Gotta Minute The Ultimate Guide Of 1 Minute Workouts For Anyone Anywhere Anytime:

Gotta Minute? Bonnie Nygard, Bonnie Hopper, 2000 Tired of being out of shape but don't have the time or energy to do anything about it? If your answer is yes, this book can help you find the time to feel better, look better, and have more energy to enjoy life. One minute at a time.

Gotta Minute? the ABC's of Successful Living Tom Massey, 2010 The book market is saturated with guides on how to live more successfully. Many require the reader to wade through a myriad of lengthy philosophical beliefs and principles. All too often well-meaning readers buy these books with every intention of absorbing all the bits of wisdom inside. Unfortunately, many don't have time to really study such books, let alone extract basic daily living guidelines. Tom Massey has written a simple book, *The ABC's of Successful Living*, that cuts to the chase. It is an easy read. Pick it up and you may find yourself motivated to read it from cover to cover in one sitting. Or it may be easier to read whenever you want a spiritual pick-me-up. This book is a true blessing. In relatively few pages, it covers a broad spectrum of practical advice and affirmations for improving your life, for transforming your perspectives on living and being. Use only part of this book, and you'll find yourself entering a new level of conscious awareness; use it all, and you'll learn that the true secrets of life and universal knowing are essentially simple. This is a very simple book with the power to change your life. It's just that simple.

Gotta Minute? the ABC's of Total Health Tom Massey, 2010 *Practical Tips for Abundant Living: The ABC's of Total Health* is a sweet stroll that serves up bounteous gladness, encouragement, and rightness. Take these words of divinity to heart, paired alphabetically, one word for each week of the year. Breathe in and liberally apply their soft, smooth, and empowering wisdom. You may soon discover a heightened, enlightened balance of body, mind, and spirit. You may discover a harmonizing flow, an energizing glow. Dazzling and soothing, introspective and stimulating, *Practical Tips for Abundant Living* affirms the power that we all possess and always have. Who could ask for anything more? Dr. Tom Massey's power book marries brain trust with heart intelligence, gracefully aligned on a clean, green highway of optimal health, wellness, and well-being. Take this journey, drink in every atmospheric aroma. At the end of the year, feel free to start anew. Just don't go too fast. Feel free to really create, assimilate, and sometimes just play.

Taming Your Inner Brat Pauline Wallin, 2012-06-12 I can't believe I did that. What was I thinking? We've all got one: an inner brat that compels us to grab one more cookie or throw a hissy fit over a minor irritation. This inner brat can wreak havoc at work, in relationships, and with our self-esteem. With humor and kindness, *Taming Your Inner Brat* gives you specific strategies to bring your attitudes and bratty behaviors under control. You can learn to deal with any situation in a productive, adult manner. By teaching you how to recognize your inner brat, psychologist Pauline Wallin, Ph.D., helps you bring problems into manageable perspective and make changes that last. Which leaves just one question answered in this new edition: Now that I've tamed my own inner brat, what do I do about people who haven't tamed theirs?

It's More Than Just Making Them Sweat Ed Thornton, 2010 *It's More Than Just Making Them Sweat* carves out a unique niche in the field of fitness publishing. No other book in this genre addresses more thoroughly the

psychological factors of motivating clients and the how to aspects of starting up and promoting a personal training business No longer are personal trainers to be seen as glorified spotters just biding their time until the next career move They are qualified health professionals who design and monitor the exercise programs that improve peoples lives and health The goal of this book is to promote a more reverent view of personal trainers The ABC's of Effective Leadership Tom Massey,2010 The ABC s of Effective Leadership provides insights and practical tools that will enable those in leadership positions to improve their performance accelerate process development and succeed in a world that is constantly changing It will help leaders bring out the best in people whether they work in corporations educational institutions government offices small businesses churches or other not for profit groups An effective leader is someone who stands out from the crowd challenging the status quo and doing the unexpected in search of new directions They are catalysts for change by pushing the envelope and challenging others to think outside the box Effective leaders are trustworthy individuals who lead by example and deliver on their promises They treat people with respect and fairness They get things done efficiently through their influence and are able to convey a compelling vision of the future If you are ready to bring changes in attitude creativity buy in and commitment to your business this book will benefit you It follows a simple ABC format Each letter of the alphabet is represented by two words Each word 52 in all is presented as a weekly tip for improving effective leadership skills Each weekly tip includes a brief narrative or story a practical application and a daily affirmation For example here are the affirmations from the sections for the letters A and B Acknowledgement Everyone wants to feel important I acknowledge others and make them feel important to me by giving them the gifts of time and attention Adversity Struggle gives birth to progress I become better each day in every way by treating adversity in my life and others as opportunities to grow in strength and wisdom Become the change you wish to see I model effective leadership by becoming the change that I want to see in the world Break Away from old thought patter **House Calls** Patch Adams,1998 A reminder that some of the most important factors in healing are not high tech marvels but ordinary factors such as love compassion friendship and hope
