I Was Born A Slave An Anthology Of Classic Slave Narratives 18491866:

T&T Clark Handbook of African American Theology ,2019-07-25 This handbook explores the central theme of Christian faith from various disciplinary approaches and different contexts of black experience in the United States The central unifying theme is freedom an important concept both in American culture and Christianity African American theology represents a Christian understanding of God s freedom and the good news of God s call for all humankind to enter life true human identity and moral responsibility in genuine and just community Contributors to the volume argue that African American theology highlights how racism and other intersecting forms of oppression complicate the human predicament and that their eradication requires an expansion of salvation to include the liberation of persons who lack full participation in society and enjoyment of the good and goods made possible by that society The essays in this handbook employ the tools of biblical criticism history cultural and social analysis religious studies philosophy and systematic theology in order to explore and assess the nature and impact of race ethnicity gender sexuality class immigration and cultural and moral pluralism in America as well as the intersections between African American and African diasporan religious thought and life

Litigating Across the Color Line Melissa Lambert Milewski,2018 In a largely previously untold story from 1865 to 1950 black litigants throughout the South took on white southerners in civil suits Drawing on almost a thousand cases Milewski shows how African Americans negotiated the southern legal system and won suits against whites after the Civil War and before the Civil Rights struggle

New Slavery Kevin Bales,2005-07-26 A shocking account of how slavery continues to afflict millions around the world today from children in the carpet trade in Asia to immigrants forced into prostitution in Europe to domestic workers in the United States and other Western countries New Slavery A Reference Handbook is as scholarly as it is shocking a gripping account of modern slavery from Pakistan to Paris Nepal to New York From bonded laborers in India and prostitutes in Thailand to illegal domestic workers in Kuwait Tokyo and London this book surveys the grim and violent world of contemporary forced labor human trafficking and slavery More commonly associated with the horrors of 19th century cotton plantations or Nazi concentration camps slave labor remains alive and well Despite antislavery laws in almost every country slavery today is booming fueled by poverty war organized crime and globalization This book is both a serious study and an essential guide for policy makers human rights lawyers labor activists and all those concerned with the ongoing fight against this timeless evil

Material Evidence Robert Chapman,Alison Wylie,2014-12-05 How do archaeologists make effective use of physical traces and material culture as repositories of evidence Material Evidence takes a resolutely case based approach to this question exploring instances of exemplary practice key challenges instructive failures and innovative developments in the use of archaeological data as evidence The goal is to bring to the surface the wisdom of practice teasing out norms of archaeological reasoning from evidence Archaeologists make compelling use of an enormously diverse range of material evidence from garbage dumps to monuments from finely crafted artifacts rich with

cultural significance to the detritus of everyday life and the inadvertent transformation of landscapes over the long term Each contributor to *Material Evidence* identifies a particular type of evidence with which they grapple and considers with reference to concrete examples how archaeologists construct evidential claims critically assess them and bring them to bear on pivotal questions about the cultural past Historians cultural anthropologists philosophers and science studies scholars are increasingly interested in working with material things as objects of inquiry and as evidence and they acknowledge on all sides just how challenging this is One of the central messages of the book is that close analysis of archaeological best practice can yield constructive guidelines for practice that have much to offer archaeologists and those in related fields

Memories of Carolinian Immigrants Andreas Lixl, 2009-05-16 This is a book about identity and remembrance This anthology presents personal narratives and historical photographs that illuminate the diversity of immigrant experiences in North and South Carolina since 1700 The broad focus of the book encompasses all walks of life and documents three centuries of social political artistic and cultural history The chapters follow historical timelines starting with colonial experiences leading up to the American Revolution followed by immigrant accounts before and during the Civil War experiences in the New South and memories of twentieth century immigrants and the most recent arrivals The common denominators of the autobiographies diaries and letters hinge on the confluence of American patriotism and immigrant pride coupled with old world loyalties and new world ambitions that reflect the demographic shift from European to Asian and Hispanic immigrants in the American Southeast

