other reemptive figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth s relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus own self understanding *Bringing the Word to Life* Richard Ward,Richard F. Ward,David Trobisch,2013-04-27 The New Testament books were written to be read aloud The original audiences of these texts would have been unfamiliar with our current practice of reading silently and processing with our eyes rather than our ears so we can learn much about the New Testament through performing it ourselves Richard Ward and David Trobisch are here to help Bringing the Word to Life walks the reader through what we know about the culture of performance in the first and second centuries what it took to

perform an early New Testament manuscript the benefits of performance for teaching and practical suggestions for exploring New Testament texts through performance today      **Words Well Spoken** Carl Clifton Black, Duane Frederick Watson, 2008 It has been more than two decades since the publication of George Kennedy's influential New Testament Interpretation Through Rhetorical Criticism 1984 The essays in Words Well Spoken demonstrate the influence of Kennedy's work on New Testament studies The essays offer applications of his method to canonical New Testament books and provide more general discussions of rhetorical analysis Kennedy's thoughtful response articulates his present thinking about the New Testament and demonstrates why this scholar continues to be of such value to New Testament studies      **Fortress Commentary on the Bible** Margaret Aymer, Cynthia Briggs Kittredge, David A. Sánchez, 2014-10-01 The Fortress Commentary on the New Testament presents a balanced synthesis of current scholarship The contributors bring a rich diversity of perspectives to the task of connecting solid historical critical analysis of Scripture with sensitivity to theological cultural and interpretive issues arising in our encounter with the text The volume includes introductory articles section introductions and individual book articles that explore key sense units through three lenses The Text in Its Ancient Context The Text in the Interpretive Tradition The Text in Contemporary Discussion Comprehensive and useful for preaching teaching and research      **A Trinitarian Theology of Nature** Lisanne Winslow, 2020-03-20 In its attempt to ascertain the mechanisms of nature contemporary science seems to be generating unanswerable questions One way forward might be by appealing to a theistic metaphysics of the fundamental workings in natural science Moving beyond Barth's objection to natural theology this work arrives at some of Emil Brunner's exegetical insights indicating that nature is divine communication This communication and revelation is understood through natural types or onto types building upon the insights of Jonathan Edwards Edwards proposed messages in nature as a language of God intending to convey spiritual biblical and theological messages to the creature as part of God's end in creating Edwards's insights are brought forth to determine the usefulness of his typological method all the way down to cellular and molecular mechanisms Edwards also proposed that God's acting in nature reflects the Trinitarian God of the Christian faith Therefore a Trinitarian theology of Nature composing a Theology of Nature a Christology of Nature and a Pneumatology of Nature explores how each divine person of the Godhead acts in perichoretic unity in the world we encounter God's Trinitarian powerful and magnificent glory is not merely displayed by what has been made but is also intimately shared in a gospel of nature      **Church and Chronicle in the Middle Ages** Ian Wood, 1990-07-01 Church and Chronicle in the Middle Ages is a collection of essays presented to John Taylor former Life Fellow and medieval scholar at the University of Leeds The essays in the volume have two clear foci also those of John Taylor's own work the study of history writing in the middle ages and the late medieval church With contributions key scholars on topics such as the hagiography of Saint Wandrille Swein Forkbeard and the historians personal seals in 13th century England women in the Plumpton Correspondence and medievalism in counter reformation Sicily this volume is a rich and varied

collection of medieval scholarship and a fitting tribute to Taylor s work from his friends and colleagues

**Bible Basics**

Duncan Heaster,2011-01-05 Bible Basics is a detailed study of basic Biblical doctrines and teachings It s a self study guide with questions at the end of each of the 11 sections It s designed to go through the basic message of the Bible from start to finish Bible Basics is a positive presentation of the Gospel but there are digressions to discuss difficult Bible passages and to demonstrate that many confusing doctrines such as the Trinity immortal soul and infant sprinkling are not Biblical nor strictly Christian but instead merely the creation of mainstream church theologians The book presents Biblical Christianity Duncan Heaster is a Christadelphian and the book is also a summary of the doctrines of the Christadelphian faith The Christadelphian church uses the book as a standard reference

Wilson,2022-11-29 What was the original purpose of the Gospel of Matthew For whom was it written In this magisterial two volume commentary Walter Wilson interprets Matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected Jewish followers of Jesus in the late first century CE Wilson s compelling thesis frames Matthew s Gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority Thus the text clarifies Jesus s essential Jewish character as the Son of David while also portraying him in opposition to prominent religious leaders of his day most notably the Pharisees and open to cordial association with non Jews Through meticulous engagement with the Greek text of the Gospel as well as relevant primary sources and secondary literature Wilson offers a wealth of insight into the first book of the New Testament After an introduction exploring the background of the text its genre and literary features and its theological orientation Wilson explicates each passage of the Gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology Scholars students pastors and all readers interested in what makes the Gospel of Matthew distinctive among the Synoptics will appreciate and benefit from Wilson s deep contextualization of the text informed by his years of studying the New Testament and Christian origins      *The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church* Cletus L. Hull,2018-10-18 The cross of Christ crucified symbolized the central theme of Paul s ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1 18 NRSV The proposal for this paper utilizes the method analogia scripturae Set within the wisdom motif of the Greco Roman world this study is dedicated to the examination of the apostle s Christology in the context of 1 Cor 1 18 25 and the pneumatology in 1 Cor 2 9 16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their

pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the apostle s pneumatological contribution of the cross and Christ crucified 1 Cor 1 18 2 2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture
