I Wasnt Kidding:

The Exact Same Moon Jeanne Marie Laskas, 2009-02-04 In *Fifty Acres and a Poodle* Jeanne Marie Laskas described how she survived her first hilariously tumultuous year at Sweetwater Farm. Now she returns with a funny, touching, and personal new memoir of what happens after your dream comes true. With a picture postcard farm, a wonderful marriage, two mules, and a new refrigerator that spits crushed ice, what more can a girl ask for? That's precisely the question Jeanne Marie asks herself as she and Alex settle into their new life at Sweetwater Farm. Two years ago they left the city behind for a life filled with the practical, often comical lessons of living close to the land, and they never looked back. Yet when her strong-willed mom is hospitalized with a sudden and mysterious paralysis, Jeanne Marie rushes home to Philadelphia and her extended, sometimes chaotic but always loving family. It's there that she realizes what is still missing from her life: a family of her own. Now it's a matter of bringing up the subject to her husband, Alex, fifteen years older and with adult children of his own, who seems terrified that she's thinking of adopting a Chihuahua. With warmth, wisdom, and unfailing humor, Laskas tells the poignant story of her search for motherhood and what happens when a woman risks happily ever after for something even more precious. As she tends to her own ailing mother, Jeanne Marie discovers that the challenges and rewards of living with Mother Nature pale in comparison to those awakened by the nature of mothering. *The Exact Same Moon* is filled with hilarious and heartwarming vignettes of people and a way of life you'll be glad you met. From borrowing sheep to help mow the lawn and sitting in on the racy hay jokes at the Agway Equine Clinic to befriending the notorious old lady who holds the water rights to their future pond, corrupting the neighbors with satellite TV, and learning the fine art of going a-calling, Laskas proves once again that laughter, love, and wisdom are truly homegrown. **Confessions of a One Night Stand** Wendy Markham, 2021-03-15 From New York Times Bestselling Author Wendy Corsi Staub writing as Wendy Markham. Previously published as *Slightly Settled*, the do's and don'ts of the Office Party. After getting out of a dead-end relationship, Tracey Spadolini is determined to live life on her own terms. She'll party, flirt with whoever she wants, and make out with a few strangers along the way. Maybe even purchase that sexy new scarlet dress she didn't feel confident enough to wear before. After all, this is the new Tracey, and with the support of her friends, she can do just about anything. But at her company's annual Christmas party, Tracey meets what could be the man of her dreams. The only problem: He's her boss, roommate, and she's aiming for a promotion. Then her ex walks back into her life, and a friend who could be something more finally makes his move. As her life spirals out of control, it's time for Tracey to decide if she's ready to risk her heart again. *The Slightly Series* by Wendy Markham: Book One: *So Not Single*; Book Two: *Confessions of a One Night Stand*; Book Three: *Did Someone Say Fiance*; Book Four: *Happily Ever After*; Book Five: *What Happens in Suburbia*. **Married to Murder** J.T.