Memory and Power at L'Hermitage Plantation Megan M. Bailey, 2024-02-27 Uncovering evidence of slavery and control in the spatial landscapes of a Maryland plantation In this book Megan Bailey uses archaeological data and historical records to document the treatment of enslaved people at L Hermitage Plantation in Maryland from 1794 to 1827 Bailey uses the concept of the nervous landscape a space where power is not absolute and where resistance is possible to show how the Vincendi re family s fear of losing control of their workforce drove their brutality Bailey shows how the Vincendi res strategies to maintain their power were inscribed in the plantation s landscapes through the design of the enslaved peoples village which maximized surveillance and control while suppressing individuality Despite the family s behavior enslaved people found ways to exercise agency including through use of yard space forming relationships with local residents and running away Considering fear and anxiety as a fundamental element of the colonial experience Bailey argues that emotion should be considered in archaeological analyses of the past Today L Hermitage Plantation is a part of the Monocacy National Battlefield operated by the National Park Service Bailey discusses the public interpretation of the site and how excavations of the plantation highlighted a more complicated narrative than the prevailing story of Civil War conflict and heroism *Memory and Power at L Hermitage Plantation* uses archaeology to connect the Vincendi res to the present day landscape in a complex layered narrative of precarity and control A volume in the series *Cultural Heritage Studies* edited by Paul A Shackel Publication of this work made possible by a Sustaining the Humanities

through the American Rescue Plan grant from the National Endowment for the Humanities African American Readings of Paul Lisa M. Bowens, 2020-10-13 The letters of Paul especially the verse in Ephesians directing slaves to obey their masters played an enormous role in promoting slavery and justifying it as a Christian practice Yet despite this reality African Americans throughout history still utilized Paul extensively in their own work to protest and resist oppression responding to his theology and teachings in numerous often starkly divergent and liberative ways In the first book of its kind Lisa Bowens takes a historical theological and biblical approach to explore interpretations of Paul within African American communities over the past few centuries She surveys a wealth of primary sources from the early 1700s to the mid twentieth century including sermons conversion stories slave petitions and autobiographies of ex slaves many of which introduce readers to previously unknown names in the history of New Testament interpretation Along with their hermeneutical value these texts also provide fresh documentation of Black religious life through wide swaths of American history African American Readings of Paul promises to change the landscape of Pauline studies and fill an important gap in the rising field of reception history

Family, Law, and Inheritance in America Yvonne Pitts, 2013-05-20 Yvonne Pitts explores nineteenth century inheritance practices by focusing on testamentary capacity trials in Kentucky in which disinherited family members challenged relatives wills claiming the testator lacked the capacity required to write a valid will By anchoring the study in the history of local communities and the texts of elite jurists Pitts demonstrates that capacity was a term laden with legal meaning and competing communal values *Shades of Gray* Molly Littlewood McKibbin, 2018-12-01 2019 Choice Outstanding Academic Title In *Shades of Gray* Molly Littlewood McKibbin offers a social and literary history of multiracialism in the twentieth century United States She examines the African American and white racial binary in contemporary multiracial literature to reveal the tensions and struggles of multiracialism in American life through individual consciousness social perceptions societal expectations and subjective struggles with multiracial identity McKibbin weaves a rich sociohistorical tapestry around the critically acclaimed works of Danzy Senna *Caucasia* 1998 Rebecca Walker *Black White and Jewish Autobiography of a Shifting Self* 2001 Emily Raboteau *The Professor's Daughter* 2005 Rachel M Harper *Brass Ankle Blues* 2006 and Heidi Durrow *The Girl Who Fell from the Sky* 2010 Taking into account the social history of racial classification and the literary history of depicting mixed race she argues that these writers are producing new representations of multiracial identity *Shades of Gray* examines the current opportunity to define racial identity after the civil rights black power and multiracial movements of the late twentieth century changed the sociopolitical climate of the United States and helped revolutionize the racial consciousness of the nation McKibbin makes the case that twenty first century literature is able to represent multiracial identities for the first time in ways that do not adhere to the dichotomous conceptions of race that have until now determined how racial identities could be expressed in the United States *Ties That Bind* Tiya Miles, 2015-06-23 This beautifully written book now in its second edition tells the haunting saga of a quintessentially American family In the late

