From the author of national bestsellers *The Bedford Boys* and *The Longest Winter* comes a rousing tale of little known heroes
Booklist *The Few* tells the dramatic and unforgettable story of eight young Americans who joined Britain's Royal Air Force
defying their country's neutrality laws and risking their U S citizenship to fight side by side with England's finest pilots in the
summer of 1940 over a year before America entered the war Flying the lethal and elegant Spitfire they became knights of the
air and with minimal training but plenty of guts they dueled the skilled and fearsome pilots of Germany's Luftwaffe By
October 1940 they had helped England win the greatest air battle in the history of aviation Winston Churchill once said of all
those who fought in the Battle of Britain Never in the field of human conflict was so much owed by so many to so few These
daring Americans were the few among the few Now with the narrative drive and human drama that made *The Bedford Boys*
and *The Longest Winter* national bestsellers Alex Kershaw tells their story for the first time Science Digest , 1943-07

Through Footless Halls of Air Floyd Williston, 1996 *News from Belgium* , 1941 *Omnibook Magazine* , 1941

First of the Few: 5 June - July 1940 Brian Cull, 2014-03-26 *First of the Few* covers air operations during the month or so
before the official start of the Battle of Britain 5 June to 9 July 1940 a period normally overlooked The Battle of France
commenced 5 June and the handful of RAF Hurricane and Battle squadrons that remained in France were heavily engaged as
were Spitfire Hurricane and Blenheims flying in support from the UK Meanwhile the Luftwaffe commenced intermittent
nocturnal raids over eastern and north eastern counties of England resulting in the first night actions by RAF Blenheim night
fighters In the other direction RAF night bombers were making forays over Germany and the occupied Low Countries During
the first week of July Luftwaffe reconnaissance aircraft were overflying the south east coastal areas and harrying shipping in
the Channel All of these actions are highlighted in *First of the Few* many of the RAF aircrews experiencing combat for the
first time survived as the first of the few to participate in the forthcoming defence of Britain The scene was thus set for one of
the greatest battles in history one that was to save the world from Nazi domination the Battle of Britain An Air Power
Bibliography Raymond Estep, 1956 **Time** Briton Hadden, Henry Robinson Luce, 1942 *The Moguls and the Dictators*
David Welky, 2008 This author's analytical approach will be appreciated by historians as well as film buffs He examines
Hollywood's response to the rise of fascism and the beginning of the Second World War Welky traces the shifting motivations
and arguments of the film industry politicians and the public as they negotiated how or whether the silver screen would
portray certain wartime attributes **Review of Current Military Literature** , 1940
