The World's Must See Places takes you on a tour of over 100 of the world's greatest sights. In true DK Eyewitness Travel Guide style, each page of the book will show you what other books only tell you with unique 3D cutaway artworks that let you look inside each building as if you were there. Each featured sight has been selected for its uniqueness or its historical or architectural importance, and many are included on UNESCO's list of World Heritage Sites. Situated across the five continents, the sights include iconic landmarks such as Chartres Cathedral and Sydney Opera House, and lesser-known gems including the Kairouan Mosque in Tunisia and the Toshogu Shrine in Japan. In addition to engaging text that describes each sight, sidebars and text panels cover topics such as the architectural style of the building, the architect and his works, or historic events or people that shaped the building as we know it today. This book will not only inspire readers to visit some of the featured sights but will also appeal to armchair travelers who prefer to view the sights from the comfort of their own home.

Bordeaux Robert M. Parker, 2013-02-05 With this fourth edition of the classic that launched his career, Parker strives to maintain his unprecedented independence, objectivity, clarity, and enthusiasm in reporting on the vintages of Bordeaux. Parker has not only added tastings for the vintages in the intervening years since the last edition but he has also retasted and reevaluated a majority of the earlier vintages. His accessible and direct style welcomes both the seasoned wine collector and the eager beginner to the pleasures of fine wine and France's most illustrious chateau. Organized by appellation, Bordeaux moves alphabetically from one producer to the next, providing essential information and an overview of the property and its owners. Parker then lists each vintage and includes numerical ratings and detailed tasting notes for most of that chateau's wines. At the end of each tasting note, Parker estimates the anticipated maturity, the range of time when the wine should peak in flavor and balance, and each entry concludes with a summary of the chateau's earlier vintages. Hailed by The New York Times as the critic who matters most, Robert Parker's Bordeaux is the most complete consumer's guide to the wines of Bordeaux ever written.