1790s Shoe Boots a famed Cherokee warrior and successful farmer acquired an African slave named Doll Over the next thirty years Shoe Boots and Doll lived together as master and slave and also as lifelong partners who with their children and grandchildren experienced key events in American history including slavery the Creek War the founding of the Cherokee Nation and subsequent removal of Native Americans along the Trail of Tears and the Civil War This is the gripping story of their lives in slavery and in freedom Meticulously crafted from historical and literary sources Ties That Bind vividly portrays the members of the Shoeboots family Doll emerges as an especially poignant character whose life is mostly known through the records of things done to her her purchase her marriage the loss of her children but also through her moving petition to the federal government for the pension owed to her as Shoe Boots s widow A sensitive rendition of the hard realities of black slavery within Native American nations the book provides the fullest picture we have of the myriad complexities ironies and tensions among African Americans Native Americans and whites in the first half of the nineteenth century Updated with a new preface and an appendix of key primary sources this remains an essential book for students of Native American history African American history and the history of race and ethnicity in the United States Sideways Selves PJ

DiPietro, 2025-07-22 How trans and non binary networks engage in decoloniality across hemispheres A deeply informed theoretically rich work of inquiry and critique Sideways Selves learns from two communities of migrants as they contest their marginalization under the colonial regime of gender colonial because as PJ DiPietro affirms Indigenous and Afro diasporic conceptions of embodiment have been displaced by the European Christian order of gender Following gender nonconforming Aymara Kolla and mixed race exiles in Buenos Aires and Kiche Nahua and Central American migrants in the San Francisco Bay Area DiPietro takes stock of a collective transnational effort to reimagine ideas of personhood and kinship that gender makes unthinkable The communities DiPietro studies create new kinds of identities collective and genderless in nature Their ways of thinking and doing though radical are motivated by old wisdom storytelling healing and religion brujer a curanderismo Voudoun and other practices that colonialism capitalism and the nation state have unsuccessfully tried to erase In equal measures philosophical and ethnographic Sideways Selves witnesses and listens as these displaced people displaced from their homes and from the moral geography of the West show us what a just decolonial world could actually be **I**

Was Born a Slave Yuval Taylor, 1999-03-01 Between 1760 and 1902 more than 200 book length autobiographies of ex slaves were published together they form the basis for all subsequent African American literature I Was Born a Slave collects the 20 most significant slave auctions kidnappings and murders sexual abuse religious confusion the struggle of learning to read and write and the triumphs and difficulties of life as free men and women Many of the narratives such as those of Frederick Douglass and Harriet Jacobs have achieved reputations as masterpieces but some of the lesser known narratives are equally brilliant This unprecedented anthology presents them unabridged providing each one with helpful introductions and annotations to form the most comprehensive volume ever assembled on the lives and writings of the slaves Volume Two 1849

1866 includes the narratives of Henry Bibb James W C Pennington Solomon Northup John Brown John Thompson William and Ellen Craft Harriet Jacobs Linda Brent Jacob D Green James Mars and William Parker

Presenting Oprah Winfrey, Her Films, and African American Literature T. Green, 2012-12-28 Oprah Winfrey has long promoted black issues by being involved as a producer or actor in the adaptation of works by African American writers for film This volume evaluates Winfrey's involvement in the visual interpretation of African American literary texts using film music black masculinity black feminist and cultural theory

The American Optic Mikko Tuhkanen, 2010-07-02 The American Optic charts new territory in the relationship of psychoanalysis to critical race studies Focusing on the work of Richard Wright and Jacques Lacan it explores the political and ethical implications of psychoanalysis for African American and other diasporic African cultural texts Mikko Tuhkanen develops a theory of racialization that recasts the genealogy of the Western concept of racial difference as outlined by critical race theory through the theory of the real which Lacan developed in his later work By engaging a wide array of resources including the work of W E B Du Bois Booker T Washington and Frantz Fanon as well as nineteenth century slave narratives and studies of blackface minstrelsy Tuhkanen not only illuminates the unexpectedly rich connections between Lacanian psychoanalysis and black literary and cultural studies but also demonstrates the ways in which the artistic and political traditions of the African diaspora allow us to reinvent the Lacanian ethics of becoming

