## **I Want To Be A Soccer Player:**

"I WANT TO BECOME A PROFESSIONAL SOCCER PLAYER": The Ultimate Guide for a soccer player to go pro Kareem Rae,2021-05-07 What is the I Want To Become a Professional Soccer Player Book About It is NOT just another soccer book It is NOT just another how to For soccer players Though it will help aspiring soccer players that want to know the secrets within this book to become a professional soccer player It is NOT a book for soccer players that just want to have fun Though it will help aspiring soccer players that have the willingness to put in the hard work time and effort to start training and thinking like a real professional soccer player It is NOT just about playing soccer for free Though it will help aspiring soccer players to turn their dream into a professional career to get paid and make money for what they love to do This Book is A SHORTCUT This is not a book about playing soccer for fun But if your child does what it says they will definitely GO PRO sooner than you can think Why can I say that Because this IS a book about how every aspiring soccer player can use the secrets within this book to start training and thinking like a real professional soccer player No matter what age or level your child is playing at If your child has ever been frustrated by a lack of confidence lack of skill or lack of inspiration This is the book you ve been looking for **I Want to be a Soccer Player** Eugene H. Baker,1976-01-01 Members of a youngster s soccer team learn the basic rules and techniques of the game from their coach **I Want to be a Soccer Player** Kirk Charlton,2019-08-24 The I WANNABE children s books are a series of stories about kids from all cultures and ethnicity s who became fascinated with career occupations and fun activities The stories are informative and inspirational and describe what the careers and hobbies are in detail We believe that we have created a needed category that can make a difference in how children experience the world We offer a contemporary approach to reading that is inclusive and diverse **When I grow up, I want to be a soccer player** ,2011 **The Global Migration of Soccer Players** Daniel T. Buffington,2019-08-21 Using quantitative data on player movement as well as interviews with agents players coaches and team staff The Global Migration of Soccer Players compares and contrasts the movement of highly skilled athletes to more general migrant streams Grounded in the sociology of migration the book addresses two major questions First why do players leave their country of birth to seek opportunities abroad Second once players find themselves living and working in a new country how do they adapt or adjust to these unfamiliar surroundings *Soccer's Neoliberal Pitch* John M. Sloop,2023-05-23 American sports agnostics might raise an eyebrow at the idea that soccer represents a staging ground for progressive cultural social and political possibility within the United States It is just another game after all in a society where mass audience spectator sport largely avoids any political stance in other than a generic corporate friendly patriotism But John Sloop picks up on the work of Laurent Dubois and others to see in American soccer a sport that has achieved immense participation and popularity even as it struggles to establish major league status a game that permits surprisingly diverse modes of thinking about national identity because of its marginality As a rhetorician who engages with both critical theory and culture John Sloop seeks to

read soccer as the game intersects with gender race sexuality class and the logic of neoliberal values The result of this engagement is a sense of both enormous possibility and real constraint If American soccer offers more possibility because of its marginality looking at how these cultural social and political possibilities are closed off or constrained can provide valuable insights into American culture and values In Soccer s Neoliberal Pitch Sloop analyzes a host of soccer adjacent case studies the equal pay dispute between the US women s national team and the US Soccer Federation the significance of hooligan literature the introduction of English soccer to American TV audiences the strange invisibility of the Mexican soccer league despite its consistent high TV ratings and the reading of US national teams as underdogs despite the nation s quasi imperial dominance of the Western hemisphere While there is a growing bookshelf of titles on soccer and a growing number on American soccer Soccer s Neoliberal Pitch is the first and only book length analysis of soccer through a rhetorical lens This book is a model for critical cultural work with sports with appeal to not only sports studies but cultural studies communication and even gender studies classrooms It is independent of its bona fides an engaging and enjoyable read for the soccer fan and the soccer curious