Slavery Past, Present and Future Catherine Armstrong, Jaya Priyardarshini, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Spanning swaths of time and space slavery as a phenomenon has known intersections of class gender race caste etc The historical experiences of slaves is more or less lacking in the pedagogic or intellectual knowledge but its legacy in modern times is felt in the marginalisation stigmatisation remorse or shame of the slave descendants Contrary to historical slavery the presence of modern or twenty first century slavery is variously mired in the complex and contested terrains of its definition Today the political and economic context of human conditions globally has muddled the understanding of servitude Its resurgence in newer avatars along with institutional or informal upholders challenges its abolition Hearing the slave voices more than the hegemonic involvement of the abolitionists is required for its complete abolition A unified public activism and awareness as always will go a long way in ending it while upholding social justice

Beyond the antislavery haven Ellie Bird, 2025-04-22 This book challenges the idealised narrative of Canada as an antislavery haven for self liberated people to explore Canada's complicated relationship with slavery Examining advertisements abolitionist texts and narratives about slavery in Canadian newspapers and the texts that were printed alongside them it shows how Canadian readers and enslavers developed an image of themselves as belonging to an antislavery community even while recognising their own complicity in slavery The book explores narratives that depict the lives of Black settlers in Canada and how slave narratives circulated in Canada Canada's relationship with slavery is far more complicated than seeing it as either an antislavery haven or a slaveholding space Canada was connected to Britain France

the Caribbean and the United States and this was central to how Canadians and Canadian readers fashioned their self image in relation to slavery

Borderland Blacks dann j Broyld, 2022-05-25 Winner of the OHS Fred Landon Award In the early nineteenth century Rochester New York and St Catharines Canada West were the last stops on the Niagara branch of the Underground Railroad Both cities handled substantial fugitive slave traffic and were logical destinations for the settlement of runaways because of their progressive stance on social issues including abolition of slavery women s rights and temperance Moreover these urban centers were home to sizable free Black communities as well as an array of individuals engaged in the abolitionist movement such as Frederick Douglass Harriet Tubman Anthony Burns and Hiram Wilson dann j Broyld s *Borderland Blacks* explores the status and struggles of transient Blacks within this dynamic zone where the cultures and interests of the United States Canada Great Britain and the African Diaspora overlapped Blacks in the two cities shared newspapers annual celebrations religious organizations and kinship and friendship ties Too often historians have focused on the one way flow of fugitives on the Underground Railroad from America to Canada when in fact the situation on the ground was far more fluid involving two way movement and social collaborations Black residents possessed transnational identities and strategically positioned themselves near the American Canadian border where immigration and interaction occurred *Borderland Blacks* reveals that physical separation via formalized national barriers did not sever concepts of psychological memory or restrict social ties Broyld investigates how the times and terms of emancipation affected Blacks on each side of the border including their use of political agency to pit the United States and British Canada against one another for the best possible outcomes

Women Shaping the South Angela Boswell, Judith N. McArthur, 2006 Expanded from papers presented at the Sixth Southern Conference on Women s History this collection demonstrates how women of different races and classes transformed the South during its most crucial turning points including post Revolution Civil War Jim Crow era World War I and the civil rights movement Provided by publisher

Deleuze and Queer Theory Chrysanthi Nigianni, 2009-01-30 This exciting collection of work introduces a major shift in debates on sexuality a shift away from discourse identity and signification to a radical new conception of bodily materialism Moving away from the established path known as queer theory it suggests an alternative to Butler s matter representation binary It thus dares to ask how to think sexuality and sex outside the discursive and linguistic context that has come to dominate contemporary research in social sciences and humanities *Deleuze and Queer Theory* is a provocative and often militant collection that explores a diverse range of themes including the revisiting of the term queer a rethinking of the sex gender distinction as being implied in Queer Theory an exploration of queer temporalities the non re reading of the homosexual body desire and the becoming queer of the Deleuze Guattari philosophy It will be essential reading for anyone interested not just in Deleuze s and Guattari s philosophy but also in the fields of sexuality gender and feminist theory

Plantations and Death Camps Beverly Eileen Mitchell, 2008-12-04 Historical theologian Beverly Mitchell probes some of the most egregious assaults on humans in the

modern era to divine not only the root of racial and ethnic oppressions but also the unassailable heart of human dignity revealed in that suffering Mitchells work looks at the parallel oppressions that were visited upon African Americans in the slave era and upon Jews in the Nazi era Mitchell finds a deeper commonality is the underlying religious and ideological justifications for their oppressions and the underlying dynamic theological features of each
